

McGill University
Dr. Richard H. Tomlinson Fellowship
Ph.D. Student Application

Academic Year: _____

Department Name:	Start date of the PhD.:
------------------	-------------------------

1. PERSONAL DATA

Applicant Name:	
Complete mailing address:	
Telephone:	Email:

2. ACADEMIC BACKGROUND

Education

Degree	University	Country	Field	Dates (mm/yy) From/To

3. HONOURS, AWARDS, DISTINCTIONS (indicate if national/local/institution and monetary value if applicable.)

--

4. PUBLICATIONS

Please attach a complete list of your (1) refereed publications and (2) non-refereed publications. For co-authored publications, please describe your contribution.

5. RESEARCH AND OTHER RELATED EXPERIENCE (reverse chronological order)

Position held	Department/Institution	Dates (mm/yy) From/To

McGill University
Dr. Richard H. Tomlinson Fellowship
Ph.D. Student Application

6. PROJECT INFORMATION

Title of the research (one line only) AND name of proposed supervisor

--

Project summary (in lay terms)

In 15 lines or less, provide a **non-technical** summary of your research, written in simpler and clear language suitable for a lay audience or appropriate press release. Please note: Applications are reviewed by a multi-disciplinary committee.

--

7. DETAILED PROJECT DESCRIPTION (1 page maximum)

Using a separate page, provide a detailed description of your proposal, including problem definition, theoretical foundations, specific hypothesis, methodology, and significance of research. If applicable, describe how your previous research training relates to the present proposal and elaborate on your career goals. Please write in terms that will be understood by a multi-disciplinary committee.

--

8. REFERENCE LETTERS

Provide the names, titles, addresses, phone numbers, and email addresses of two external referees, who you have asked to comment on your suitability for admission and this award.

Name		Name	
Institution		Institution	
Address		Address	
Telephone		Telephone	
Email		Email	

9. **All official transcripts** from university level studies (**graduate and undergraduate**);
10. **GPA Calculation Sheet** for each degree

12. **Proposed supervisor's statement:** On **department letterhead paper**, please 1) comment on how the applicant's proposed project integrates in your research program; 2) indicate the source(s) of funding available for the conduct of the research program; 3) address available resources, such as space, facilities, equipment, access to required expertise (either within or outside the research team); 4) sign

13. SIGNATURE

I certify that the information submitted on my application form was complete and correct at the time of submission. Further, I understand that misrepresentation of any information or failure to provide necessary documents may result in my ineligibility for funding.

I am aware of those provisions of the Québec **Act Respecting Access to Information Held by Public Bodies and the Protection of Personal Information** including the right to correct my record and agree to the release of nominative information as follows:

Personal information is protected by legislation in the Province of Québec. The provisions of this statute are such that discussion of an applicant's file, or access to that file, is restricted to the applicant involved. Other persons or organizations can have access to information pertaining to an applicant's file only if the applicant has provided the Graduate and Postdoctoral Studies Office with written authorization which specifies both to whom information can be given and the type of information which can be released.
