Please type: Name of Nominee: _____
 Academic Title: _____
 Institutional Address: _____

 Names of other members, if group is to be considered:

Please provide the following information and return it together with this nomination form:

1. A summary, preferably less than 1,000 words, of the research on which this nomination is based and its significance in the field of circulatory diseases.
2. A brief biographical sketch of the nominee (NIH format, 4 pages).
3. An indication of up to ten of the nominee's most significant publications related to the research noted under Item 1, and the reason for their significance.
4. An outline of the proposed research and/or academic activities (seminars, discussions) to be carried out at McGill and the names of potential McGill correspondents and host laboratories. A two-week residence at McGill University during the academic year should be considered by the nominee.
5. A full Curriculum Vitae, including training, positions held and awards received by the nominee and, if available and applicable, a summary of grant funding, including amounts, during the last five years and a complete listing of the nominee's publications (please omit abstracts).

Please type: Name of Proposer: _____
