HBHL Trainee Travel Bursaries Application

The HBHL initiative has allocated part of its training funds to support students and postdoctoral fellows who wish to present their findings at national and international conferences, or attend a workshop. The travel bursaries are to cover expenses such as airfare, registration fees, and accommodations.

There will be two competitions per year, with deadlines on December 1 (for events occurring between January 1 and June 30) and June 1 (for events occurring between June 1 and December 30). The number of bursaries awarded per competition will be based on the availability of funds. The results will be announced in January and July, respectively.

The bursaries will be awarded at three levels:

- $500 for conferences/workshops within the province of Quebec
- $1,500 for North American conferences/workshops, including other provinces in Canada
- $2,000 for international conferences/workshops outside of North America

Eligibility and conditions:

- Applicant must be a registered McGill University graduate student or postdoctoral fellow
- Applicant must be the presenter of the work (either poster or oral presentation), if the bursary is intended for attending a conference
- Applicant’s conference abstract or workshop to attend must be directly linked to HBHL’s goals or research priorities
- Acknowledge on poster or acknowledgement slide “This research was undertaken thanks in part to funding from the Canada First Research Excellence Fund, awarded to McGill University for the Healthy Brains for Healthy Lives initiative.” if it is for attending a conference
- Submit a photo of your poster or podium presentation or at the workshop to HBHL for social media and other publication purposes

Please provide the required information by completing an on-line conference travel bursary application form or workshop travel bursary application form.

All applications will be reviewed and winners will be chosen by the HBHL travel award evaluation panel based on alignment with HBHL goals and objectives.
