Independent research project with a final written report.	
13. Supplementary information to appear in the Calendar in addition to Such as: equivalent course(s), contact hours, enrolment limitations Please enter the information as it should appear in the calendar notes.	

The course will be open to students in any program offered in the Bachelor of Science, Bachelor of Arts, Bachelor of Arts and Science, or the Bachelor of Science in Agricultural and Environmental Sciences. It would be an elective course, could be taken after one term of undergraduate studies, and could be taken by students whose major is outside the School of Environment. The course will contain a significant research component that requires substantial independent work by students and a final report worth at least 50 % of the final grade. Students will not be permitted to take this course under the S/U option. While the original vision for the 396 research courses involved only BSc students, the MSE mandate includes students from the above mentioned degrees, and so ENVR 396 will cater to a wider audience.
