

## ECC + AFG: Demystifying Engineering Consulting

Virtual Event held on **February 9 @ noon**

Being a Consulting Engineer, an outstanding career! The Association of the Engineering Consulting Firms - AFG and the Forum des Jeunes Professionnels du Québec will 'come' to McGill to demystify career of a consulting engineer. Join us and meet with 2 engineers who work at Engineering consulting firms, Khaleda Rahim and Nicolas Reyburn. The presentations will be followed by a Q&A.

About the speakers:

**Khaleda Rahim** is a Civil Engineer and Project Manager in construction working with AECOM consulting firm since 2012 in the Railway Transportation. She graduated from Concordia' university in 2012 with a bachelor's degree in Civil engineering and she obtained her master degree in Engineering in 2018 from Sherbrooke's University.

**Nicolas Reyburn** is an Engineer, working for Exp Services Inc, a consulting firm which provides engineering, architecture, design and consulting services to the world's built and natural environments. Nicolas graduated from the University of Sherbrooke in 2015 with a bachelor's degree in mechanical engineering. Since he officially joined the Exp team in January 2016, Nicolas was involved in various challenging and interesting projects, such as the rehabilitation of all HVAC systems of the hydroelectric generating station La Grande-4.
