# Graphos – Summer Writing Courses

Want to improve your writing skills? Take a summer writing course and improve your academic communication abilities.

- •—CESL 641: Fundamentals of Academic Writing in English (1 credit) - Key strategies for any graduate student whose first language is not English including structure of texts, vocabularybuilding, self-editing techniques, and review of grammar, mechanics and syntax. Students will develop multiple drafts of texts and receive personalized audio feedback.
- CEAP 652: Fundamentals of Academic Presentations (1 credit) How to develop and deliver academic presentations, with emphasis on structuring and critically evaluating content, and using rhetorical devices to enhance clarity. Students will practice oral presentations and various forms of feedback and assessment, such as instructor, peer, and self-assessment.

### **KEYS TO UNLOCKING YOUR POTENTIAL**

#### Supervision: Graduate And Postdoctoral Support

Want to cultivate a positive relationship with your supervisor? The new supervision website offers research-based practical advice and guidance on supervisor relationship the supervisory relationship.
