

POLICY TALKS

Webinar Series

February 2nd

12:30-1:30 EST

The role of policy in addressing the COVID-19 pandemic and economic crisis: a conversation with Professors Sandro Galea and Martin McKee

Sandro Galea,
Robert A. Knox Professor and
Dean, Boston University School
of Public Health

Martin McKee,
Professor, European public health at
the London School of Hygiene &
Tropical Medicine.

Moderated by IHSP Associate Member Erin Strumpf, this session features a conversation with two eminent population health scholars, Sandro Galea and Martin McKee, on the relation between evidence and policy in the context of the COVID-19 pandemic and economic crisis. Potential topics include: how public policy responses have evolved during the pandemic; how evidence has informed policy prescriptions (or not); what we've learned about policy effectiveness; and how we should prioritize population health research moving forward.
