## EDITORIAL NOTES

## S. C. BAKHUIZEN

Readers of TEIRESIAS will be saddened to learn that Kees Bakhuizen died in February 1996. His premature death has robbed his family of a beloved husband and father, and the rest of us of a cherished friend, and a scholar whose work will long be valued and admired.

The Third International Congress of Boiotian Studies was held in Thebes (and elsewhere in Boiotia) in September of this year. The General Editor regrets that he was unable to attend, but looks forward to seeing the publication of the papers.

The proceedings of the Second International Congress, held at Livadia in 1992, were published in 1995, and are listed here. See 96.1.11.
