

**Awards Presented
at the
Annual MUHC Department of Medicine Dinner**

Physician-in-Chief Award

This award recognizes outstanding service and contributions to the Department above and beyond the teaching and research roles. It is open to academic members, non-physicians and non-scientist members of the Department. It is for exemplary and distinguished service rather than for long service. The awardee is selected by the Physician-in-Chief, but suggestions for candidates for this award can be forwarded to Dr. Joyce Pickering (joyce.pickering@mcgill.ca) with a brief explanation of the nominee's contributions.
