

McGill

Faculty of
Medicine

The McGill University Department of Neurology and Neurosurgery and the Department of Neurology of the McGill University Health Centre, Montreal, Quebec are currently inviting applications for a full-time position in:

ACADEMIC NEUROLOGY

The successful applicant will have advanced training and the demonstrated capacity to excel in academic neurology, including specialized clinical expertise, strong medical education skills, and well-defined clinical or basic research interests. Qualified individuals with research or clinical interests in any area of neurology are encouraged to apply, although candidates with expertise in current priority areas, including neuro-oncology, stroke neurology, or the interface between neurology & medicine are particularly encouraged.

Candidates must hold or be eligible for licensure as a neurologist in the province of Quebec. The successful candidate will hold an academic appointment as a member of the Contract Academic Staff at the full-time Assistant or Associate Professor (Clinical) level in McGill's Department of Neurology and Neurosurgery, with a clinical position at the Montreal General or Montreal Neurological Hospitals. This will be a three-year, renewable appointment. He or she is expected to provide excellent clinical teaching and supervision to residents and medical students, and to pursue scholarly activities in advancing clinical care, research, or medical education. A clinician-scientist position with protected research time will be considered for candidates with exceptional research potential. Remuneration will be according to the RAMQ fee schedule.

The McGill University Health Centre includes major McGill University-affiliated teaching hospitals at several sites in downtown Montreal. Thirty-one neurologists and neurologist-scientists provide tertiary in-patient and out-patient neurological care, engage in a wide range of clinical and basic neuroscience research, and lead strong clinical neuroscience teaching programs in undergraduate and postgraduate medicine at the Montreal Neurological Hospital and Institute, Montreal General Hospital, and McGill University.

Interested candidates are invited to submit a CV and cover letter in electronic or paper form to: Dr Lesley Fellows, Interim Chair, McGill Dept. of Neurology and Neurosurgery, c/o Room 144, Montreal Neurological Institute, 3801 University St, Montreal QC H3A 2B4, n-ns@mcgill.ca. Applications must be received within 60 days of the publication date of this posting.

McGill University is committed to equity in employment and diversity. It welcomes applications from Aboriginal persons, persons with disabilities, ethnic minorities, persons of minority sexual orientation or gender identity, visible minorities, women, and others who may contribute to diversification. All qualified applicants are encouraged to apply; however, Canadians and permanent residents will be given priority.
