

McGill University
INFORMATION AND APPLICATION FORM 2015

Geog 495 Local Field Studies in Physical Geography: in Mont St.-Hilaire, Quebec, May 11 - 29, 2015
(including weekends). Instructor: Prof. W. Pollard

Geog 499 Subarctic Field Studies: in Schefferville, Quebec, the field portion is *August 17 - 28, 2015
(including weekends), there will be several meetings in September – note this is a fall term course.
Instructor: Prof. W. Pollard

Registration:

Submit your application form by March 31. Confirmations will be e-mailed by April 7th.

Note that Geog 495 is offered through Summer Studies.

COST:

Geog 495: An additional fee of **\$470.02** will be added directly to your student fee account. This cost includes transportation by bus, accommodation and meals, but does **not** include tuition fees, or personal incidental expenses. Cancellations for medical reasons (doctor's medical note required), will be refunded in full **except \$100.00**.

Geog 499: An additional fee of **\$1,904.42** will be added directly to your student fee account. The cost includes travel, accommodation and meals, but does **not** include tuition fees, or personal incidental expenses. Cancellations for medical reasons (doctor's medical note required), will be refunded in full **except \$300.00**.

Restrictions:

1. All field courses have limited enrolment and Geography prerequisites.
2. **Non-Geography students may be accepted into field courses if space permits.**

(Please detach and keep the top portion of this sheet for reference)
