The Faculty’s Education Strategic Plan: Let’s ‘C’! Connect, Collaborate, Create

ANNETTE MAJNEMER, PHD
Vice-Dean - Education, Faculty of Medicine
Professor, School of Physical & Occupation Therapy
McGill University

May 11, 2017
16h00 to 17h30
Meakins Amphitheatre, 5th floor
McIntyre Medical Sciences Building

Progress on the Faculty’s Education Strategic Plan will be shared, to include the process of stakeholder engagement and the particular priority goals and actions underway. Cross-cutting themes and opportunities to be leveraged will be put forward for discussion with the participants.

This session will:
♦ Provide an overview of the Faculty’s Education Strategic Plan
♦ Invite the audience to consider their roles in connecting with students, collaborating across silos and creating new discoveries in educational research and scholarship

Dr. Annette Majnemer is an occupational therapist with doctoral training in the neurosciences. A full professor at McGill University, she has been the Director of the School of Physical & Occupational Therapy, and is the inaugural Vice Dean of Education in the Faculty of Medicine. She is co-Editor of Physical & Occupational Therapy in Pediatrics and a nominated fellow of the American Occupational Therapy Foundation and the prestigious Canadian Academy of Health Sciences. Annette is a Senior Scientist at the Research Institute of the McGill University Health Centre and is currently the lead of CHILD-BRIGHT, a pan-Canadian patient-oriented research network focused on research, training and knowledge translation programs that will promote brighter futures for children with brain-based developmental disabilities and their families.
