

Canadian Literature (English): a selective list of reference sources

This guide lists some important sources found mainly in the reference collection of the HUMANITIES & SOCIAL SCIENCES LIBRARY (McLennan-Redpath). For additional sources dealing exclusively with specific themes, regions, literary periods and individual authors, consult MUSE, McGill's online computer catalogue under the appropriate Library of Congress subject heading. You may also search by author, title and keyword. Please ask the library staff at the Reference Desk for assistance.
