## **BIOSKETCH:**

**Laura Palma obtained her BSc in Human Biology and Bioethics from the University of Toronto in 2002. Following her graduation, she worked as the Project Coordinator of Dr. Steven Narod's international Prospective Cohort Study of BRCA1/2 Carriers at the Centre for Research in Women's Health (CWH), Women's College Hospital, Toronto, ON. In 2003, she gained admittance into the genetic counselling training program at the University of Toronto and graduated with an MSc in Human Genetics/Genetic Counselling in 2005. Laura is currently working as a genetic counsellor in the Hereditary Cancer Clinic at the Montreal General Hospital. She has been appointed as a faculty lecturer in the Department of Human Genetics and is actively involved in the teaching and supervising of MSc genetic counselling students.**

## **CURRENT RESEARCH:**

**Genetic Counselling**
