

**Awards Presented
at the
Annual MUHC Department of Medicine Dinner**

Phil Hill Award

This award recognizes exceptional interest and skill of a staff physician at the MUHC (MGH or RVH site) in the teaching of clinical medicine. Nominees must demonstrate excellence in teaching, especially clinical teaching, of students, residents and colleagues; be a role model teacher, display academic achievement in education; e.g. projects to assess or improve teaching or have produced innovations in education and have had long-standing contributions to teaching. Supporting documentation should include a teaching dossier, CV, and teaching evaluations.
