➤ For Course Descriptions, please see here: [www.mcgill.ca/english/undergrad/2014-15-courses](http://www.mcgill.ca/english/undergrad/2014-15-courses)

➤ Just as we advise our English majors and minors to take foundational survey courses before taking 300-level courses in the Department, so too we suggest that students from disciplines other than English follow a similar trajectory.

➤ **There are no pre-requisites to taking any of the following 200-level courses:**
