

ORIENTATION MEETING FOR INCOMING GEOGRAPHY STUDENTS

**Friday, September 5th
2:00-3:00 p.m.
Burnside Hall Room 426**

Light refreshments will be served

The Orientation meeting is an excellent opportunity to meet your new Geography colleagues as well as important McGill Geography staff and the McGill Undergraduate Geography Society (MUGS) reps. Incoming Geography students will also get a short tour of the department, and will have the chance to ask questions about our department and programs. In the meantime, if you have any questions, please do not hesitate to contact our undergraduate program advisor Michelle Maillet at advisor.geog@mcgill.ca
