Nurse Practitioner Applicants

GRADUATE PROGRAMS

ESSAY QUESTIONS

The answer to these questions will help us to better understand your interests, and past experiences. Your responses may be as long as you need to answer the questions. On average, most applicants submit 2-4 typewritten pages (12-pitch Font, single spaced).

International APPLICANTS ONLY:

1. What is your understanding of the developing nature of modern health services?

Canadian APPLICANTS ONLY:

1. Describe one issue in the Quebec/Canadian health system that impedes the delivery of effective nursing care. How do you feel the profession should respond to this problem?

ALL APPLICANTS

2. Describe your interests and concerns in nursing and the health care field. Describe your reasons for wishing to begin Nurse Practitioner studies at this time (indicate the specialty).

3. What are your career plans in nursing?

4. Relate a clinical situation in which you felt challenged and describe your responses to it at the time. Briefly summarize the questions this situation raised for you.
