ESSAY QUESTIONS

FOR

DIRECT-ENTRY MASTER’S PROGRAM
APPLICANTS

The answer to these questions will help us to better understand your interests, and past experiences. Your responses may be as long as required to answer the questions. In the past, applicants have submitted a total of 2-4 typewritten, single-spaced pages.

Please answer the following questions on a separate sheet of paper:

NON-CANADIAN APPLICANTS ONLY:

1. What is your understanding of the developing nature of modern health services?

CANADIAN APPLICANTS ONLY:

1. Describe briefly the development of health care services in Canada noting particularly the health care services of the province in which you reside.

ALL APPLICANTS:

2. Describe your interest in the health care field and how you came to consider nursing as a career choice.

3. Describe your experiences working with people, and your experiences with the health care system.

4. Relate, briefly, your most stressful life experience. Describe how you responded to it.
