1 Application

Mailing address:
Admissions, Recruitment and Registrar’s Office
McGill University
James Administration Building
847 Sherbrooke Street West
Montreal, QC H3A 3N6 Canada
Website: http://www.aro.mcgill.ca
(to request an electronic application or an application kit)
Telephone: (514) 398-3910  TTY/TDD: (514) 398-5044
Fax: (514) 398-4193

The academic year at McGill is made up of two sessions, the fall/winter or regular session, and the summer session. These are subdivided into the fall term (or semester), September to December; the winter term (or semester), January to May; and the four months of the summer session (May, June, July and August). While the majority of students enter in September, it is possible to be considered for admission to some undergraduate programs in January.

The Admissions, Recruitment and Registrar’s Office handles admission to the programs contained in this Calendar, with the exception of the Faculties of Agricultural and Environmental Sciences, Music, and Religious Studies which have their own admissions offices. See the faculty sections for further information.

Applicants to Agricultural and Environmental Sciences follow the instructions in the common application kit or electronic application.

Applicants to Music (and all related documents, transcripts and correspondence) should be sent to the Faculty of Music Admissions Office. (Those wishing to follow a B.A. program in Music apply for entry to the Faculty of Arts.)

Applicants to the B.Th. program should contact the Faculty of Religious Studies directly. (Those wishing to follow a B.A. program in Religious Studies apply for entry to the Faculty of Arts.)

1.1 Application Deadlines

Applications must be postmarked on or before the dates listed. Late applications for admission may be considered in some cases, but this is not guaranteed.

Note: Individuals who wish to be considered for scholarships and/or residence accommodation must submit their application by the dates listed below. Deadlines cannot be extended for scholarships or for residences. Documents in support of a scholarship application must be submitted with the form.

Other supporting documents should be sent as soon as they are available. If received before the application form, they will be kept on file for one year.

APPLICATION DEADLINES FOR SEPTEMBER ADMISSION

January 15
Candidates studying outside Canada, unless otherwise indicated.
Music: candidates who wish to do the February Music Entrance Scholarship auditions.

February 1
Candidates studying in high schools in Canadian provinces other than Quebec, unless otherwise indicated.

March 1
Candidates studying in CEGEP in Quebec, unless otherwise indicated.
Candidates with previous or current university studies.
Mature student candidates.
Music: all remaining candidates.

May 1
Exchange students: all faculties (except Music).

July 1
Special and Visiting students, unless otherwise indicated.

August 1
Theology (Faculty of Religious Studies): all candidates.

APPLICATION DEADLINES FOR JANUARY ADMISSION

Subject to the availability of places, it is possible to apply for January admission to Agricultural and Environmental Sciences, Arts, Education (except Elementary and Secondary Education), Engineering (except Electrical and Computer Engineering), Science, Theology, and some programs in Music. If applications for January admission to these programs cannot be considered because of enrolment limitations, students will be notified that their applications will be reviewed for the following September.

May 1
Exchange students: all faculties (except Music).

September 1
Candidates studying outside the province of Quebec, unless otherwise indicated.

November 1
Candidates studying in the province of Quebec, unless otherwise indicated.
Music: Canadians and Permanent Residents only.
Special and Visiting students.
Theology (Faculty of Religious Studies): all candidates.

APPLICATION DEADLINE FOR MAY ADMISSION

December 1
Special B.S.W only: all candidates.

1.2 Application Fee

All applications must be accompanied by a non-refundable fee of C$60 (or US$60 if more convenient), payable by certified cheque or money order. (The Admissions, Recruitment and Registrar’s Office and the Faculty of Agricultural and Environmental Sciences also accept payment by credit card.)

Applicants to the Faculty of Music must also submit a separate, non-refundable audition fee of $35.

1.3 Electronic Application

The McGill electronic application can be downloaded directly from the Web (http://www.aro.mcgill.ca), click on “Applicants”. Those without easy access to the Web may obtain a copy on diskette by emailing, writing, or telephoning the Admissions, Recruitment and Registrar’s Office.

The electronic application can be used to apply to undergraduate programs in Agricultural and Environmental Sciences, Arts, Architecture, Dietetics and Human Nutrition, Education, Engineering, Management, Nursing, Occupational Therapy, Physical Therapy, Science, and Social Work. It can be used by Special, Visiting, or Exchange students, as well as regular applicants.

2 Admission Requirements

For admission information for:
Agricultural and Environmental Sciences, Architecture, Arts, Dietetics and Human Nutrition, Education, Engineering, Management, Science – see this section.

Music (B.Mus.) – see Faculty of Music section.
(Those wishing to follow a B.A. program in Music apply for entry to the Faculty of Arts.)

Social Work – see School of Social Work in the Faculty of Arts section.
Theology (B.Th.) – see Faculty of Religious Studies section. (Those wishing to follow a B.A. program in Religious Studies apply for entry to the Faculty of Arts.)

Dentistry, Medicine, Nursing, and Physical and Occupational Therapy – see the Health Sciences Calendar.

Law – see the Faculty of Law Calendar.

Applicants are reminded that admission to McGill is competitive, and fulfillment of the minimum entrance requirements does not guarantee acceptance.

The general criteria for admission are outlined below to serve as a guide for potential applicants. For some programs there are additional requirements such as letters of reference or interviews. In all cases, full information is contained in the application package. Although the Admissions, Recruitment and Registrar’s Office staff are always pleased to meet prospective students, a personal interview is not required for admission to most programs.

2.1 Enrolment Limits

The number of applicants who meet the minimum requirements for admission to most programs is usually considerably in excess of the available places.

Applicants are encouraged to indicate a second choice of program on their application form. If not offered admission to the first choice of program, the applicant will automatically be considered for the second choice. An applicant whose request for admission has been denied may submit a written request for review of the admissions decision.

2.2 Proof of Proficiency in English

The language of instruction at McGill is English. Some courses are offered in French. Every student has a right to write term papers, examinations and theses in English or in French except in courses where knowledge of a language is one of the objectives of the course.

Applicants are not required to submit proof of proficiency in English if they meet one of the following conditions: their mother tongue/first language is English; or they have completed both Secondary V and a Diploma of Collegial Studies in Quebec; or they have studied for five or more years in an institution where English is the primary language of instruction.

All other applicants must demonstrate proficiency in English, using one of the following four options:

Test of English as a Foreign Language (TOEFL) with a minimum score of 550 on the paper-based test or 213 on the computer-based test.

University of Michigan English Language Test with a minimum mark of 85%.

International English Language Testing Systems (IELTS) with a minimum band score of 6.5.

McGill Certificate of Proficiency in English.

For further information contact the Department of Languages and Translation, Centre for Continuing Education, 680 Sherbrooke Street West, Montreal, Quebec, H3A 3R1. Telephone (514) 398-6160. Email: info@conted.lan.mcgill.ca

Note: Outside of Canada and the United States, TOEFL is generally given every second month. Closing dates for registration are about five weeks before the test date. The results of the paper-based test reach McGill approximately eight weeks after the test has been completed and the computer-based test results reach McGill approximately three weeks after the test has been completed. An institutional version of this test is not acceptable.

It is the applicant’s responsibility to ensure that the results are forwarded directly to the correct McGill Admissions Office by the TOEFL Office. (The institutional code for the Admissions, Recruitment and Registrar’s Office at McGill is 0935-00. Applicants should only indicate a departmental code if test results are to be directed to the faculties of Agricultural and Environmental Sciences [CODE 0864], Music, or Religious Studies.) It is important that the TOEFL score report, the application for admission, and supporting documents all carry an identical name.

2.3 Placement Tests in Mathematics and Basic Sciences

Applicants from outside Quebec who believe that they have taken the equivalent of one or more introductory college level science courses (algebra, calculus, biology, chemistry, physics) but who do not have acceptable certification to that effect, should inquire at the Admissions, Recruitment and Registrar’s Office as to their eligibility to take placement examinations at McGill for credit. These examinations will be held prior to, or during, the first week of classes.

Prior to their first registration, students entering the Faculty of Engineering from a Quebec CEGEP program are eligible to receive advanced credit in 189-260 Intermediate Calculus upon successful completion of the Advanced Credit Examination. See the Engineering Entry below.

2.4 Applicants from Quebec CEGEPS

(CEGEP: Collège d’enseignement général et professionnel/College of General and Professional Education.)

Holders of the Diplôme d’études collégiales (DEC)/Diploma of Collegial Studies (DCS) are considered for admission to the first year of a program requiring the completion of a minimum of 90 credits, unless otherwise noted. Students who complete the “DEC en sciences, lettres et arts” may be considered for any university program. Students who have completed a technical or professional DEC will be considered on an individual basis.

Applicants who have completed a French Baccalaureate or an International Baccalaureate in Quebec are also considered for admission to the first year of a program requiring the completion of a minimum of 90 credits, unless otherwise noted.

The course numbers listed below are the CEGEP course numbers which are standard throughout Quebec.

Possession of the DEC does not guarantee admission. Consideration is given to marks in profile courses, in language courses, number of failures, and the length of time taken to complete the program.

Agricultural and Environmental Sciences, Dietetics and Human Nutrition: A DEC in Science or equivalent. In addition, the following courses are required: B.Sc.(Agr.Eng) – Mathematics 201-105; B.Sc.(Nutr.Sc.) – Biology 101-401 and Chemistry 202-202. Applicants to the B.Sc. (Agr.) Major in Economics will be considered with a minimum of Mathematics 201-103 and 201-203. If accepted, students will then be required to complete the equivalent of CEGEP Physics 203-101, Chemistry 202-101, and Biology 101-301 in addition to the regular program requirements.

Architecture: A DEC in Science which includes Mathematics 201-103, 201-203, 201-105; Chemistry 202-101, 202-201; Physics 203-101, 203-201, 203-301. A bound 8½” x 11” portfolio is required of applicants who have completed a DEC in Architectural Technology. It is also considered to have the above prerequisites and a reference letter from the head of their department.

Arts: A DEC in any program. Particular attention is paid to marks in English and humanities or French and philosophy courses.

It is recommended that applicants in the social sciences or commerce programs who plan to apply for admission to a Bachelor of Arts program in Psychology complete the following courses: one course in Intro. Psych, either 350-101 or 350-102; one course in Biology, either 101-301, 101-401, 101-911 or 101-921; one course in Intro. Stats, either Mathematics 201-307 or 201-337, or Quantitative Methods 360-300 with Mathematics 201-300

It is recommended that students who plan to apply for admission to the McGill School of Environment B.A. Faculty Program complete Mathematics 201-103 and 201-203. Students applying to the Foundations of Computing program should take Mathematics 201-103, 201-203, and 201-105.

If necessary, equivalent courses may be taken at McGill in the first year.
Education: A DEC in any program. Particular attention is paid to marks in English or French courses. Applicants to the Concurrent programs, the B.Sc./B.Ed. and the B.Ed./B.Mus. must meet the requirements of both faculties. All programs, except Kinesiology, require the completion of a minimum of 120 credits; some programs are longer. Concurrent B.Ed./B.Mus. applications must be submitted to the Faculty of Music Admissions Office.

Engineering: A DEC in Science which includes Mathematics 201-103, 201-203, 201-105; Chemistry 202-101, 202-201; Physics 203-101, 203-201, 203-301. All programs in Engineering are a minimum of seven semesters. Prior to their first registration, students entering the Faculty of Engineering from a Quebec CEGEP program are eligible to receive advanced credit in 189-260 Intermediate Calculus upon successful completion of the Advanced Credit Examination. That examination which is given in June, will cover material that is similar to the syllabus of the CEGEP Calculus III (Mathematics 201-303) course. In all non-Honours engineering programs, students who are successful in the exam will automatically have the number of credits required for the completion of their program reduced by three.

Management: A DEC which includes Mathematics 201-103, 201-203, and 201-105. The University recognizes and stresses the desirability for students to receive as broadly based a background as possible in their CEGEP program before proceeding to a Bachelor of Commerce degree. To this end, the applicant is strongly discouraged from taking commerce-oriented courses while in the pre-university program.

Music: A DEC in Music or equivalent. Applicants with a DEC in a field other than Music must have the equivalent Music prerequisites. Applicants must have keyboard skills sufficient to use the piano as a tool in their studies; admissibility to any program is determined by audition.

Religious Studies (B.Th.): A DEC in any discipline. See Faculty section for further details.

Science: A DEC in Science or equivalent. Students intending to follow the programs listed below are advised to complete Mathematics 201-103 or Biology 101-401 and Chemistry 201-202, depending on the program, in addition to the basic science profile in order to ensure a smooth transition to the University program.

- Atmospheric and Oceanic Sciences, Computer Science, Physics – Mathematics 201-105.
- Anatomical Sciences, Biochemistry, Biology, Interdepartmental Honours program in Immunology, Microbiology and Immunology, Physiology, Physiology and Physics – Biology 101-401 and Chemistry 202-202.

Although the patterns of study described above are strongly recommended, students who have obtained a DEC with other concentrations will be considered for admission.

Applicants to the Concurrent B.Sc./B.Ed. must meet the entrance requirements of both Faculties.

Social Work: A DEC in any discipline. Particular attention is paid to marks in English or French courses. Preference is given to those who have had social work-related experience, paid or volunteer, and to those who demonstrate personal suitability for the profession.

Theology (Faculty of Religious Studies): A DEC in any discipline.

2.5 Applicants from High Schools in Provinces of Canada other than Quebec

Applicants from Ontario must have completed the OSSD and six or more OACs. For Ontario applicants the prerequisites referred to below are all at the OAC level.

Applicants from provinces other than Ontario and Quebec must hold a Grade 12 diploma. For those applicants, prerequisites referred to below are all at the Grade 12 level.

The application is reviewed taking into account the overall record of study and individual marks in relevant subjects completed at the Grade 11, 12 and OAC levels. Where students have studied in a school where French is the main language of instruction, the prerequisite English courses may instead be French courses.

Students are normally admitted to a program requiring the completion of a minimum of 120 credits; some programs are longer.

Agricultural and Environmental Sciences, Dietetics and Human Nutrition: Grade 12 or OAC courses in mathematics (calculus or algebra and geometry) and two of biology, chemistry and physics.

Architecture (Pre-Architecture program): Grade 12 or OAC courses in English, mathematics (calculus or algebra and geometry), chemistry and physics. A bound 8½” x 11” portfolio is required of applicants. As there are very few spaces, those interested may wish to indicate Engineering or Science as a second choice on their application and, upon completion of first year basic mathematics and sciences, apply for an inter-faculty transfer to Architecture. The total length of the program is the same in both instances.

Arts: Grade 12 or OAC English.

Education: Grade 12 or OAC English. In addition, applicants to the Concurrent B.Sc./B.Ed. degree require Grade 12 or OAC mathematics (calculus or algebra and geometry) and normally at least two of biology, chemistry or physics. Applicants to the Concurrent programs, the B.Sc./B.Ed. and the B.Ed./B.Mus. must meet the requirements of both faculties. Concurrent B.Ed./B.Mus. applications must be submitted to the Faculty of Music Admissions Office.

Engineering: Grade 12 or OAC English, mathematics (calculus or algebra and geometry), chemistry and physics.

Management: Grade 12 or OAC mathematics (calculus or algebra and geometry) and English.

Music: No specific prerequisite courses. Applicants must have keyboard skills sufficient to use the piano as a tool in their studies; admissibility to any program is determined by audition.

Science: Grade 12 or OAC mathematics (calculus or algebra and geometry) and normally at least two of biology, chemistry or physics.

Social Work: No entry directly from high school.

Theology (Faculty of Religious Studies): No entry directly from high school.

2.6 Applicants from High Schools in the United States

The application is reviewed taking into account the overall record of study and individual marks in relevant subjects completed in Grades 10, 11, and 12. Students must hold a high school graduation diploma.

Applicants completing a U.S. high school program must write College Entrance Examination Board tests including the SAT I and three appropriate SAT IIs. ACTs are also acceptable. Applicants will be considered for admission to a program requiring the completion of a minimum of 120 credits; some programs are longer. Students who have completed Advanced Placement Examinations in appropriate subjects with a grade of "3" or better may be granted advanced standing, up to a maximum of 30 credits.

Agricultural and Environmental Sciences, Dietetics and Human Nutrition: A pre-calculus course in functions, and at least two of biology, chemistry, and physics. SAT IIs must include mathematics and at least one science.

Architecture (Pre-Architecture): A pre-calculus course in functions, chemistry and physics. A bound 8½” x 11” portfolio is required of applicants. SAT IIs must include mathematics and chemistry or physics. As there are very few spaces available in the program, those interested may wish to indicate Engineering or Science as a second choice on their application and, upon completion of first year basic mathematics and sciences, apply for an inter-faculty transfer to Architecture. The total length of the program is the same in both instances.
Applicants must have a very strong academic record. Engineering, and Electrical Engineering is highly competitive and program. Admission to Architecture, Pre-Architecture, Computer Engineering, and Electrical Engineering is highly competitive and programs, students with "Mention passable" may be considered. Applicants are normally accepted to a minimum 90 credit program; some programs are longer.

A bound 8½" x 11" portfolio is required of applicants to both Architecture and Pre-Architecture. As there are very few spaces available in the Pre-Architecture program, those interested may wish to indicate Engineering or Science as a second choice on their application and, upon completion of first year basic mathematics and sciences, apply for an inter-faculty transfer to Architecture. The total length of the program is the same in both instances.

Management: Three Advanced Level examinations with an average grade of "C" or better with not more than one paper having a grade of "D"; applicants must normally have Advanced Level results in mathematics with a grade of "C" or better.

Music: Three Advanced Level examinations. Applicants must have keyboard skills sufficient to use the piano as a tool in their studies; admissibility to any program is determined by audition.

Science and Concurrent B.Sc./B.Ed.: Three Advanced Level examinations with an average grade of "C" or better. Applicants are expected to have completed mathematics and two subjects from biology, chemistry or physics at Advanced or G.C.S.E. level. Ten credits may be granted for each Advanced Level with a maximum of 10 credits for mathematics. Six credits may be granted for papers in non-science subjects. No credit is given for a grade of "D".

Social Work, and Theology (Faculty of Religious Studies): No entry directly from high school.

2.7 International Applicants – General

International applicants are considered for admission to either three or four-year programs in most faculties, depending on their background and qualifications. The normal basis for review of a file is completion of the credentials which lead to university admission in the applicant’s country of study.

It is advisable to write College Entrance Examination Board SAT I and SAT II tests to support the application. Entry to Social Work or Theology (Faculty of Religious Studies) is not possible directly from high school.

2.8 Applicants with Advanced Level Examinations

Applicants are expected to have completed (or be in the process of completing) three Advanced Level papers. They will be considered for admission to a program requiring the completion of a minimum of 120 credits; some programs are longer.

Advanced Level examination results which are appropriate to the intended program of studies will then be assessed for advanced standing and credit when the results are received directly from the appropriate Examination Board. A maximum of 30 credits is granted for Advanced Level papers and a maximum of 10 credits for papers in Mathematics. Credit is normally granted only for grades of "C" or better. It is expected that applicants will have completed five appropriate G.C.S.E. subjects at the Ordinary Level, including English language.

Students who have a very good academic record in Lower Form VI and excellent results in at least five G.C.S.E. subjects at the Ordinary Level may be considered for admission to a program requiring the completion of a minimum of 120 credits.

Agricultural and Environmental Sciences, Dietetics and Human Nutrition: Diploma in Series S.

Arts and Education: Diploma in Series L, ES, or S. Applicants to the Concurrent B.Sc./B.Ed. degree require Diploma in Series S; grades of "10" or better in mathematics, biological sciences, and physical sciences; applicants with a Diploma in Series L or ES may be considered on an individual basis. Applicants to the Concurrent programs, the B.Sc./B.Ed. and the B.Ed./B.Mus. must meet the requirements of both faculties. Concurrent B.Ed./B.Mus. applications must be submitted to the Faculty of Music Admissions Office.

Engineering and Architecture: Diploma in Series S with no courses failed; grades of "10" or better in mathematics and physical sciences are required for Engineering and "13" or better for Architecture. An 8½" x 11" bound portfolio is required of all applicants to Architecture.

Management: Diploma in Series ES or S; grades of "11" or better in mathematics.

Music: Diploma in Series L, ES, or S. Applicants must have keyboard skills sufficient to use the piano as a tool in their studies; admissibility to any program is determined by audition.

Science: Diploma in Series S; grades of "10" or better in mathematics, biological sciences, and physical sciences. Applicants with a Diploma in Series L or ES may be considered on an individual basis.

Social Work: Diploma in Series L, ES, or S. Preference is given to those who have had social work-related experience, paid or volunteer, and those who demonstrate personal suitability for the social work profession.

Theology (Faculty of Religious Studies): Direct entry is not normally possible.

2.9 Applicants with the French Baccalaureate

Students must obtain the Diploma in the "Premier groupe". The normal minimum requirement is "Mention assez bien". For some programs, students with "Mention passable" may be considered. Applicants are normally accepted to a minimum 90 credit program; some programs are longer.

Agricultural and Environmental Sciences, Dietetics and Human Nutrition: Diploma in Series S.

Arts and Education: Diploma in Series L, ES, or S. Applicants to the Concurrent B.Sc./B.Ed. degree require Diploma in Series S; grades of "10" or better in mathematics, biological sciences, and physical sciences; applicants with a Diploma in Series L or ES may be considered on an individual basis. Applicants to the Concurrent programs, the B.Sc./B.Ed. and the B.Ed./B.Mus. must meet the requirements of both faculties. Concurrent B.Ed./B.Mus. applications must be submitted to the Faculty of Music Admissions Office.

Engineering and Architecture: Diploma in Series S with no courses failed; grades of "10" or better in mathematics and physical sciences are required for Engineering and "13" or better for Architecture. An 8½" x 11" bound portfolio is required of all applicants to Architecture.

Management: Diploma in Series ES or S; grades of "11" or better in mathematics.

Music: Diploma in Series L, ES, or S. Applicants must have keyboard skills sufficient to use the piano as a tool in their studies; admissibility to any program is determined by audition.

Science: Diploma in Series S; grades of "10" or better in mathematics, biological sciences, and physical sciences. Applicants with a Diploma in Series L or ES may be considered on an individual basis.

Social Work: Diploma in Series L, ES, or S. Preference is given to those who have had social work-related experience, paid or volunteer, and those who demonstrate personal suitability for the social work profession.

Theology (Faculty of Religious Studies): Direct entry is not normally possible.

2.10 Applicants with the International Baccalaureate

Applicants who have completed the International Baccalaureate Diploma or individual Certificates will be considered for admission to a program requiring the completion of a minimum of 120 credits.
Agricultural and Environmental Science, Dietetics and Human Nutrition, Science, and Concurrent B.Sc./B.Ed.: Higher or Standard Level mathematics and normally two of biology, chemistry, or physics. Ten advanced standing credits may be granted for mathematics and science Higher Level subjects completed within the IB Diploma, up to the maximum of 30 credits, while six credits will be given for non-science Higher Level examinations taken as part of the Diploma or for Higher Level Certificate subjects.

Arts and Education: No specific prerequisites. Applications to the Concurrent B.Ed./B.Mus. must meet the requirements of both faculties and be submitted to the Faculty of Music Admissions Office.

Engineering and Architecture: Higher or Standard Level mathematics, chemistry, and physics. Admission to Pre-Architecture, Architecture, Computer Engineering, and Electrical Engineering is highly competitive; and applicants must have a very strong academic record. Applicants who have completed Higher Level mathematics and chemistry and physics will be considered for admission to Architecture. Applicants will be considered for admission to Pre-Architecture if any one of the mathematics, chemistry or physics is completed at the Standard Level rather than at the Higher Level. A bound 8½” x 11” portfolio is required of applicants to both Architecture and Pre-Architecture.

Management: Higher Level mathematics is expected; candidates with Mathematical Methods may be considered on an individual basis.

Music: No specific prerequisites. Applicants must have keyboard skills sufficient to use the piano as a tool in their studies; admission to any program is determined by audition.

Social Work: No specific prerequisites. Preference is given to those who have had social work-related experience, paid or volunteer, and those who demonstrate personal suitability for the social work profession.

Theology (Faculty of Religious Studies): Direct entry is not normally possible.

2.11 Applicants Transferring from other Universities or Colleges

McGill University welcomes applications from well-qualified students in other institutions who wish to transfer into a McGill undergraduate program.

Transfer students are considered on the basis of both their pre-university and university studies and are expected to have been eligible on the basis of both. Normally applicants must have completed, or be in the process of completing, a full year of university studies in order to apply under the transfer policy. They must have a well above average academic record. Credit will be granted for work completed in university courses appropriate to the McGill program which they wish to enter, but admittance and the transfer credit evaluation can only be determined after the formal application and all necessary supporting documents have been received. In order to qualify for a McGill degree, a minimum of 60 credits taken over at least four semesters must be completed at McGill.

Students who have completed college studies outside Quebec will be considered on an individual basis. Studies in certain types of institutions do not constitute a basis for admission.

Agricultural and Environmental Science, Dietetics and Human Nutrition, Science, and Concurrent B.Sc./B.Ed.: Basic science requirements are: one semester of biology; two semesters of general chemistry, with labs; two semesters of physics (including mechanics, electricity and magnetism, and waves and optics), with labs, and one semester in each of differential and integral calculus. A minimum of two semesters of calculus plus two semesters of biology, chemistry or physics (four courses in all) are normally required for admission.

Arts, Education, Social Work: no specific prerequisites. Applications to the Concurrent B.Ed./B.Mus. must meet the requirements of both faculties and be submitted to the Faculty of Music Admissions Office.

Engineering, Architecture: Basic science requirements are: one semester in each of differential and integral calculus; one semester of linear algebra; two semesters of physics, with labs, (including mechanics, electricity and magnetism, waves and optics); and two semesters of general chemistry, with labs. A minimum of two semesters of calculus plus two semesters of chemistry or physics are normally required for admission to Engineering.

Since admission to Architecture, Computer Engineering, and Electrical Engineering is highly competitive, applicants must normally have completed all of the required university level courses listed above.

A bound 8½” x 11” portfolio is required of applicants to Architecture. It is recommended that all transfer applicants submit a copy of their curriculum vitae with their application. Applicants who have previously studied in an architecture program must also arrange for a reference letter to be sent by the head of their program, and if accepted, they will be considered for advanced standing by the School of Architecture.

Management: Prerequisites for this program are one semester each of differential and integral calculus; applicants transferring from a Quebec university must also have one semester of linear algebra.

Music: No specific prerequisites. Applicants must have keyboard skills sufficient to use the piano as a tool in their studies; admission to any program is determined by audition.

Theology (Faculty of Religious Studies): Contact the Faculty for information.

2.12 Application to programs requiring prior completion of a Bachelor’s Degree

"An undergraduate degree" is defined as being either a three-year degree following a CEGEP Diploma (or equivalent advanced standing) or a four-year degree following high school.

Diploma in Environment: A degree with a minimum CGPA of 2.7. Registration may be in Arts or in Science.

Meteorology Diploma: Candidates with suitable standing in mathematics, engineering, physics or other appropriate disciplines may apply to this program.

Music - Artist Diploma: A Bachelor of Music degree in Performance, the Licentiate in Music of the McGill Faculty of Music, or the equivalent. Admissibility is determined by audition.

Social Work - Special B.S.W.: The 48-credit Special B.S.W. program is open to applicants who hold a Bachelor’s degree, as specified, with a high B average and have had paid and/or volunteer work experience in the field.

2.13 Holders of a First Degree seeking a second Bachelor’s Degree

Students who already have a bachelor’s degree and wish to obtain a second bachelor’s degree in Agricultural and Environmental Sciences, Arts, Engineering, Management, and Science will, if admitted, be required to complete a minimum of 60 credits, plus completion of any prerequisite courses not previously completed.

Education: Applicants who will have completed a bachelor’s degree by August 1 of the entering year will be admitted with some credit evaluated.
advanced standing depending on their educational background and the B.Ed. degree requirements.

Theology (Faculty of Religious Studies): Applications are accepted from candidates with a minimum CGPA of 2.7 whether or not the degree contains courses in religion or theology. Such candidates may apply for admission to the joint B.Th./M.Div. program.

2.14 Mature Student Admission

Canadian citizens and Permanent Residents who lack the academic background normally required for admission may apply for entrance as Mature students if:

- they have reached the required age, 23 years unless otherwise specified, by September 1 (for admission to the fall semester) or January 1 (for admission to the winter semester);
- they do not have college or university level studies, completed within the five year period prior to the application, which would constitute a basis for admission. (Applicants who have completed college or university studies but have achieved results that are not competitive must complete more advanced studies with a high level of achievement at another college or university before reapplying);
- they have completed a minimum number of appropriate courses, as specified below, within the three-year period prior to the time of application. (Applicants who have completed 24 or more credits at the university level will be assessed as transfer students and must meet the transfer student requirements.)

Individuals interested in being considered for entrance under this policy should contact the appropriate Admissions Office for further information. Entry to some programs is highly competitive.

Agricultural and Environmental Sciences, Dietetics and Human Nutrition, and Science: Applicants must have completed a minimum of a pre-calculus course in functions and at least two of biology, chemistry, or physics, at the college or university level, each with a grade of 75% or better.

Architecture: Applicants must have completed CEGEP Chemistry 202-101, 202-201, Mathematics 201-103, 201-203, 201-105; Physics 203-101, 203-201, 203-301; or the university equivalents. A bound 8½” x 11” portfolio demonstrating creative ability is required.

Arts: Applicants must have completed a minimum of two appropriate courses at the college or university level, each with a grade of B or better.

Education: Applicants must have completed a minimum of two appropriate courses, one in English (not E.S.L.) and one within the proposed teaching area, at the college or university level, each with a grade of B or better. Applicants to the Concurrent programs, the B.Sc./B.Ed. and the B.Ed./B.Mus. must meet the requirements of both faculties. Concurrent B.Ed./B.Mus. applications must be submitted to the Faculty of Music Admissions Office.

Management: Applicants who have completed a qualifying program of study at the McGill Centre for Continuing Education will be considered. The Admissions, Recruitment and Registrar's Office should be consulted for further information.

Music: Applicants who are 21 years of age or older, and who are able to demonstrate exceptional talent in their discipline will be considered.

Social Work: Applicants must have completed minimum of a two appropriate courses at the college or university level, each with a grade of B or better, and have had significant paid or volunteer community work experience in related fields.

Theology (Faculty of Religious Studies): Applicants who are 27 years of age or older will be considered. If accepted, such students are enrolled in a qualifying year before being considered for the 90-credit B.Th. program.

2.15 Special Students

A Special Student takes regular credit courses but is not working towards a degree. Special student status normally requires a student to have an approved plan of study and to hold an undergraduate degree with an appropriate background. Registration is permitted for one year only, after which time the student must apply for admission to a regular program.

Applications for September received before July 1 are given priority. Applications received after that date will be considered on a discretionary basis, subject to availability of places in the program and submission of official supporting documents. Applications for January must be received by November 1.

Architecture: Candidates referred by l'Ordre des Architectes du Québec (OAQ) are considered on an individual basis.

Engineering: Candidates referred by l'Ordre des Ingénieurs du Québec (OIQ) are considered on an individual basis.
Music: Applicants are required to have the necessary music prerequisites for the courses concerned. Registration is subject to the availability of space in the course(s). Special Students are not entitled to lessons in an instrument or in voice.

2.16 Visiting Students
Students who are interested in taking courses at McGill for credit towards their program at another university may apply to be Visiting Students. This status may be granted for a maximum of one year. Students should ascertain that their courses are acceptable for transfer to their home university. The application deadline is July 1 for September admission and November 1 for January admission. Additional information may be obtained from the Admissions, Recruitment, and Registrar's Office, or the appropriate Faculty Admissions Office.

2.17 Exchange Students
Students registered in universities which have official exchange agreements with McGill University or which are members of GOTSEP (Group of Ten Student Exchange Program) may apply as Exchange Students. In addition, McGill, together with other Quebec universities, participates in a number of exchange programs through CREPUQ (la Conférence des recteurs et principaux des universités du Québec). Exchange students are selected and officially nominated by their home universities.

Applicants are considered on an individual basis; the minimum entrance requirement is generally a B average. Where appropriate, grades obtained in courses relevant to the proposed studies will be considered in addition to the overall average. Exchange students may register in most lecture/seminar courses for which they qualify, but registration for laboratory or project courses is not normally possible. Entrance into courses which have a limited enrolment, or where permission of the instructor is required, is not guaranteed. Successful completion of courses does not guarantee entrance into a regular degree program. Although the home university application deadlines vary, documents must be submitted to McGill by May 1 (Music applicants refer to section 1.1 "Application Deadlines" on page 10) for admission in the following fall (September) or winter (January) semester. The application fee is waived for Exchange students.

2.18 Readmission
Students wishing to return after an absence of a portion of an academic year or more must make application in writing to the Associate Dean of the appropriate faculty (not to the Admissions, Recruitment, and Registrar's Office) to be readmitted, stating the reasons for their absence from the University and giving a summary of their activities during that period. Such applications must be submitted before August 15 for readmission in September and December 1 for readmission in January. Students who withdrew because of illness should provide some indication that they are ready to resume studies. Students should also note time limits for the completion of degrees.

2.19 Inter-Faculty Transfer
McGill students who wish to transfer from one faculty to another within McGill should proceed as follows:

Architecture: Students must apply to the School of Architecture, Macdonald Harrington Building. The deadline for applications is May 1 for the fall term. (There is no admission to the first year of the B.Sc. (Arch.) program for the winter term.)

Agricultural and Environmental Science, Dietetics and Human Nutrition: Information and inter-faculty transfer forms are available at the Student Affairs Office. The deadline for applications is June 1 for the fall term and November 1 for the winter term.

Arts and Science: Information and inter-faculty transfer forms are available at the Student Affairs Office. The deadline for applications is June 1 for the fall term. (There are no winter term transfers into Arts and Science.)

Education: Applications should be made to the Office of the Associate Dean (Student Affairs), Faculty of Education. Deadlines for such applications are June 1 for the fall term and November 1 for the winter term. (Not all programs accept winter term transfers.)

Engineering (except Architecture): Students must apply to the Faculty Student Adviser, Student Affairs Office, Faculty of Engineering, Room 378, Macdonald Engineering Building. Deadlines for applications are June 1 for the fall term and November 1 for the winter term. (There is no admission to the first year of the Electrical/Computer Engineering program for the winter term.)

Management: Students must apply in writing to the Manager, Undergraduate Affairs and Advising, Faculty of Management. The deadline for applications is June 1 for the fall term. (There is no admission to Management for the winter term.)

Music: Students must complete an Inter-Faculty Transfer form as well as appropriate Music forms and submit them to the Music Admissions Office prior to March 1 for the fall term and prior to November 1 for the winter term.

3 General Information for Students

3.1 MARS, SATURN, InfoMcGill, DAS
MARS is McGill's Automated Registration System. Students register and make course changes by using a touch-tone telephone and calling (514) 398-MARS [398-6277]. MARS offers service in both English and French. (Music practical lesson students are the only exception.)

SATURN gives Student Access to University Records on the Net. Students can view their marks and fee information by accessing SATURN (http://www.is.mcgill.ca/students). They can also update their own personal information such as home address, mailing address and telephone number.

InfoMcGill is McGill's campus-wide information system which is available 24 hours a day through Internet, on personal computers and workstations that have communications capability and via most communications software. Many topics of relevance to students such as Timetable and Examinations information can be accessed via InfoMcGill.

InfoMcGill workstations which are accessible to all students are located in the Admissions, Recruitment, and Registrar's Office; the Bookstore, Bronfman Building, Burnside Hall, Centre for Continuing Education, Dawson Hall, Education Building, Leacock Building (Arts Computer Lab), Macdonald Engineering Building, McLenann Library, Redpath Library, Strathcona Music Building, and on Macdonald Campus in MS2-026/027/028. InfoMcGill may also be accessed from the departmental and faculty computer labs.

DAS (McGill's Dial-up Access Services). All new McGill students have a DAS username assigned to them when they are accepted. This allows access via modem to many of the University's computer systems, including McGill's web pages, infoMcGill, email and Internet access. DAS is administered by the Computing Centre, see Section 14.2 "Computing Facilities" on page 36. (Note: charges for DAS usage do not apply when accessing McGill's systems and email from campus.)

3.2 ID Cards
Students registered at McGill are required to present an ID card when using the Libraries, Student Services, and writing examinations, etc.

Registered students on the Downtown Campus may obtain an ID card between 09:00 and 17:00, Monday to Friday: from Monday, August 23 to Friday, September 3 in Leacock Building, Room 232,
Students pursuing their studies on the Macdonald Campus should go to the Student Affairs Office, Room LH 106, Laird Hall, Monday, September 13 to Friday, September 17, between 09:15 and 11:30.

Students who do not register for consecutive terms should retain their ID card to avoid having to replace it when they reregister. The Student Identification Card is, however, the property of the University and students withdrawing from all of their courses must attach the Card to the withdrawal form.

Further information may be obtained from the Admissions, Recruitment and Registrar’s Office, (514) 398-7248.

### 3.3 Language Policy

The language of instruction at McGill is English. Some courses are offered in French. Every student has a right to write term papers, examinations and theses in English or in French except in courses where knowledge of a language is one of the objectives of the course.

It is recommended that students who lack proficiency in English avail themselves of the opportunity to take an intensive English as a Second Language course prior to, or early in, their program of studies. Information concerning second language course offerings can be found in the Faculty of Arts section of this Calendar and in the Summer Studies and Continuing Education Calendars.

### 3.4 Plagiarism and Cheating

In submitting work in their courses, students should remember that plagiarism and cheating are considered to be extremely serious offenses. Students who have any doubt as to what might be considered "plagiarism" in preparing an essay or term paper should consult the instructor of the course to obtain appropriate guidelines. The possession or use of unauthorized materials in any test or examination constitutes cheating.

The Code of Student Conduct and Disciplinary Procedures includes sections on plagiarism and cheating. The Code is included in the "Student Rights and Responsibilities Handbook" which is distributed to new students at the Dean of Students’ Orientation Session. The Code may also be obtained from the Dean of Students’ Office and is posted on infoMcGill.

### 3.5 Proper Use of Computing Facilities

Students are required to comply with the Code of Conduct for Users of McGill Computing Facilities as approved by the University Senate. The Code is published as a part of the "Student Rights and Responsibilities Handbook" distributed by the Dean of Students and is available on the Web at [http://www.mcgill.ca/das under New User](http://www.mcgill.ca/das under New User), and on infoMcGill.

### 3.6 Bookstore

The McGill University Bookstore, at 3420 McTavish, stocks new and used textbooks, a full range of books for the academic and professional community, supplies, and McGill insignia items. Gift certificates are available. Visa, Mastercard, American Express and Interac are accepted. The store is open Monday through Saturday. Telephone (514) 398-7444. Website: [http://www.mcgill.ca/bookstore](http://www.mcgill.ca/bookstore)

### 3.7 Day Care

The McGill Community Family Day Care Centres are independent-run centres which can accommodate approximately 100 children, ranging in age from 4 months to 5 years. As placements are limited, especially for certain age groups, early application is suggested. The Centres are located at 3491 Peel Street, Montreal, H3A 1W7, telephone (514) 398-6943.

### 3.8 Non-smoking Policy

According to Provincial legislation, "An Act Respecting the Protection of Non-Smokers in Certain Public Places" (Bill 84), smoking is prohibited in all classrooms, libraries, conference rooms, seminar rooms, elevators, laboratories, day-care centres, chapels, enclosed sports facilities, and rooms or at counters where services are provided.

### 3.9 Special Medical Needs

Students who have particular medical needs are requested to have their physician submit appropriate information on a confidential basis to the Student Health Service, see Section 11.2.8 on page 30.

Immunization is compulsory for students registered in health care programs, including Dietetics, and should be completed by new students in those programs well before classes begin. Further information is available from the Student Health Service.

### 3.10 Health Insurance – Canadian Residents

Canadian students from provinces other than Quebec are advised to consult with the medicare and hospital insurance offices of their own province before coming to McGill. This is particularly important since residents of other provinces are not covered by Quebec Medicare and Hospitalization while studying at McGill.

### 3.11 Health Insurance – International Students

By Senate regulation, all students, as well as their accompanying dependents, who do not have Canadian citizenship or Permanent Resident status must participate in a compulsory health insurance plan administered by the University. When registering by MARS, students will be advised of the schedule for enrolment in the plan.

Full details will be given at that time. Please refer to the Fees Section for information concerning rates.

Students registering for the first time in September (January) should note that Maternity Benefits for pregnancies which commenced prior to July 15th (November 15th) are not covered.

All inquiries related to this University policy must be directed to the Office of the Dean of Students, Powell Student Services Building, 3637 Peel Street, Room 211, Montreal, Quebec, H3A 1X1. Email: intlhealth@stuserv.lan.mcgill.ca

### 3.12 Immigration Information

Students other than Canadian citizens and Permanent Residents of Canada must obtain proper authorization from both Quebec and Canadian Immigration officials prior to proceeding to Canada and/or commencing studies. The process begins with a Letter of Acceptance from McGill University.

A pamphlet which describes Canadian immigration regulations in detail, and which contains notes and guidance for students from other countries, is available from all Canadian embassies, consular offices and immigration offices.

In addition, the International Student Adviser prepares a detailed handbook for international students which is sent to all accepted applicants. For further information, please contact the International Student Adviser, Powell Student Services Building, 3637 Peel Street, Montreal, Quebec, H3A 1X1.

### 3.13 Sponsorship of Non-Resident Minors

Students other than Canadian citizens and Permanent Residents who have not yet reached the age of eighteen (18) years who wish to study in Canada must show proof that there is a legal sponsor in Canada to act as guardian until the date of the student’s 18th birthday. Two documents are needed to complete this process.

The first is a notarized letter from the student’s parents authorizing a specific individual in Canada to act as the official sponsor until the specified date of the 18th birthday. The second document is the certified letter from the Canadian sponsor acknowledging and...
accepting the conditions of sponsorship. These documents must be submitted with the application to both Quebec and Canada Immigration.

For students without family or friends in Montreal who can provide sponsorship, the notarized letter of authorization can be made out to the Dean of Students, McGill University, 3637 Peel Street, Room 211, Montreal, Quebec, H3A 1X1. Further clarification of any of the regulations governing student status in Quebec can be provided by the nearest Canadian Embassy or Consulate.

4 Fees

The University reserves the right to make changes without notice in the published scale of fees.

4.1 Tuition Fees

The University will charge the following tuition fees in 1999-2000, these vary according to the residence and citizenship status of the student.

Students in need of financial support can consult “Scholarships and Financial Aid” on page 31. Further information can be obtained from the Student Aid Office.

Quebec Students

The 1999-2000 tuition fees for Quebec students who are Canadian citizens or Permanent Residents are $55.61 per credit or $1,668.30 for 30 credits.

In accordance with provincial government requirements, students must provide proof that they qualify for assessment of fees at the Quebec rate. A list of the categories of Quebec residents who qualify for the Quebec rate, as well as the required application form is available through the Admissions, Recruitment and Registrar’s Office. (The student must first be a Canadian citizen or Permanent Resident to qualify under any category of Quebec resident.)

New students will automatically be sent this information and the application form. Students who do not submit appropriate documentation during the semester will be billed at the non-Quebec Canadian or the international rate, depending on the documentation submitted.

Non-Quebec Students (Canadian or Permanent Resident)

The 1999-2000 tuition fees for non-Quebec students who are Canadian citizens or Permanent Residents are $105.61 per credit or $3,168.30 for 30 credits. In accordance with provincial government requirements, students must provide proof that they qualify for assessment of fees at the non-Quebec Canadian rate. Proof may be in the form of a certified copy of a Canadian birth certificate, a Canadian citizenship card or certificate, a valid Canadian passport, or a Record of Landing (Immigration Form IM1000).

Students who do not submit appropriate documentation during the semester will be billed at the international rate.

International Students

The 1999-2000 tuition fees for international students can range from $275.61 to $450 per credit ($8,268.30 - $13,500).

The international fees which are listed below are representative of fees that students could expect to be charged in each degree. Tuition fees may vary depending on the nature of the course taken. Exemption from International Tuition Fees may be claimed by students in certain categories. A list of these categories and required application forms are available at the Admissions, Recruitment and Registrar’s Office. Such students are then assessed at the Quebec student rate.

Fee Information Booklet

The "Fee Information" booklet, published in June of each year by the Student Accounts Office, contains additional information as well as any fee adjustments which may have been made after the publication of this Calendar. Students are bound by the policies and procedures contained therein. In the event of any discrepancy, the “Fee Information” booklet supersedes the Calendar.

A copy of the booklet is sent to all newly admitted students. Returning students who require a copy should contact the Student Accounts Office, Room 301, James Administration Building. The text of the booklet is also available on the Student Accounts website (http://www.finance.mcgill.ca).

Yearly Fees and Charges by Faculty

Tuition fees at the undergraduate level are based on the number of credits taken. The following tables reflect a normal full-time course load of 30 credits per year.

Part-time students will be charged tuition fees at the per credit rate and will be subject to student society fees, student services fees, registration and transcripts charges, and information technology charges.

Student Society Fees
Student Society fees are compulsory fees collected on behalf of student organizations. Fees must be approved by the student body through fee referenda according to the constitutional rules of the association or society.

Note that for International students, the student society fee includes the SSMU Dental Insurance plan of $76.91. International students will be obliged to participate in the University’s compulsory International Health Insurance Plan, which at the 1998-99 rate, cost $588 for single coverage. For more information, please contact the Office of the Dean of Students, (514) 398-6012.

Student Society fees are subject to change as they do not reflect any fees voted upon by the students during the Spring referendum period.

Student Services
Student Services fees are governed by the Senate Committee on the Coordination of Student Services, a parity committee composed equally of students and university staff. Through the Dean of Students’ Office, these services are available on campus to help students achieve greater academic, physical and social well-being. They include athletics facilities, student health and mental health, financial aid, counselling, tutorial service, off-campus housing, services for students with disabilities, chaplaincy, the Career and Placement Service, the International Student Adviser, and the administration of the McGill "Student Rights and Responsibilities Handbook".

Registration Charge
The University will charge a per term registration charge to all students in courses and programs. This will be assessed as follows:

- Undergraduate Students and part-time Graduate Students:
  - 0 - 3 credits: $14.00
  - > 3 - 6 credits: $28.00
  - > 6 - 9 credits: $42.00
  - > 9 - 12 credits: $56.00
  - > 12 credits: $70.00

- Graduate Students:
  - Full-time: $70.00
  - Half-time/additional session: $35.00

Information Technology Charge
The purpose of the information technology charge is to enhance certain technology services provided to students as well as to provide training and support to students in the use of new technology.

The per term charge will be assessed as follows:

- Undergraduate Students and part-time Graduate Students:
  - 0 - 3 credits: $6.00
  - > 3 - 6 credits: $12.00
  - > 6 - 9 credits: $18.00
  - > 9 - 12 credits: $24.00
  - > 12 credits: $30.00

- Graduate Students:
  - Full-time: $30.00
  - Half-time/additional session: $15.00

Transcript Charge
The University will charge a per term transcript charge to all students. This will entitle students to order transcripts free of charge and will be assessed as follows:

- Full-time: $8.00
- Half-time/additional session: $4.00

4.2 Other Fees

International Student Health and Accident Plan (compulsory) (Based on 1998-99 rates)

- Single: $588.00
- Dependent (one student with one dependent): 1,223.00
- Family (one student with two or more dependents): 2,580.00

Application for Admission

- All faculties except M.B.A.: $600.00
- M.B.A.: $1,000.00

Admission appeals charge: $100.00

Audition Fee (Music): $35.00

Late Music Placement Examination Fee: $50.00

Late Registration

After regular registration deadline:

- All eligible returning students, except Special students and Graduate Faculty part-time and additional session students: $50.00
- Special students and Graduate Faculty part-time and additional session students: $20.00
- All students except Special students and Graduate Faculty part-time and additional session students: $100.00
- Special students and Graduate Faculty part-time and additional session students: $40.00

Late Payment

- (charged on balances >$50 as of the end of October (end of February for the Winter semester)

Interest on outstanding balances (rate determined in February, to be applicable on June 1st)

- Minimum Charge upon withdrawal: $100.00
- Re-reading Examination Paper (refundable if the letter grade is increased): $35.00
- Credit by Exam (Music): $25.00
- Supplemental Examinations, each written paper: $35.00
- Supplemental Practical Examination in Music; also applies to students not registered for practical instruction during the term in which they take a practical examination*: $35.00
- Late Course Change Fee: $25.00
- Late application fee for Music Performance examination (requires permission from Chair, Performance Dept.): $25.00
- Music Summer Practice Fee
  - for June, July and August: $150.00
  - or per month: $60.00
- Returned cheque: $20.00
- Graduation Fee (charged at the end of the first term of the student’s U3 year): $50.00
- Duplicate ID Card: $20.00
- Duplicate Income Tax Receipt: $10.00

* in addition to regular Credit by Exam Fee ($25.00), plus other applicable charges.

Published by the Student Accounts Office.

4.3 Payment of Fees

New students are required to make a deposit on tuition shortly after receiving notice of their acceptance to the University. A fee statement indicating the required deposit amount will be mailed to all accepted students and payment will be due at the end of the month in which the statement is mailed.

All students will receive a fee statement once their registration has been confirmed, due at the end of the month in which the statement is mailed. For most returning students this will take place in the month of August (December for the Winter term). For most new students this will take place in the month of September (January for the Winter term). Students must ensure that their mailing address is up-to-date. Interest will not be cancelled due to non-receipt of fee statements.
Late Payment Fees
Students who still have an outstanding balance greater than $50 on their account as of October 31st (February 28th for the winter term) will be charged a late payment fee of $25 over and above interest.

Acceptance of fees by the University in no way guarantees that students will receive academic permission to pursue their studies. If it is subsequently determined that the academic standing does not permit the student to continue, all fees paid in advance will be refunded on application to the Student Accounts Office.

All students who have accessed MARS to register must officially withdraw in writing from the University if they decide not to attend the session(s) for which they have registered. Otherwise they will be liable for all resulting tuition and other fees.

The University shall have no obligation to issue any transcript of record, award any diploma or re-register a student in case of non-payment of tuition fees, library fees, residence fees or loans on their due date.

Access to MARS for the Registration functions will be denied until these debts are paid in full.

4.4 Access to Fee Information
Students may view their latest fee information, including a detailed breakdown of the fees they are being charged, by accessing MARS (514) 398-6277.

An updated fee account balance may be obtained by calling MARS (514) 398-6277.

4.5 Deferred Fee Payment
Students with Sponsors
Students whose fees will be paid by an outside agency such as the Department of Veterans Affairs, CIDA, a foreign government; or their University department (i.e. teaching assistants or demonstrators), must have written evidence to that effect. Students in any of the above categories should go to the Student Accounts Office with the appropriate documentation, where a “Tuition Payment Deferral” may be issued (if applicable). The University reserves the right to insist upon payment. If the outside party does not pay the fees within 90 days of invoicing, the student is ultimately responsible for paying the fees plus the late payment fee and accrued interest.

Students with Loans, Bursaries, Scholarships
McGill scholarships or awards are normally credited to the recipient’s fee account by August 16 (January 4 for the winter term). The fee balance may be verified on MARS or SATURN.

Interest and late payment charges resulting from late tuition payments for students awaiting government funding will be cancelled upon receipt of such assistance by the Student Aid Office, 3637 Peel Street, Room 200. Telephone: (514) 398-6013 or 398-6014.

Students are reminded that tuition and residence fees have first call upon financial aid received from any source.

5 Registration, Courses and Grading
Refer also to Registration information in each Faculty section.

All students who have accessed MARS to register must officially withdraw in writing from the University if they decide not to attend the session(s) for which they have registered. Otherwise they will be liable for all resulting tuition and other fees. As stated in the Fees section, students who have outstanding fees or fines due the University will not be permitted to register. Access to MARS for the Registration function will be denied until these debts are paid in full.

5.1 Registration
Registration for newly admitted and returning students is by MARS (514) 398-6277. The system is accessible only by touchtone telephone.

Returning Students:
Returning students register by MARS between Tuesday, March 16 and Wednesday, July 21. Some faculties and departments set their own schedules for advising and registration within these dates. Further information is distributed from the Faculty Student Affairs Offices.

Successful completion of registration is contingent upon acceptable academic standing in the previous session and payment of any previous outstanding fees and fines.

New Students:
Newly admitted students entering in September register by MARS between Wednesday, August 4 and Wednesday, September 1. Some faculties and departments require that students be advised before registration and set specific dates for advising and registration within these dates. Registration for newly admitted students entering in January is held between Friday, December 3 and Tuesday, January 4.

Please refer to the faculty sections of this Calendar as well as to the “Welcome” book sent with the acceptance package.

5.1.1 LATE REGISTRATION
Students who fail to register during the normal registration period may do so within the period designated by the University for late registration. They will be assessed a late registration fee as listed below:

Returning Students:
May register late by MARS from Thursday, August 4 until and including Wednesday, September 1 with the payment of a late registration fee of $50 ($20 for Special Students)

New and Returning Students:
May register late by MARS from Thursday, September 2 until Tuesday, September 14 with the payment of a late registration fee of $100 ($40 for Special Students)

SPECIAL LATE REGISTRATION:
Students whose records are not available through MARS during the late registration period, usually due to late admission, may receive special permission to register in person. This information is included with their letter of acceptance.

5.2 Course Load
The normal course load in most undergraduate faculties is 15 credits per term. For students in the Faculty of Engineering and the Faculty of Music, however, the normal course load is 15 to 18 credits per term.

Students in satisfactory standing may take up to 17 credits per term (18, in Music and Engineering).

Students in Arts, Education, Management, Religious Studies, or Science whose GPA is above 3.0 may take 18 credits per term.
Students in probationary standing take a maximum of 12 credits per term, with the following exceptions:

- Arts and Science: up to 14 credits, with special approval of the Associate Dean.
- Engineering: 13 credits, including repeated courses.
- Music: 15 credits.
- Management: 12 credits maximum of new material.

In some cases they may add a repeated course in which a grade of D or F was obtained.

Students who carry fewer than 12 credits per term are considered to be part-time in that term.

5.3 First-Year Seminars

First-Year Seminars (FYS) are limited-enrolment credit courses offered by the Faculty of Arts and Science to students in their first year of undergraduate study at McGill. Students in any faculty can enrol in an FYS, subject to the conditions and/or restrictions of the program in which they are registered.

FYS classes are limited to a maximum of 25 students and are designed to provide closer interaction with the professor and better working relations with peers than are available in large introductory courses. The seminars endeavour to teach the latest scholarly developments and expose participants to advanced research methods. Registration is on a first-come, first-served basis through MARS. Students may take only one FYS. For a listing of First-Year Seminars, see Faculty of Arts section 4.2.1 and Faculty of Science section 4.2.1.

5.4 Summer Session / Summer Studies

The Summer Session at McGill covers the months of May to August. During that period a wide array of credit courses from the McGill degree programs are offered. Most are month-long courses with lectures every day. These courses are usually accepted for transfer credit by other universities. For more details, please consult the Summer Studies Calendar or website (http://www.mcgill.ca/Summer) or the Summer Studies Office at (514) 398-5212.

Students taking Summer Studies courses to complete their graduation requirements will receive their degrees at the Fall Convocation (normally held in November).

Students may enrol in no more than 12 credits (Education students, 15 credits; Music students, 18 credits) during the summer, at McGill or at other universities, except by special permission of their Associate Dean.

Students registering under the Quebec Inter-University Transfer (IUT) Agreement are limited to 6 credits.

5.5 Timetable

Course timetable information is accessible via McGill's electronic timetable which can be accessed on the World Wide Web at http://www.mcgill.ca (click on infoMcGill) or, on campus, by direct access to infoMcGill. For information on where to find infoMcGill stations on campus, see Section 3.1 on page 16.

Timetable information for the up-coming fall and winter sessions is available starting in early March. This information is subject to change and is updated every work day evening. Course locations are added to the electronic timetable in early June for the fall term, and in early November for the winter term. It is the responsibility of all students to consult the electronic timetable at the time of registration and again before courses begin, to ensure that timetable changes have not resulted in conflicts in their schedule.

When viewing the electronic timetable, the remarks column should be consulted to determine whether the course has special registration instructions, etc. Students are reminded to obtain appropriate permission (e.g. passwords) for all courses for which it is required.

5.6 Course Nomenclature

Required Course: Courses absolutely required in a program. All students in that program must take this (these) course(s) unless they are granted exemption(s).

Cours obigatoire: Cours forçièrement obligatoire dans un programme. Tous les étudiants inscrits à ce programme doivent suivre ce (ou ces) cours, à moins de bénéficier d'exemptions.

Complementary Course: Courses selected from a restricted list, a particular subject area, or a discipline. In some programs, students must include a number of these in order to meet program requirements.

Cours complémentaire: Cours sélectionnés à partir d'une liste limitée, ou de la liste des cours offerts dans une matière particulière ou dans une discipline. Dans certains programmes, les étudiants doivent inclure un certain nombre de ces cours afin de satisfaire aux exigences du programme.

Elective course: courses chosen freely (sometimes with advice and approval of the departmental adviser).

Cours au choix: Cours librement choisis (parfois sur le conseil et avec l'approbation d'un conseiller du département).

Prerequisite: Course A is prerequisite to course B if a satisfactory pass in course A is required for admission to course B.

Corequisite: Course A is corequisite to course B if course A must be taken concurrently with (or may have been taken prior to) course B.

5.7 Course Numbering System

Courses are given a seven-place designation. The first three form the numerical code which specifies the department; the next three form the course number proper, with the first of these indicating the level of the course; the final letter indicates the term or terms during which the course is offered as follows:

- A – fall term
- B – winter term
- D – fall and winter term
- E – winter term and summer session
- G – summer session and fall term
- N – winter term and fall term
- H – fall term, winter term and summer session
- J – winter term, summer session and fall term
- K – summer session, fall term and winter term
- C – summer session courses starting in May
- L – summer session courses starting in June
- T – summer session courses starting in July or August
- V – winter term and summer session (Continuing Education)
- W – summer session and fall term (Continuing Education)
- X – fall term (Continuing Education)
- Y – winter term (Continuing Education)
- Z – fall and winter terms (Continuing Education)

To illustrate: 107-200A designates Philosophy (107) course 200 given in the fall term; 301-202B designates Architecture (301) course 202 given in the winter term; 154-230D designates Economics (154) course 230 which begins in the fall term and ends in the winter term.

A bullet beside the course number indicates that the course will not be offered in 1999-2000. A star ★ indicates a course which is taught only in alternate years. Additional symbols are defined in the sections where they are used.

5.8 Departmental Codes

For ease of reference, in the following lists the department code (the first three digits of the course number, also referred to as the teaching unit code) is linked with the name of the department, interdisciplinary unit, or faculty as they are designated in this Calendar. Students should note that in some instances that may differ slightly from what is given in the University Timetable and on MARS.

McGill University, Undergraduate Programs 1999-2000
5.9 Change of Course (Drop/Add)

Students who wish to add or drop a course for which they are registered must obtain change of course information from the Student Affairs Office of their respective faculty before making any changes on MARS. These instructions will provide important information such as the following:

- which courses in each faculty are limited by enrollment or program; this information is also available in the timetable;
- which courses require the approval of the adviser, the professor, the Associate Dean, or staff in the Student Affairs Office;
- what the deadline dates are for course changes; this information may also be found in the Calendar of Dates.

Changes made during course change period must not introduce conflicts in the student’s timetable nor destroy the required sequence of courses.

5.10 Regulations Concerning Withdrawal

5.10.1 COURSE WITHDRAWAL

Students who wish to withdraw from certain courses after the course change period must consult their Student Affairs Office for information on procedures. Students who wish to withdraw from required or complementary courses should also secure permission from their adviser. The Student Affairs Office will supply the necessary form which must be completed and approved before the student requests the withdrawal on MARS. Please consult the withdrawal (W) deadline dates listed on page 6 in the Calendar of Dates. (Additional restrictions in Music courses are indicated in the Faculty of Music section.)

The responsibility for initiating withdrawal rests solely with the student. Neither notification of the course instructor nor discontinuance of class attendance will suffice. The date on which a student’s withdrawal is telephoned to MARS is the official date of withdrawal, even if the student stopped attending lectures earlier.

After the deadline the student may, under exceptional circumstances, be granted permission to withdraw from a course. (Permission will not be granted merely because a student is doing unsatisfactory work.) W or WF, as appropriate, will appear on the transcript but will not be calculated in the GPA.

Fees for the term in which the student withdraws are refundable according to the regulations listed below and apply both to individual courses as well as to complete withdrawal from the University.

5.10.2 UNIVERSITY WITHDRAWAL

Students who wish to withdraw from the University must consult their Student Affairs Office for information on procedures. The Student Affairs Office will supply the necessary form which must be completed and approved. As the Student ID card is the property of the University, students must submit their Student Identity Card to the Student Affairs Office along with the withdrawal form. Students considering withdrawal are strongly urged to consult with their adviser and their Student Affairs Office before making a final decision. Please consult the withdrawal (W) deadline dates listed in the Calendar of Dates in the front of this Calendar.

The responsibility for initiating withdrawal rests solely with the student. Neither notification of the course instructor nor discontinuance of class attendance will suffice. The date on which a student’s withdrawal form is submitted to the Student Affairs Office is considered the withdrawal date, even if the student stopped attending lectures earlier.

The deadline for withdrawal from the University for students in the Faculty of Arts or Science is the same deadline as for a course withdrawal, see “Withdrawal Deadlines – 1999-2000” on page 6. After the deadline, students may, under exceptional circumstances, be granted permission to withdraw from the University. Such students should contact the Student Affairs Office in Dawson Hall for further information.

Fees for the term in which the student withdraws are refundable according to the regulations listed below and apply both to individual courses as well as to complete withdrawal from the University:

5.10.3 WITHDRAWAL REFUNDS

</tbody>
</table>

* Including tuition fees, society and other fees, student services, registration and transcripts charges, and information technology charge.

These dates are independent of the deadline dates given for withdrawal from courses.

If students wish to discuss the refund policy applicable to a special case, they must contact the Admissions, Recruitment and Registrar’s Office.

Music students who, in special circumstances such as illness or injury, are given permission to withdraw from practical instruction after the end of the course change period will be charged $65 per week for 1 hour lessons ($97.50 for 1½ hours) up to a maximum equivalent to the total fees charged for the course.

Full refunds for practical instruction will be given up to the end of the course change period.

5.11 Changes to Student Records

Students register for their courses via MARS and accordingly are responsible for the accuracy of their record insofar as course registration is concerned. MARS may be accessed at any time by students to verify their course registrations.

The purpose of verification period is to ensure formally the accuracy of all student information. This includes program and course registration, as well as personal information such as mailing and home addresses.

After the end of course change (drop/add) period, courses may be added only with written permission of the instructor and the Office of the Associate Dean of the student’s faculty. A fee will be charged for each course added.

There is a one-week period following course change in which withdrawal with a grade of W and full refund of course fees will be granted.

Withdrawal from a course will result in a grade of W, provided the withdrawal is made prior to the published deadline. Withdrawal after the deadline is permitted only for compelling reasons such as illness, verified and accepted by the Office of the Associate Dean of the student’s faculty. (Permission will not be granted merely because a student is doing unsatisfactory work.) A grade of W or WF as appropriate will appear on the transcript.

After course change period and within two months after completion of the course, students may, according to each faculty’s policy, be permitted to add/withdraw to correct an error in registration. This may be done only with written permission of the instructor and the Office of the Associate Dean of the student’s faculty. A fee will be charged for each course added or withdrawn.

For each late course added or withdrawn, see Section 4.2 on page 20.
Normally no change to the grade in a specific course or refund is made more than four months after the completion of the course.

All requests for changes to a student's record made after that time are to be submitted to the Student Affairs Office of the student's faculty. The Student Affairs Office will obtain the necessary documentation and make and implement all decisions that require only grade changes to the student's record. Changes to the student's record other than grade changes fall under the authority of the Admissions, Recruitment and Registrar's Office, which is to decide upon and implement such changes in a uniform way.

5.12 Credit and Grading System

The faculties listed in this Calendar use the credit system where each course is assigned a credit rating reflecting the number of weekly contact hours. In general a three-credit course indicates three hours of lectures per week for one term. Laboratory contact hours usually count for fewer credits. The credit rating of each course is indicated in parentheses beside the course title. Credits also reflect the amount of effort required of students and generally assume two hours of personal study for each contact hour.

5.12.1 GRADING, LETTER GRADES AND GRADE POINT AVERAGES (GPA)

Courses are graded either by letter grades or in percentages, but the official grade in each course is the letter grade. All verification forms, transcripts and other documents will show both letter grades and reported percentages. Where appropriate, a class average will be calculated and appear on transcripts expressed as the letter grade most representative of the class performance. Grades A through C are termed satisfactory passes, D a conditional (non-continuation) pass, and F a failure. Certain courses have been approved for Pass/Fail (P/F) grading. Students may also designate elective courses to be graded under the Satisfactory/Unsatisfactory option. Students must not register in a course for which they have not passed all the prerequisite courses with a grade of C or better, except by written permission of the Departmental Chair concerned.

The letter grades and their grade point equivalents are shown in the following table:

<table>
<thead>
<tr>
<th>Letter Grades</th>
<th>Grade Points</th>
<th>Percentages*</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>4.0</td>
<td>85 -100</td>
</tr>
<tr>
<td>A-</td>
<td>3.7</td>
<td>80 - 84</td>
</tr>
<tr>
<td>B+</td>
<td>3.3</td>
<td>75 - 79</td>
</tr>
<tr>
<td>B</td>
<td>3.0</td>
<td>70 - 74</td>
</tr>
<tr>
<td>C+</td>
<td>2.7</td>
<td>65 - 69</td>
</tr>
<tr>
<td>C</td>
<td>2.3</td>
<td>60 - 64</td>
</tr>
<tr>
<td>D</td>
<td>2.0</td>
<td>55 - 59</td>
</tr>
<tr>
<td>F (Fail)</td>
<td>1.0</td>
<td>50 - 49</td>
</tr>
</tbody>
</table>

* This grading system applies to faculties which report percentage marks. There is no relationship between the percentage grades and the letter grades within the Faculty of Engineering. For specific information on the grading system in Engineering, please refer to the Faculty of Engineering section.

Letter grades are assigned grade points according to the table shown above. Standing will be determined on the basis of a grade point average (GPA) computed by dividing the sum of the course credit times the grade points by the total course credits attempted:

\[
GPA = \frac{\sum (course \ credit \times \ grade \ points)}{\sum (course \ credits \ attempted)}
\]

The cumulative grade point average (CGPA) will be the grade point average calculated using the student's entire record at McGill in the same degree program; if the degree program is changed, e.g. from B.Sc. to B.A., the CGPA starts again. However, all courses where credit has been granted toward the current degree will be considered when determining awards such as Distinction, Great Distinction or Dean's Honour List. All results are included when courses are taken more than once. Thus grades of D or F continue to be used in the calculation of the CGPA even after the course is repeated or a supplemental examination is taken.

Additional credit will not be recognized for a course already passed even if the grade was a D.

5.12.2 OTHER LETTER GRADES

**J** – unexcused absence (failed): the student is registered for a course but does not write the final examination or do other required work; calculated as a failure in the GPA and CGPA.

K – incomplete: deadline extended for submission of work in a course (see Incomplete Courses, section 5.12.4).

K+ – further extension granted (see Incomplete Courses, 6.11.4).

KF – failed to meet the extended deadline for submission of work in a course; counts as a failure in the GPA and CGPA.

KK – completion requirement waived.

L – deferred examination.

L* – permitted to defer examination for more than the normal period.

P – pass; not included in GPA.

Q – course continued in next term.

R – credit for satisfactory participation (permitted only in Music Dept. of Performance; use must be approved by Department Chair); not included in GPA.

S – Satisfactory; equivalent to C or better in an elective course; not included in GPA. (see section 5.12.3)

U – Unsatisfactory; equivalent to D or F in an elective course; not included in GPA. (see section 5.12.3)

W – withdrew; a course dropped, with permission, after the change of course period; not included in GPA.

WF – withdrew failing; a course dropped, with special permission in exceptional case, after faculty deadline for withdrawal from course, the student's performance in the course at that stage being on the level of an F; not included in GPA. (Not used in Music.)

WL – faculty permission to withdraw from a deferred examination.

& & – grade not yet available (no averages calculated).

--- = no grade: student withdrew from the University.

(The following letter grades are not used by the Faculty of Engineering: P, KK, K*, U, L*, WF and & &.)

** Students may appeal the assignment of the grade of J, but circumstances such as appearing at the incorrect time for an examination would not normally be sufficient reason for this grade to be replaced by a referral. Students who have earned sufficient marks to pass the course even though the final examination is not written may opt to have their grade based on the record to date.

Students wishing to appeal a J grade should write to the Associate Dean of their faculty.

5.12.3 COURSES TAKEN UNDER THE SATISFACTORY/UNSATISFACTORY OPTION

Student may take one elective course per term to be graded under the Satisfactory/Unsatisfactory option, to a maximum of 10% of the students' credits taken at McGill to fulfill the degree requirements. Grades will be reported in the normal fashion by the instructor and those of A through C will be converted to "Satisfactory" (S), and grades of D and F will become "Unsatisfactory" (U). The decision to have an elective course graded as Satisfactory/Unsatisfactory must be made by the student before the end of the Drop/Add period, and no change can be made thereafter. The courses taken under the Satisfactory/Unsatisfactory option will be excluded from the grade point average calculations, but they will be included in the number of credits attempted and completed.

NOTE: To be considered for in-course awards and/or the renewal of entrance scholarships, students must complete at least 27 credits in the regular academic session, exclusive of courses completed under the Satisfactory/Unsatisfactory option.

Visiting students are responsible for ensuring that they have chosen an elective course and that the credits are transferable and acceptable by their home university.

This option is not open to Special students.
For further information, students should contact their Departmental Adviser or Student Affairs Office, as appropriate.

5.12.4 INCOMPLETE COURSES
If, in the instructor's opinion, there is sufficient reason to permit a delay in the submission of required term work, an extension of deadline after the end of the course may be granted the student. In this case, the instructor will submit a grade of K (incomplete).

At the time of submission of the grade of K, the instructor will indicate the date by which the work is to be completed. Consult the faculty section for maximum extensions.

If a new grade is submitted within the deadline by the instructor, this will appear on the student's faculty reports and verification forms following the K and will replace the K on the student's official transcript.

If the required work is not completed before the deadline, the grade of KF will be recorded in the same way as the grade above. (KF denotes a failed course and has the same effect on the GPA as an F.)

In exceptional circumstances, and with the approval of the Associate Dean, the deadline may be extended further, in which case the grade of K* will appear. When the extended deadline has not been met, the grade of KF will be recorded as above. Music students who have marks of K not cleared by mid-May are ineligible for scholarships.

Students who have not, without accepted excuse, participated in or written the final examination in a course for which they were registered shall be given a grade of J (absent). In the calculation of the GPA, this is treated as an F. Students with valid reasons for requesting a late withdrawal or a deferred examination should appeal to the Student Affairs Office of their faculty.

5.13 Academic Standing
Students enter the University in satisfactory standing and their academic standing is determined in accordance with the regulations of their faculty. Students who are placed in unsatisfactory standing must apply to the faculty for readmission. Consult each section of this Calendar for the Regulations on Academic Standing that apply to the particular faculty.

6 Examinations

6.1 Examinations – General Information
In addition to the general policies listed here, students should consult the faculty sections of this Calendar for particular regulations. Students will be informed by the end of the change of course period of the evaluation method to be used in each course.

Every student has a right to write term papers, examinations and theses in English or in French except in courses where knowledge of a language is one of the objectives of the course.

Students will not be permitted to write an examination in any course unless they have fulfilled the requirements of the course to the satisfaction of the instructor and the Associate Dean. Once students have presented themselves for an examination or test, they must submit all written work to the invigilator before leaving.

Students writing examinations must have with them their valid McGill student ID card. Forgetfulness cannot be considered an acceptable excuse.

Students are reminded that cheating in any examination is considered a serious offence which could lead to expulsion from the University. Students are not permitted to have in their possession, or to use, any unauthorized materials during an examination.

All students are responsible for knowing the University Examination Regulations and the Code of Student Conduct and Disciplinary Procedures. The former are normally posted during the examination period and both may be obtained from the Office of the Associate Dean.

CLASS TESTS
Members of the teaching staff may from time to time give interim class tests if they think them necessary.

SPECIAL FACILITIES
Students with visual or other disabilities should consult the Coordinator, Office for Students with Disabilities, Burnside Hall. about the possibility of special examination facilities.

CREDIT BY EXAMINATION
In certain exceptional cases and in certain faculties, students may apply to the Associate Dean (Departmental Chair, in Music) to write a final examination in order to obtain credit in a course for which they were not registered. This is possible only in those courses where there is no other assessment except the final examination.

6.2 Final Examinations
Formal final examinations are held during an examination period following the term in which the course is given (fall and winter terms only). The dates of the examination periods are listed in the Calendar of Dates at the front of the Calendar. Students are warned not to make travel arrangements to leave Montreal prior to the scheduled end of any examination period. In some courses there is no final examination; standing in these courses is determined on the basis of term work and class tests.

6.2.1 UNIVERSITY REGULATIONS CONCERNING FINAL EXAMINATIONS

Preamble
The objectives of these regulations are as follows:
1) to protect students from excessive workloads;
2) to use the full 15-week term to maximum advantage.

Regulations
1. These regulations shall apply to undergraduate courses up to and including the 400 level that are evaluated by the use of written examinations. They shall not apply to clinical, field, laboratory, performance, and seminar courses, or to other courses that are evaluated solely by means of a design, paper, program, or project.

2. Written examinations (including take-home examinations) shall not be held during the last two weeks of scheduled classes during the fall and winter terms, except where a pattern of continuous evaluation has been established, in which case the total value of examinations given in this period shall comprise no more than 10% of the final mark.

3. If the written examinations in a course constitute 50% or more of the final mark, one of these should be given as a final written examination; and it shall take place during the examination period after the last day of scheduled lectures in December or April.

4. A final examination given during the examination period shall be worth at least 25% of the final mark.

5. Students shall be informed of all course requirements by the end of the course change period. All term work shall be assigned early enough in the term for students to complete the assignment(s) by the last day of class.

6. The due date for term work in courses to which these regulations apply shall be no later than the last day of classes.

7. In full-year (D) courses, instructors who wish to give a mid-year examination in December must schedule it in the formal examination period.

8. The principles enunciated in these regulations shall be applied, appropriately modified, to courses given during the summer, to other courses of less than a 13-week duration, and to courses in the Faculties of Law, Medicine, Dentistry, and Education that do not follow the normal University Timetable.
9. Individual faculties may propose variations in these regulations to the Academic Policy and Planning Committee in order to meet their special needs.

10. These regulations, and any variations to them, shall be made known to students by each faculty.

Instructors are not permitted to grant any special treatment regarding examinations to any student. Students who believe there are circumstances which might justify making special examination arrangements for them or which might legitimately be taken into account in evaluating their performance should apply to the Associate Dean.

It is the responsibility of the student to confirm the date, time and place of the examination by checking examination schedules posted on notice boards on campus or on infoMcGill. This information is not available by telephone. No student will be allowed to enter an examination later than one half hour after it has started.

6.2.2 DEFERRED EXAMINATIONS
Students who, for serious reasons such as illness or family affliction, have been unable to write one or more examinations, may receive the permission of their own faculty Student Affairs Office (Associate Dean in Music) to defer the examination to the next supplemental examination period, except in the Faculties of Agricultural and Environmental Sciences, and Engineering (where students write the examination the next time the course is given).

Students should be aware that deferred examinations are granted only for compelling reasons, verified and accepted by the Student Affairs Office. Supporting evidence such as an appropriate medical report is required. The Student Affairs Office must be informed as soon as possible after the examination of the reasons for absences. Final application deadline in Arts and Science for deferred examinations is January 15, for A courses and May 15, for B and D courses. If the request is approved, a L will appear in place of a grade in such courses, followed by the grade obtained in the deferred examination after it has been written.

A Music student who has a mark of L not cleared by mid-May is ineligible for scholarships.

If deferred status is not granted, the student will receive a grade of J in the course, which will count as a failure in the GPA and CGPA. The student may, however, be allowed to write a supplemental examination. Please note there are no supplemental exams in Agricultural and Environmental Sciences, Architecture, Engineering, or Management courses.

Students in Summer Session courses should check with their Student Affairs Office on the availability and restrictions on deferred and supplementary examinations in such courses.

In the event of illness, it is recommended that students consult the McGill Health Service. A medical note may be helpful in support of a request to the Associate Dean of a faculty or a Program Director of a school, as appropriate, for deferred examinations.

6.2.3 REASSESSMENTS AND REREADS
In accordance with the Charter of Student Rights, and subject to the conditions stated therein, students have the right to consult any written submission for which they have received a mark and the right to discuss this submission with the examiner. If, after such discussion, students want to have a formal final examination re-read, they must apply in writing to the Student Affairs Office (in Music, the Department Chair). Students should check with that office regarding application deadlines for formal rereads.

7 Study at Other Institutions

7.1 Internship Year – Engineering and Science, Co-op Programs (Mining and Metallurgical)
The Internship Year in Engineering and Science (IYES) Program allows Engineering and Science students to gain professional work experience during the course of their undergraduate studies. Students who are accepted for the internship will be paid a salary within the average range of those for entry level professional positions. Participation in the IYES Program will be noted on the student's permanent record. Employment through the IYES Program typically begins in May and continues for up to 16 months (minimum 6 months), including a four-month probationary training period. While employed by the participating companies, students work on assignments related to their field of study. Projects generally involve research and development. Employers choose the most suitable students for their organization through an application and interview. For further information see Faculty of Engineering section 2.8.

The Department of Mining and Metallurgical Engineering also offers Co-op programs in Metallurgical and Mining Engineering, see Faculty of Engineering section 4.7.

7.2 Study Away from McGill
Students may be permitted to study for a term or a year at another university. To be eligible, students must be in satisfactory standing and have maintained a CGPA of not less than 2.7. In addition, students would normally be entering the second year of a 90-credit program or the third year of a 120-credit program. Permission must be obtained from the Student Affairs Office.

7.3 Quebec Inter-University Transfer Agreement (IUT)
Regular undergraduate and graduate degree, diploma or certificate candidates registered at McGill may, with the written permission of the Dean of their faculty or delegate, register at any university in the province of Quebec for three (3), or exceptionally six (6), credits per term. These courses, subject to faculty regulations, will be recognized by McGill for the purpose of the degree for which the student is registered up to the limit imposed by the residency requirements of the program. A minimum residency requirement of 60 credits must be completed at McGill in order to qualify for a McGill degree.

This privilege will be granted if there are valid academic reasons.

Students wishing to take advantage of this agreement should consult their Student Affairs Office for details, and are informed that this agreement is subject to the following conditions:

a) the other universities concerned may, at their discretion, refuse the registration of a student for any of its courses;

b) the obligation of the student to follow the curriculum laid down by McGill is not affected;

c) the student is responsible for ensuring that the McGill time-table permits these courses to be taken without conflict;

d) the universities concerned are not responsible for special arrangements in cases of examination or timetable conflicts;

e) marks earned at the host university will not appear on McGill transcripts or be included in McGill grade point averages;

f) scholarship holders should consult with their Student Affairs Office and the Scholarships Coordinator concerning eligibility for continuation or renewal of their awards.

Students may take advantage of this agreement by completing the Inter-University Transfer (IUT) form available from the Admissions, Recruitment and Registrar's Office. This form permits the student to obtain the required authorizations.

7.4 Transfer Credits
In certain cases, credit may be granted for courses passed with a grade of C or better at other universities, up to the limit imposed by McGill residency requirements and program requirements in some faculties. Grades of C- are not acceptable for transfer credit. The letter grades applied by the host institution take precedence over the numerical grade if both are provided. Approval by the Student Affairs Office is necessary and must be obtained prior to taking the
course. Prior approval of the academic adviser is also necessary where such a course is taken as part of a student's program requirements. Normally a maximum of 30 credits may be so recognized. Students must be in satisfactory standing in order to be granted the transfer credits.

A minimum of 60 credits must be completed at McGill in order to qualify for a McGill degree.

Grades for transfer courses are not entered on the student's McGill transcript and are not included in the calculation of the GPA or CGPA.

It is the student's responsibility to ensure that an official transcript is sent to the Senior Adviser, Student Affairs Office (Arts or Science); the Student Records Officer (Music); or the Office of the Associate Dean (all other faculties).

Transcripts for transfer courses must meet the following deadlines:

- April 30 for June graduation;
- September 15 for November graduation;
- January 15 for February graduation.

Transcripts not received by the appropriate date will be considered for the next graduation period only.

7.5 Exchange Programs

McGill University has bilateral exchange programs in Australia, Canada, Columbia, Denmark, France, Germany, Hong Kong, Israel, Italy, Japan, Korea, Mexico, Singapore, Spain, Sweden, the United Kingdom, and the United States of America. Information on the bilateral exchange programs, including the criteria for participation and a list of institutions with which McGill has bilateral student exchange agreements is available on the Student Exchanges and Study Abroad section of the Admissions, Recruitment and Registrar's website (http://www.aro.mcgill.ca).

McGill also participates in student exchange programs established by the Conference of Principals and Rectors of Quebec Universities (CREPUQ). The criteria for participation in these student exchange programs is the same as participation in McGill's bilateral student exchange programs. The CREPUQ homepage is hot-linked to the Student Exchanges and Study Abroad section of the Admissions, Recruitment and Registrar’s website.

Both the bilateral and CREPUQ student exchange programs are open to McGill students of all nationalities. To participate in a student exchange program applicants must be full-time, degree-seeking students and have completed at least one year of study and have maintained an average of 3.0 or better. Further information on faculty requirements is contained in the document entitled, “Steps to a Successful Exchange”, which is in the Student Exchanges and Study Abroad section of the ARR website.

Exchange programs can be university-wide or faculty specific. Students from all faculties, except Dentistry and Medicine, are open to McGill students of all nationalities. To participate in the university-wide agreements but faculty-specific agreements are only open to students in the specified faculty. Students can participate in exchanges for one semester or for a full academic year (two semesters). McGill does not administer summer session exchange programs.

Further information can be obtained from Student Exchanges and Study Abroad, James Administration Building Annex.

Phone: (514) 398-8342
Fax: (514) 398-8343
Email: exchange@aro.lan.mcgill.ca
Website: http://www.aro.mcgill.ca

8 Student Records, Verification Forms and Transcripts

Subject to Section 5.11 on page 24, students are responsible for their registration in the proper courses and programs. There are two verification periods, one in February and one in October.

In February verification reports are printed for all students in the Faculties of Education and Engineering. Verification reports are printed for students in the Faculties of Agricultural and Environmental Sciences, Arts, Management, Music, Religious Studies, and Science for whom the winter or the summer is their last semester before graduation; however, all other students in these faculties are expected to use SATURN or MARS to verify their records.

In October verification reports are printed only for students for whom the fall is their last semester before graduation; however, all other students are expected to use SATURN or MARS to verify their records.

Students should pick up their verification forms at their faculty office during the period(s) which applies to them. If they are in their graduating year or if there are errors to be corrected, students must return the form, signed, to their Student Affairs Office. Note: Management students must return their forms to the Student Affairs Office. Students who expect to graduate in February or June of the current academic year or November of the following academic year should check that the expected date of graduation on the form is correct; if it is incorrect, the student may be overlooked for graduation. Students may check and correct their expected date of graduation by phoning MARS and accessing the Registration function.

8.1 Personal Information

It is important that all students keep their official records up to date, especially their mailing address as this is used by the University year round for correspondence to them. If all addresses on file are invalid or incomplete, a student’s mail may be held. Once the addresses are updated the address hold is automatically removed and future mail will be sent.

Students should update their home address, mailing address, and/or telephone number by accessing SATURN (http://www.is.mcgill.ca/students), see Section 3.1 on page 16. Students who are away from campus and who do not have access to the Internet may make the changes by writing to the Student Affairs Office or to the Admissions, Recruitment and Registrar’s Office. A written request must include the student’s signature.

Changes requiring verification of official documents, e.g., change of name or citizenship, correction of birth date, must be reported to the Admissions, Recruitment and Registrar’s Office as soon as possible. Such changes can only be made in person.

8.2 Policy Concerning Access to Records

Reports of standing, statements of account and all other correspondence are sent directly to students who retain full control as to who has access to their records or accounts. (Officers and members of the University staff may also have access to relevant parts of such records for recognized and legitimate use.) No progress report or any other information is sent to parents and/or sponsors unless specifically requested by the student in writing.

In accordance with provincial legislation, personal information, including transcripts of academic records, may be released only with the signed authorization of the student. Notwithstanding the above, the University will, upon request, release certain personal information to the bodies listed below, unless students complete and submit an opposition form which can be obtained from the Admissions, Recruitment and Registrar’s Office:

- the Student Associations recognized by McGill University;
- the McGill Alumni Association;
- the school(s) or college(s) which the student attended;
- the appropriate authorities involved with the external or internal funding of fees;
- professional bodies or corporations (e.g., engineers, dentists).

8.3 Transcript of Academic Record

Certified transcript(s) of a student’s academic record may be obtained by applying to the Admissions, Recruitment and Registrar’s Office, James Administration Building or the Student Affairs Office, Macdonald Campus for students registered in the Faculty of Agri-
9 Graduation

The student must complete faculty and program requirements in order to graduate. It is the responsibility of the student to ensure that all faculty requirements are met before graduation. All students should check with their advisers (Associate Dean, in Music) early in the graduating year if they have any questions about whether they will meet all program requirements by graduation time.

It is essential that students indicate the expected date of graduation when they register and verify this date on MARS and on verification forms. The Student Affairs Office should be notified immediately when a final-year student changes the expected date of graduation.

The minimum CGPA required to graduate is 2.0.

If all requirements for graduation are met, a notice to that effect is added to the MARS grade reporting function as of March 1 for winter graduates, late May for spring graduates, and mid-October for fall graduates.

Information pertaining to the convocation ceremonies can be obtained on infoMcGill and on the Admissions, Recruitment and Registrar’s Office website (http://www.aro.mcgill.ca).

10 Professional and Graduate Studies

Students intending to proceed into Dentistry, Law or Medicine should consult the faculties concerned about their prerequisites for admission.

Students intending to proceed into graduate studies at McGill should note that admission is not automatic. Further information is available in the Faculty of Graduate Studies Calendar or on their Website (http://www.mcgill.ca/fgsr/).

10.1 Language Requirements for Professions

Quebec law requires that candidates seeking admission to provincially-recognized professional corporations* must possess a working knowledge of the French language, that is, be able to communicate verbally and in writing in that language.

To demonstrate this capability, candidates will be required to pass an examination set by the Office de la langue française, unless they can show that three years of full-time instruction in a French post-primary school have been completed. The professional corporation will require this proof of attendance or of successful completion of the Office examination.

The examination may be attempted by registered students during the two years prior to the date they expect to receive a degree giving access to a professional corporation. Application forms for sitting the exam while still a student may be obtained from the Admissions, Recruitment and Registrar’s Office. Priority will be given to those closest to graduation. Examinations take place every three months and may be attempted an unlimited number of times.

More information may be obtained from the Office de la langue française, Tour de la Bourse (Place Victoria), 13ième étage, P.O. Box 316, Montréal, Québec, H4Z 1G8. Telephone (514) 873-8361.

* McGill degrees and diplomas currently give access to corporations regulating the activities of the following professional groups:

Agronomists Licensed General Accountants

Architects Chartered Accountants Notaries
Chartered Administrators Occupational Therapists Nurses
Chartered Appraisers Physicians
Chemists Physiotherapists
Dentists Psychologists
Dietitians Social Workers
Engineers Speech Therapists and Audiologists
Industrial Administration Accountants Urbanists
Industrial Relations Counsellors Vocational Guidance Counsellors

Lawyers

Students who need to acquire a functional level of proficiency in French may take courses from either the English and French Language Centre, Faculty of Arts, or the Centre for Continuing Education, 680 Sherbrooke Street West, telephone (514) 398-6200.

Students already proficient in French but who wish to keep up practice might consider courses in the Department of French Language and Literature, Faculty of Arts.

11 Student Services

11.1 Office of the Dean of Students

The Dean of Students and the Associate Dean of Students coordinate all student services on campus and are available to provide assistance and/or information on almost all aspects of non-academic student life and will direct concerns of an academic nature to the proper individual, office or department.

3637 Peel Street
Montreal, QC H3A 1X1
General Information, Telephone: (514) 398-8238
Dean/Associate Dean, Telephone: (514) 398-4990
Fax: 514) 398-3857
Website: http://www.mcgill.ca/stuserv

11.2 Services Offered by the Office of the Dean of Students

Information regarding these services can also be accessed via the Web (http://www.mcgill.ca/stuserv).

Students at Macdonald Campus should note that there is a Student Services Office located in Rowles House. For further information, refer to the Faculty of Agricultural and Environmental Sciences section of this Calendar or telephone (514) 398-7992.

11.2.1 OFFICE OF STUDENT AID AND INTERNATIONAL STUDENT ADVISER

This office is located at 3637 Peel Street and provides the following services:

Student Aid, telephone (514) 398-6013/6014
- assesses financial need for both graduate and undergraduate students and grants McGill loans and bursaries.
- distributes applications and information for all provincial government loan and bursary programs as well as U.S. student loan plans.
- coordinates a Work Study Program.

International Students, telephone (514) 398-6015
- deals with all non-academic matters concerning international students such as student authorizations, immigration regulations, etc. and runs a buddy program to welcome new international students.

11.2.2 ATHLETICS

The Department of Athletics offers a wide range of sports and recreational activities designed to meet the needs and interests of the

McGill University, Undergraduate Programs 1999-2000
entire McGill Community. Among the numerous facilities available are swimming pools, indoor and outdoor tennis courts, squash courts, weight rooms, indoor and outdoor running tracks, gymnasium, skating rink, and a state-of-the-art fitness centre.

The Campus Recreation Program offers participants organized sports in the Intramural program as well as a variety of non-credit fitness and recreation courses in the Active Living program and various informal recreation activities.

McGill fields 41 men's and women's teams in intercollegiate competition. Interested student-athletes should contact the Intercollegiate Office (Room 225) for more information.

The McGill Sport Medicine Clinic offers state-of-the-art equipment and services, including "priority access" to an internationally recognized team of sports medicine experts.

Further information on the Athletics programs and services may be obtained at the Athletics Complex, 475 Pine Avenue West, from the Website (http://www.athletics.mcgill.ca), by email: sport@stuserv.lan.mcgill.ca or by telephoning:

- Athletics - General Information: (514) 398-7000
- Campus Recreation: (514) 398-7011
- Intercollegiate Sports: (514) 398-7003
- Sport Medicine Clinic: (514) 398-7007

### 11.2.3 CAREER AND PLACEMENT SERVICE (CAPS)

The Career and Placement Service (CAPS) is funded by McGill Student Services and assists students in their search for permanent, part-time, summer, or temporary jobs. CAPS is available to all full-time students and graduates up to one year after the end of the term in which they last paid their student services fees. An extended service was recently introduced for young alumni (a maximum of three years after graduation) at a nominal fee for a 12-month package.

Students can search for full-time, part-time, and summer job vacancies on the CAPS Website (http://www.mcgill.ca/stuserv/caps). The website also gives information about all CAPS services. As well, bulletin boards are located throughout the Campus with useful advice related to the job search.

The CAPS "on-campus recruitment" campaign brings national and international companies and organizations to McGill each fall and spring to interview selected students for both permanent and seasonal positions. Information for all events can be found on the Website and bulletin boards.

Job search strategy workshops are given through the academic year on over 15 topics including C.V. writing, networking, and interview techniques. A large Career Resource Library has the information necessary for a successful job search. In addition, Career Advisors are available, by appointment, to discuss individual questions related to the job search. Students are encouraged to use the full range of these services. Phone or drop by one of the three offices for further details.

Ste-Anne-de-Bellevue H9X 3V9
Telephone: (514) 398-7992 Fax: (514) 398-7610

### 11.2.4 CHAPLAINCY SERVICE

This service exists to serve the needs of all students through individual counsel, group encounters, fellowship, volunteer activities, and cultural events. It is sponsored by various religious organizations. Information may be obtained from the Secretary at 3484 Peel Street, telephone (514) 398-4104, or from the sponsoring organizations.

### 11.2.5 COUNSELLING SERVICE

The Counselling Service is designed to help students who encounter difficulties in coping with the pressures, challenges and opportunities of a university environment. Various psychological services are available for personal, academic and vocational issues. The Career Resource Library, containing academic and vocational materials, is also available for student use in Room 308.

The Counselling Service also provides information and applications for test such as the Graduate Record Examination (GRE), Law School Admission Test (LSAT), Graduate Management Admission Test (GMAT), and the Medical College Admission Test (MCAT).

Hours of operation are 09:00 to 17:00, Monday to Friday.
Location: 3637 Peel Street, Room 301
Telephone: (514) 398-3601
Email: counselling@stuserv.lan.mcgill.ca

### 11.2.6 FIRST PEOPLES’ HOUSE

The First Peoples’ House fosters a sense of community and belonging for Aboriginal undergraduate and graduate students who are studying at McGill. One of the principal goals of the First Peoples’ House is to promote innovative partnerships amongst Aboriginal students, Aboriginal communities and McGill University through collaborative research and mutual learning. Therefore, through a colloquium, the First Peoples’ House provides a forum for Aboriginal graduate students to present their indigenous voices and academic work and thus engender an active dialogue within McGill relative to Aboriginal students’ history and future aspirations. First Peoples’ House is located at 3505 Peel Street. The coordinator can be reached at (514) 398-3217.

### 11.2.7 FIRST-YEAR COORDINATOR

To ensure that the transition into the academic and social life at McGill is as smooth as possible, McGill's First-Year Coordinator acts as a resource person to new students and parents requiring information related to services available across campus. This service will ease the new student's integration into life at McGill and make the process more enjoyable by providing pertinent information at one central location. The office is in the Powell Student Services Building, Room 211, 3637 Peel Street. Leslie Copeland, the First-Year Coordinator, can be reached at (514) 398-6913 or email: firstyear@stuserv.lan.mcgill.ca

### 11.2.8 STUDENT HEALTH SERVICES

The McGill Student Health Service consists of an ambulatory clinical centre located at 3637 Peel Street. The service has on its staff male and female doctors, as well as Nurse Health Educators experienced in student health problems. Nurse Health Educators and physicians are available for consultation by appointment. There is also a drop-in clinic for emergency. Asthma, Dermatology, Gynecology and Wellness Clinics are held on site. Students who have particular medical needs are requested to have their physician submit appropriate information on a confidential basis to the Health Service. Students using the service must bring their student I.D. card and Medicare card or equivalent. Canadian students from outside the province of Quebec should check with their own provincial medicaid office to ensure validity of their health coverage while studying at McGill. All information is completely confidential and forms no part of any University record.

The service is open from 08:30 to 17:00, Monday through Friday. For Downtown Campus Health Service appointments and information call (514) 398-6017.

### 11.2.9 MENTAL HEALTH SERVICE

The Mental Health Service offers consultations and treatment for a wide range of emotional and personal problems to the McGill student body. Psychotherapy and psychiatric treatment is provided by a team of experienced psychiatrists and psychologists. Strict confidentiality of records is maintained.

In addition to their student I.D. cards, students must present valid health insurance cards. While there is presently no charge for

---

this service, in order to ensure that Student Service's dollars are not wasted, students who cancel appointments without 24 hours notice will be held responsible for part of the cost of their unused appointment.

The Service is open from 08:00 to 17:00. Appointments are necessary. An emergency service, where students will be seen quickly but briefly to determine their immediate needs, is available daily from 08:00 to 16:00. Students requiring care outside of clinic hours are advised to call McGill Nightline at 398-6246 for advice.

Appointments and Information (514) 398-6019
Director: Dr. Norman Hoffman
email: sangeang@stuserv.lan.mcgill.ca

11.2.10 ORIENTATION PROGRAM
All new students are required to attend an Orientation Session offered by the Office of the Dean of Students before classes begin each year. (Students entering the University in January attend a session at that time.) The Orientation Program is designed to introduce students to the services that are available on campus to help them achieve greater academic, physical, social and spiritual well being. It includes introductions to such services as Student Health, Student Financial Aid, Counselling, Tutorial Service, Off-Campus Housing, Services for Students with Disabilities, Chaplaincy, First-Year Coordinator, First Peoples' House, and an important publication – the McGill Handbook on Student Rights and Responsibilities. In addition, the Students' Society and the Department of Athletics describe their services and facilities. Most incoming students will be able to choose Orientation appointments which complement the times for Academic Advising. Students in faculties not served by the Admissions, Recruitment and Registrar's Office should contact the Office of the Dean of Students for dates and times.

11.2.11 OFFICE FOR STUDENTS WITH DISABILITIES
This Office ensures that students with disabilities obtain the services which enable them to pursue their academic life at the University. Students with visual, hearing or mobility impairments, or with diagnosed learning disabilities or chronic medical problems can obtain notetakers, tutors, sign interpreters; materials in large print, braille, or on tape; they can access specialized equipment, and make special arrangements for exams. On-campus transport is available, but the campus is not fully accessible and students should check classroom accessibility with the Director.

The information submitted in the student's application file is confidential to the Admissions, Recruitment and Registrar's Office. Nevertheless, it may be helpful to the Director of the Office for Students with Disabilities (OSD) and can be transferred to the Director at the direct request of a student. Students who wish to do so should send a letter to the OSD, specifying that they are releasing the information in their file to the Director.

To ensure that the appropriate services and assistance are available to students for Orientation, for Frosh Week, and for the beginning of the semester, it is essential that students contact the Director as soon as they accept the offer of admission. The Office is open 09:00 to 17:00 from Monday to Friday (closed Fridays from June to late August).

Students with temporary disabilities are also eligible to receive service.

University TTY/TDD numbers are: Admissions, Recruitment and Registrar's Office (514) 398-5044 and OSD (514) 398-8198. Should it be necessary to contact other McGill offices, students may call (514) 398-8198 and ask that a message be forwarded for them.

Telephone (514) 398-6009
Fax (514) 398-3984
TDD (514) 398-8198. Students requiring services may call (514) 398-8198 and ask that a message be forwarded for them.

Email: osd@stuserv.lan.mcgill.ca
Website: http://www.mcgill.ca/student/osd/osd.htm

11.2.12 OFF-CAMPUS HOUSING SERVICE
Students unable to secure a room in residence, or who prefer to live off-campus, should contact the Off-Campus Housing Service, located at the
McGill Student Housing Office
3641 University Street
Telephone: (514) 398-6010
Email: offcampus@residences.lan.mcgill.ca
Website: http://www.residences.mcgill.ca/offcampus

This office maintains up-to-date computerized lists of available off-campus housing including rooms, apartments of various sizes and a list of students who have apartments to share.

Students living off camp use may purchase a meal card at the Business Office of Bishop Mountain Hall which would allow them to eat regularly at the Residences. Individual meals can be taken both at the Co-ed Residences and at Royal Victoria College by both men and women students living off-campus. Additional information about the meal plans can be obtained by calling (514) 398-8363.

11.2.13 TUTORIAL SERVICE
The Tutorial Service operates during both the regular academic year and the Summer session. Individual tutoring is available to all McGill students at a cost of $15 per hour. The tutors are senior undergraduate or graduate students recommended by their department and screened by the Tutorial Service. The Tutorial Office is located in the Counselling Service. Office hours are 09:00 to 17:00, Monday to Friday.

Location: 3637 Peel Street, Room 301.
Telephone: (514) 398-6011. Email: tutoring@stuserv.lan.mcgill.ca

11.3 Extra-Curricular Activities
There are over 250 activities and clubs which students may join. These include international clubs; religious groups; political clubs; fraternities; communications groups such as Radio McGill, the McGill Tribune, and the McGill Daily; and some 50 miscellaneous groups (e.g. science clubs; literary, theatrical and musical societies; a chess club; and the McGill Outing Club). The University Centre, at 3480 McTavish Street, provides club rooms for these activities in a modern four-storey building with cafeterias, a ballroom, lounges and an experimental theatre. Similar facilities exist on the Macdonald Campus in Harrison House. Activities for graduate students are centred in David Thomson House at 3650 McTavish Street.

11.4 Ombudsperson for Students
At McGill University there is an Ombudsperson for students, filled on a half-time basis by an academic staff member. The Ombudsperson provides a confidential service that is independent of any university body. The mandate of the Ombudsperson for Students is the impartial resolution of complaints by students who feel their rights have not been respected by some member of the McGill community. The Ombudsperson advises, guides, refers or if necessary intervenes on behalf of students in order to solve problems in an informal way through discussion, negotiation or mediation.

12 Scholarships and Financial Aid

12.1 Entrance Scholarships And Awards
McGill University has an extensive program of entrance awards to recognize and honour scholarship. Awards range in value from $2,000 renewable to $10,000 renewable and are based on outstanding academic achievement or a combination of outstanding academic achievement and leadership qualities. Finalists for the scholarships valued at $5,000 or more may be interviewed. In addition, there is a possibility of further financial support for needy students. All renewable awards are tenable until completion of an undergraduate degree, up to a maximum of four years, provided the criteria for renewal are met. For the renewal of entrance scholarships, students must complete at least 27 credits in the regular
12.2 Awards to McGill Students in Course

Once a student is in-course at McGill, all undergraduate scholarships, prizes, medals awards and honorific designations such as Dean's Honour List are awarded on the basis of grades obtained during the regular session and no applications are required unless specifically indicated in the terms of an award.

Applications for admission may be obtained from the Admissions, Recruitment and Registrar's Office, McGill University, 847 Sherbrooke Street West, Montreal, QC, H3A 3N6. Further information and a downloadable electronic application form can be obtained from the Office Website (http://www.aro.mcgill.ca).

12.3 Bursaries and Loans

Applications for McGill bursaries and loans on the basis of financial need should be directed to the Student Aid Office, McGill University, 3637 Peel Street, Montreal, QC, H3A 1X1. All applicants for aid must first apply for maximum government grants or other assistance for which they may be eligible.

With the exception of scholarship holders, bursaries and loans may only be applied for once the student is in attendance.

12.4 Provincial Loans and Bursaries

A basic qualification is that the applicant must be a Canadian citizen. Certain categories of Permanent Residents may also be eligible. All government loan programs operate exclusively on the basis of financial need.

Students apply directly to their province of residence. Application forms are available from the provincial authorities listed below as well as the Student Aid Office. Look for information on government student aid on McGill's Financial Aid website (http://www.mcgill.ca/stuser/aid.htm).

McGill offers the following types of residence accommodation:

Royal Victoria College (RVC) houses undergraduate women students. It is on campus close to the major shopping and cultural areas of the city. Bus and metro (subway) stops are nearby.

Bishop Mountain Residences, consisting of Douglas, Gardner, McConnell and Molson Halls, house undergraduate men and women. They are located on the wooded slopes of Mount Royal, adjacent to the University playing fields and are approximately two blocks away from the main campus, and a ten-minute walk from the centre of downtown Montreal.

Solin Hall apartment complex, located at 3510, Avenue Lionel Groulx, is a five-minute metro ride (4 stops) from the University. It houses undergraduate men and women.

McGill Residences also administers several studio apartments and shared-housing units close to McGill's downtown campus, collectively known as the M.O.R.E. (McGill's Off-Campus Residence Experience) network.

The academic staff of each hall consists of a Residence Director or Warden, Assistant Directors, Residence Fellows or Dons and Student Animators in M.O.R.E housing. One of the main functions of the academic staff is to get to know students individually and, if a student requests it, to give advice on personal or academic matters.

For information on off-campus housing, see Section 11.2.12 on page 31.

13.1.1 ROYAL VICTORIA COLLEGE (RVC) AND BISHOP MOUNTAIN RESIDENCES

Except for a few double rooms, all rooms are for single occupancy and in each, besides a bed, there is a desk, chair, chest of drawers and closet. Linen is supplied at RVC only and is exchanged weekly. In all halls residents are responsible for the cleanliness of their rooms. Each hall has coin-operated automatic washers and dryers, as well as ironing facilities. Pay telephones are located in each building. In addition, all rooms are wired for a private telephone. There is limited storage space for ski equipment, trunks, and suitcase in each hall. Limited parking space is available on a first-come, first-served basis.

The halls have TV and recreation rooms. The Bishop Mountain Residences have a sauna; RVC has the use of a swimming pool located in the adjacent building.

Residents at Molson, McConnell and Gardner Halls take their meals together in a large centrally located dining hall. Douglas Hall and RVC have their own dining areas. RVC offers 19 meals a week while the Bishop Mountain Residences offer 15 meals a week (Monday to Friday). Bag lunches and bag dinners are available. There are kitchenettes in all the Halls where residents may keep food and prepare hot or cold snacks at any time. In addition, vending machines dispense soft drinks, sweets and pastries. Students can rent small refrigerators for their rooms.

The rates for the regular session (September 1 to April 30) in 1998-99 were $6,552.00 for single room and all meals (RVC only), and for room and five-day meal plan $5,742.00 (Douglas Hall only), $5,210.00 (Gardner, McConnell and Molson Halls). Residents are not accepted on a room-only basis. Fees for a limited number of double rooms (in above mentioned halls) were approximately $300 less than those quoted above.

These rates did not include meals during a 16-day period at Christmas, or on certain holidays like Labour Day, Thanksgiving, Easter, etc. Students may, however, occupy their rooms free of charge during the Christmas holiday period.

13.1.2 SOLIN HALL

Solin Hall, situated in a residential area south west of campus, has approximately 110 apartment units which have two, three or four bedrooms per unit and a few studio units. Most rooms are single occupancy with suite mates sharing common facilities. Each apartment has its own kitchen, living and dining area, a bathroom, and outlets wired for telephone, computer and cable TV hook-up.

Basic furniture such as stove, fridge, bed, desk, table, chairs, sofa, lamps and drapes are provided. All apartments and public area floors are carpeted. There is electrical heating with individual thermostats in each room. Shopping areas are within walking distance from the Hall. Limited indoor parking is available.

The rooms in Solin Hall are leased on a 11½ month basis (August 23 to August 7). The rates for a regular room in 1998-99 were $4,750.65.

13.1.3 M.O.R.E. – McGill's OFF-CAMPUS RESIDENCE EXPERIENCE

There are 10 smaller buildings in the M.O.R.E. network, all located within walking distance of main campus. The accommodations (mostly single) vary from building to building and include private, self-contained studio apartments as well as shared facilities.
whereby each student has her/his own bedroom but shares a common kitchen, washroom and living areas. All rooms and apartments are fully furnished and rent for a period of 11 1/2 months (August 23 to August 7). Rents range from $375 to $550 per month and although there is no mandatory meal plan, meal tickets may be purchased for use in any of the Residences cafeterias.

13.1.4 STUDENT GOVERNMENT – UNIVERSITY RESIDENCES

Each hall has a Residents’ Council, elected yearly by the residents at a designated time during the academic year. It is the job of Council to gather hall opinions, supervise financial affairs, and organize sporting and recreational activities within the residences.

McGill’s residences are run for the convenience and advantage of the students living in them. Rules and regulations are decided upon and administered by the students themselves. In each hall there is a House Committee which is elected from the student body at the beginning of each year to deal with any problems that may arise.

Note: All fees include an activity fee of $20 collected by the University on behalf of the Residents’ Council of each hall.

13.1.5 APPLICATION AND ADMISSIONS – UNIVERSITY RESIDENCES

Please note that the procedure governing residence admission is entirely separate from that of University admission. There is, however, no separate application form for admission to residence.

Applicants who wish to be considered for residence accommodation simply indicate this on the Application Processing Form (#2 of the General Application Forms for admission to McGill University).

No applicant will be considered until official acceptance to McGill is received.

The residence fees for the 1999-2000 session had not been set at the time this Calendar went to print. An up-dated fee sheet and instructions regarding payment of fees will be sent with the residence contract when an offer of accommodation is made. New rates will be calculated from those of the 1998-99 session plus inflation.

The University is able to house in residence approximately 1,540 students. Late applications are considered only after those received on time. If no space is available, an offer to be placed on a waiting list may be extended.

13.2 University Apartments For Students

Under the administration of the Student Housing Office, the University maintains a limited number of apartments, furnished and unfurnished, in several locations within walking distance of the main campus. Apartment leases are for a 12-month period – September 1 to August 31. A waiting list is maintained. Apartments are allocated on a first-come, first-served basis. Applications should be filed at the same time as the application for admission to McGill. There is no deadline for filing applications. Information packages and application forms may be obtained from the Student Housing Office, 3641 University Street, Montreal, QC, H3A 2B3. Telephone: (514) 398-6050; fax: (514)398-2305; email: housing@residences.mcgill.ca

13.3 Residence at Macdonald Campus

Laird Hall and the new EcoResidence house Macdonald Campus students. Applicants who wish to be considered for residence accommodation should indicate this on their Application for Admission. For further information, please refer to Faculty of Agricultural and Environmental Sciences section 2.2 on page 421 or the Faculty website (http://www.agrenv.mcgill.ca/).

14 Libraries, Computing Facilities, Archives and Museums

14.1 Libraries

The McGill University Libraries System consists of fourteen libraries and two reading rooms. Details of the individual libraries are given below.

Library services generally available include instructional seminars and tours, reference and bibliographic services, the circulation of materials, photocopying facilities, microfiche reader-printers, computer MIDAS workstations for searching the online catalogue, other electronic databases, and the Internet, and study facilities.

Two programs, the acquisition of digitized information as a growing adjunct to traditional collections building and the digitization of unique McGill collections, form two important features of the virtual McGill Library. The virtual McGill Library includes an ever-expanding fund of digitized information databases plus some unique McGill collections such as the digitized Puggley early maps of Canada collection, the Hugh Maclennan papers, World War II poster collection, and the Tuberculosis full-text online database.

McGill Libraries’ electronic databases may be queried on MIDAS workstations in any library or – in many instances – searched from remote computers. Information on remote access may be obtained from all Libraries or from the University Computing Centre. The Library has over 200 databases currently available; 27 are maintained as part of the PERUSE project, the rest function with diverse search and retrieval software either through a web gateway or as stand-alone CD-ROMs. Included in these resources are abstracting and indexing sources, full text journals (JSTOR, the John Hopkins Project MUSE, LEXIS-NEXIS, and Core Biomedical Collection titles) as well as numeric databases. In 1998, the online version of Encyclopedia Britannica was added to this repertoire.

MUSE, McGill’s online catalogue, lists books and journals throughout the McGill library system. MUSE is available in all McGill libraries as well as remotely, both on and off the campus.

14.1.1 Special Libraries

Branch Services Coordinator – Donna Duncan

The BLACKER-WOOD LIBRARY OF BIOLOGY contains over 120,000 volumes in the fields of biology, ornithology, genetics, and cell and molecular biology and receives about 700 current journal titles. The Library houses an internationally known collection in ornithology, natural history and zoology.

The BLACKADER-LAUTERMAN LIBRARY OF ARCHITECTURE AND ART, located on the third floor of the Redpath Library Building, houses over 80,000 volumes, covering architectural history and practice, urban design and planning, housing, and the history of fine and applied arts. The Library subscribes to over 350 periodicals in several languages. Special features are the 2,500 first and rare editions which are kept in the Library’s Rare Book Room, and the Canadian Architecture Collection, a unique archive of 215,000 original drawings and photographs of 19th and 20th century Canadian architecture.

The EDUCATION LIBRARY located on the first floor of the Faculty of Education building, houses over 95,000 book and 700 journal titles covering elementary and secondary education, educational administration and policy, curriculum studies, educational psychology and counselling, special education in second languages, culture and values in education, art education, distance education, and computers in education. Of special interest are the collections on giftedness, the Butters collection on inclusion, the Northern Collection, education theses, and the ERIC documents on microfiche.

The Curriculum Lab located in the room adjoining the Library houses a collection of elementary and secondary school textbooks, teachers’ resource books, video and audio cassettes,
educational kits, games, charts and multi-media CD-ROMs. The Lab Special Collections include MEQ, the Reavis Fastback Collection, a Children's Literature collection. Library workstations provide access to education sources on the Internet and www. Video and audio equipment facilities are also provided.

The HOWARD ROSS LIBRARY OF MANAGEMENT, located in the Samuel Bronfman Building, houses approximately 85,000 book and serial volumes in the fields of accounting, finance, industrial relations, marketing, international management and operations management, and related topics. The library's holdings include over 150,000 corporate annual reports, a comprehensive collection of Statistics Canada publications and 650 current periodical titles. Also available are several business/management databases on CD-ROM, as well as access to the library system's PERUSE and Internet Workstations. Four group study rooms may be reserved for student use.

The ISLAMIC STUDIES LIBRARY houses a collection of over 100,000 volumes dealing with the Muslim world, with emphasis on the humanities. This is a unique collection in Canada, made up of works in western languages and in Arabic, Persian, Turkish, Indonesian and Urdu.

The MACDONALD CAMPUS LIBRARY at Sainte-Anne-de-Bellevue occupies two levels of the Barton Building. It contains over 95,000 volumes in the fields of agriculture, food science, and environmental sciences. This library receives approximately 750 current journal titles. The Lyman Room houses a special collection on entomology. The library is a depository for many government publications related to agriculture and the environment, with 17,000 volumes in a separate collection.

The MARVIN DUCHOW MUSIC LIBRARY, located on the 11th floor of 550 Sherbrooke Street West, houses approximately 40,000 musical scores and 32,000 sound and video recordings covering Western classical, jazz and popular music. The collection also contains an additional 27,000 books and bound journals. Library workstations provide access to musical, textual, graphic-based and multi-media data on microform, software, CD-ROMs and the Internet. The Rare Book Room holdings include the David Edelberg/Handel Collection; manuscript scores and correspondences of twentieth century composers; opera vocal scores and Canadian sheet music. Facilities include seminar rooms and a number of practice modules.

The WALTER HITSCHFELD GEOGRAPHIC INFORMATION CENTER located on the fifth floor of Burnsme Hall contains over 200,000 maps and air photos, and a small print collection in the fields of cartography and geographic information systems. Special formats include maps, gazetteers, wall maps, electronic data bases and CD-ROMs. The library has also installed two Global Information Systems (GIS): Mapinfo and Arcview 2.1.

14.1.2 Health Sciences Libraries

Librarian – David S. Crawford

The HEALTH SCIENCES LIBRARY contains approximately 250,000 volumes and receives approximately 1500 current print journal titles. The library acts as a major resource for teaching, research and clinical care in medicine, dentistry, nursing, physical and occupational therapy, and human communication disorders and is the primary library for McGill staff, students and faculty researching, practicing or studying in most areas of the health sciences. The library was founded in 1823 (making it the oldest health sciences library in Canada) and is noted for its retrospective collection of books and journals. Services offered to users include access to many online databases and electronic journals. Access to these resources and other online resources and further information on both the Health Sciences and Osler Libraries is obtained through the libraries' home page (www.health.library.mcgill.ca).

The OSLER LIBRARY OF THE HISTORY OF MEDICINE, which opened in 1929, is physically and intellectually connected to the Health Sciences Library and has a collection of over 50,000 volumes in the history of medicine and the health sciences. The Osler Library has as its nucleus the 8,000 volumes bequeathed to McGill by one of its most famous pupils and teachers, Sir William Osler. Osler's original collection has been augmented by transfers from the Health Sciences Library, by other gifts and bequests and by an active purchasing program. The library offers a Research Fellowship, publishes a Newsletter and has an active Friends of the Osler Library group.

14.1.3 Humanities and Social Sciences Library (McLennen-Redpath Library)

McLennan Librarian (Acting) – John Robbins

The Humanities and Social Sciences Library, located in McLennan and Redpath Library Buildings, includes:

The Electronic Data Resources Service (EDRS) which is a new library service established in 1997. EDRS supports empirical or statistical research and teaching activities of McGill University students and faculty. EDRS acquires, manages and preserves electronic data files and associated resources. The electronic data collection holdings include Canadian Census, Social Surveys, major socio-economic databases and financial data.

The McLennan STACKS which serve the teaching and research needs of the Faculty of Arts, the School of Social Work and the Graduate School of Library and Information Studies, as well as the research needs of the Faculty of Religious Studies. The collection of close to 1.5 million volumes includes both monographs and serials in the humanities and social sciences.

The SERIALS AND MICROFORMS SERVICES Room houses current issues of over 3,600 journals and newspapers, as well as an extensive collection of microtexts including several large Canadiana, literature and history research collections.

The REFERENCE COLLECTION houses over 35,000 general and specialized reference sources of broad scope as well as specialized material complementing the subject scope of the McLennan Stacks collection. Access to over 200 indexing, abstracting and full-text databases, to electronic journals, and to the internet is available from more than 30 workstations in the Reference Area. A new 24-station electronic classroom, where users are instructed about electronic information resources is located next to the Reference Area.

The GOVERNMENT DOCUMENTS COLLECTION of over 380,000 documents, 11,000 monographs and 45,000 serial volumes has as its core the depository collections of Canadian and Quebec official documents as well as UN, ILO and European Union documents and a strong collection of British documents. There are several workstations providing access to CD-ROM and Internet resources.

The REDPATH LIBRARY Building houses the Reserves collection of course-related materials, the library instruction workshop, the Copy Service and a wide range of audio-visual material and equipment, including a screening room for classroom presentations and special equipment rooms for users with disabilities.

The BIRKS READING ROOM, located in the William and Henry Birks Building, serves the teaching needs of the Faculty of Religious Studies. The records of the nearby Presbyterian College Library are included in the McGill automated catalogue.

14.1.4 Nahum Gelber Law Library

Librarian – Robert Clarke

The NAHUM GELBER LAW LIBRARY, opened in 1998, is a state-of-the-art facility with a collection of over 160,000 volumes of statutes, regulations, law reports, treatises, journals and other legal material with a special emphasis on air and space Law, comparative law, international law (public and private), human rights, legal philosophy, environmental and medical law. It contains virtually all Canadian legal material including legislation and major law reports. The collection also has legal material from such jurisdictions as Great Britain, France, the United States, Australia, and New Zealand. Selected legal materials of certain other jurisdictions have also been acquired. The Library's special collections include the Wainwright Collection of early French Civil Law material and
the Rare Book collection of early Canadian, British, Scottish and American titles all housed in the Peter Marshall Laing Special Collections Room. The Nahum Gelber Law Library also prides itself on North America's most extensive collection of French legal theses as well as the John Humphrey Human Rights Collection. The Dobrin-Steinberg Computer Instruction Classroom, when not in use for teaching, may be used by law students for personal research. In addition, over 300 wired workspaces throughout the Library allow students to use personal laptop computers to use digitized documentation. There are also six Moot Team Preparation Rooms for the exclusive use of competitive moot teams and three group study rooms for use by McGill students.

14.1.5 Physical Sciences and Engineering Area

Librarian -- Hanna Waluzyniec.

The EDWARD ROSENTHALL MATHEMATICS AND STATISTICS LIBRARY is located in Room 1105 of Burnside Hall. It is the main location of the University’s journal collection in mathematics and statistics. The book collection also includes advanced research level books.

The PHYSICAL SCIENCES AND ENGINEERING LIBRARY is located in the Macdonald Stewart Library Building, with access via the campus lobby of the Frank Dawson Adams Building. The library has a collection of over 250,000 volumes of books and serials in the fields of aeronautics, astronomy, chemistry, computer science, energy, engineering management, environment, geologi cal sciences, history of science, mathematics, materials, meteorology, oceanography, pollution, physical geography, physics, polymers, robotics, science, soil mechanics, statistics, and transportation; chemical, civil, electrical and computer, mechanical, mining and metallurgical engineering.

The RARE BOOKS AND SPECIAL COLLECTIONS Division, located in the McLennan Library Building, with a collection of 200,000 rare items concentrates on literature, philosophy and history. Special collections include the Colgate collection on the history of printing, the Lande Collection of Canadiana, the Joseph A. Nathanson Collection of Lincoliniana, the antique map collection and the Redpath Tracts.

14.2 Computing Facilities

The Computing Centre (CC) facilitates access to and the use of computing and communications services and facilities which most appropriately meet the needs of research, instructional and administrative areas of the University. Services offered by the CC are: consultation, seminars, documentation, software licences and packages such as anti-virus software and communications software (McGill Internet Access Kits for PC or Mac), and computer sales and service. The CC provides access to the Internet (World Wide Web, electronic mail, newsgroups, etc.), the Library’s on-line systems MUSE (catalog) and PERUSE (periodical index) and the campus-wide information system, infoMcGill. The CC also supports RISQ, Quebec’s regional network, and the campus backbone inter-connecting local area networks on campus.

Most of the CC’s services are located on the second floor of Burnside Hall. Consultants are available to answer questions by phone, email and in person. Access codes and information can be obtained at the reception desk. Documentation is available via the Web (http://www.mcgill.ca/cc/publications).

The McGill Computer Store, located in room 1102 on the first floor, sells a full range of PC, Macintosh and UNIX hardware and software at educational prices.

Technical (repair) Services, located in room 1B50 in the basement, repairs and maintains many types of computer equipment including IBM, Apple, Packard Bell and more.

Each term, the CC provides free orientation workshops designed to help students access and use McGill’s computing and communications services and facilities. Information concerning scheduled workshops and seminars can be found on the Web (http://www.mcgill.ca/cc/seminars).

All new undergraduate McGill students will have a DAS (McGill’s Dial-up Access Services) username assigned to them when they are accepted, and which is enabled upon registration. This individualized username and information regarding DAS is included with the student’s letter of acceptance.

More information concerning the Computing Centre and available services can be found on the Computing Centre homepage (http://www.mcgill.ca/cc).

Computer Labs

In addition to the Computing Centre’s facilities, many departments and faculties provide computer labs for students in their programs. The following is a list of some of the labs at McGill. Contact the department or faculty directly for information concerning facilities and accessibility. A list of computing facilities at McGill and software available there, can be found on the Web (http://www.mcgill.ca/labs).

Departments:

- Atmospheric and Oceanic Sciences, Chemical Engineering, Earth and Planetary Science, Geography, Mathematics and Statistics
- Physical Education, Physics, Psychology

Faculties/Schools:

- Agricultural and Environmental Sciences, Arts, Computer Science, Education, Engineering, Law, Management, Medicine, Music/Electronic Music Studio, Physical and Occupational Therapy
- Other:
  - Computing Centre, Burnside Hall, Room 1B31, (514) 398-3697

Office for Students with Disabilities

Libraries

Residences

14.3 Archives

Director – Ms. Johanne Pelletier

The McGill University Archives preserves and makes available to researchers (including students) of all disciplines more than 4,000 metres of records of permanent value generated over the past 175 years by members of the McGill University community. The Archives also manages the University’s corporate memory and information assets through its Records Management Program. The Records Management Program regulates the flow of administrative records and protects vital evidence of University functions and activities according the Quebec archives and records legislation.

The Archives also offers an on-site reference room available for consulting records in the collection, including the papers of many individuals and organizations affiliated with the University or from the Montreal area. Sources include textual records, photographs, slides, audio-tapes, film and video, University publications, and some artifacts. Appointments with staff of the Archives are recommended for students wishing to use the collection for research or projects. Anyone interested in the collection is also encouraged to consult the website which includes a virtual exhibit on student life, on-line searching of the Archives holdings and access to digitized images.

University Archives and Records Management

McLennan Library - Ground Floor

Telephone: (514) 398-3772  Fax: (514) 398-8456

Website: http://www.archives.mcgill.ca
14.4 Museums

14.4.1 REDPATH MUSEUM

Director – Dr. Graham Bell

The Redpath Museum exists to foster the study of the history and diversity of the natural world. Its mandate includes geological, biological and cultural diversity. Its collections have been growing for over a century, and provide resources for research and for graduate and undergraduate education in biology, geology, anthropology and other fields. Among the largest collections are fossils from the ancient sea floor of eastern Quebec, the oldest land plants, a vast range of minerals, molluscs from around the world, Egyptian and classical antiquities, and artifacts from Central Africa. The Museum also houses research laboratories and classrooms.

The Museum extends a permanent invitation to McGill staff and students to visit its exhibits, which currently include Pharaonic mummys, dinosaurs and displays of Quebec biodiversity. The public is admitted free of charge.

General information - (514) 398-4086
Opening hours:
Monday to Friday 09:00 - 17:00
Sunday, 13:00 - 17:00
Closed on summer Fridays and holiday weekends

14.4.2 MCCORD MUSEUM OF CANADIAN HISTORY

Director – Dr. Victoria Dickenson

The Museum’s collection encompasses the following collection fields: Ethnology and Archaeology; Costume and Textiles; Notman Photographic Archives; Paintings, Prints and Drawings; Decorative Arts; and Archives. With a corpus of over 13,000 aboriginal artifacts drawn from across Canada, the McCord’s Ethnology and Archaeology collection is the most important of its kind in Quebec. A permanent gallery dedicated to the First Nations of Canada showcases displays that explore different facets of Native history. Comprised of more than 16,000 costumes and accessories, the McCord’s Costume holdings represent the most important collection of Canadian costumes in the country. The Notman Photographic Archives, containing a total of 750,000 historical photographs and some 200,000 glass plate negatives, form a unique pictorial record of Canada from pre-Confederation days to the present. More than 350,000 portraits, composite photographs and landscapes by other Canadian photographers complement the some 400,000 works produced by the Notman studio to form a corpus that represents the range of photographic processes employed between 1841 and 1935. The McCord houses paintings by such well-known artists as Théophile Hamel, James Pattison Cockburn and George Heriot, and others by a number of lesser-known but interesting recorders of the Canadian scene like Henry Bunnnett and William Hind. The Museum’s textual archives include 176 linear metres of documents relating to Canadian history.

The McCord offers exhibitions, guided tours, school program, archives, cultural activities, and lectures. Researchers welcome by appointment. Café, Boutique and access for the physically challenged.

Website: http://www.mcgill.ca/mccord/
General Information: (514) 398-7100.
Hours:
Tuesday to Friday, 10:00 – 18:00
Saturday and Sunday, 10:00 – 17:00
Free admission – Saturday, 10:00 – 12:00

14.4.3 LYMAN ENTOMOLOGICAL MUSEUM AND RESEARCH LABORATORY

Director – Professor T.A. Wheeler
Curator – Professor C.-C. Hsiung, (514) 398-7915.

Located on the Macdonald Campus, this institution has the largest insect collection of any Canadian university, and is second in both numbers of species and specimens only to the Canadian National Collection of Insects, Ottawa. As its main function is research and teaching, and not exhibition, it is not generally open to the public, but interested parties are encouraged to visit by appointment.

14.4.4 OTHER HISTORICAL COLLECTIONS

In addition to the above, there are other collections and exhibits of a specialized nature, ordinarily open only to students but to which access may be gained by application to the department concerned. These include the Anatomical and Pathological Museums.

The Physics Department has two specialized collections which may be viewed by appointment. The Rutherford Museum contains original apparatus and other items used by Professor Ernest Rutherford in his Nobel Prize-winning research on radioactivity at McGill University, 1898-1907. The McPherson Collection comprises a wide range of historical apparatus and instruments used for measurements and investigations, with special emphasis on 19th-century physics. For visits to either collection, phone Dr. Montague Cohen at (514) 398-7498.

15 The University

15.1 History

The Hon. James McGill, a leading merchant and prominent citizen of Montreal, who died in 1813, bequeathed an estate of 46 acres called Burnside Place together with $10,000 to the "Royal Institution for the Advancement of Learning" upon condition that the latter erect "upon the said tract or parcel of land, an University or College, for the purpose of education and the advancement of learning in this Province"; and further upon condition that "one of the Colleges to be comprised in the said University shall be named and perpetually be known and distinguished by the appellation of 'McGill College'."

At the time of James McGill's death, the Royal Institution, although authorized by law in 1801, had not been created but was duly instituted in 1819. In 1821 it obtained a Royal Charter for a university to be called McGill College. Further delay was occasioned by litigation, and the Burnside estate was not acquired until March 1829. The Montreal Medical Institution which had begun medical lectures at the Montreal General Hospital in 1822 was accepted by the College as its Faculty of Medicine in June 1829. After further litigation, the College received the financial endowment in 1835 and the Arts Building and Dawson Hall were erected. The Faculty of Arts opened its doors in 1843.

Progress, however, was slow until the 1821 Charter was amended in 1852 to constitute the members of the Royal Institution as the Governors of McGill College. Since that time the two bodies have been one. It was first called "The University of McGill College" but in 1885 the Governors adopted the name "McGill University". Even after the amended charter was granted, little advance was made until 1855 when William Dawson was appointed Principal. When he retired 38 years later, McGill had over 1,000 students and the Molson Hall (at the west end of the Arts Building), the Redpath Museum, the Redpath Library, the Macdonald Buildings for Engineering and Physics, and a fine suite of medical buildings had been erected.

Since then the University has continued to grow vigorously. In 1884 the first women students were admitted and in 1899 the Royal Victoria College was opened, a gift of Lord Strathcona, to provide separate teaching and residential facilities for women students. Gradually, however, classes for men and women were merged.

In 1907 Sir William Macdonald established Macdonald College at Sainte-Anne-de-Beaupre, as a residential college for Agriculture, Household Science, and the School for Teachers. Those components have since become the Faculty of Agricultural and Environmental Sciences, which includes the School of Dietetics.
and Human Nutrition on the Macdonald Campus, and the Faculty of Education located on the downtown campus. The University’s general development has been greatly facilitated by the generosity of many benefactors, and particularly by the support of its graduates, as regular public funding for general and capital expenditures did not become available until the early 1950s. Since that time government grants have become a major factor in the University’s financial operations, but it still relies on private support and private donors in its pursuit of excellence in teaching and research.

The University now comprises 12 faculties and 10 schools. At present over 20,000 students are taking regular university courses; one in four is registered in the Faculty of Graduate Studies and Research.

The University is also active in providing courses and programs to the community through the Centre for Continuing Education which serves nearly 10,000 students per semester.

15.2 Incorporated and Affiliated Colleges

INCORPORATED COLLEGE

Royal Victoria College
3425 University Street, Montreal, QC, H3A 2A8
The Royal Victoria College, a non-teaching college of McGill University, provides residential accommodation for women students.

AFFILIATED THEOLOGICAL COLLEGES

Montreal Diocesan Theological College
3473 University Street, Montreal, QC, H3A 2A8
Principal
J. M. Simons, B.A.(Bishop’s), S.T.B(Trinity,Toronto), Ph.D.(Georgetown)

Presbyterian College of Montreal
3495 University Street, Montreal, QC, H3A 2A8
Acting Principal
F. Wisse, Ing.(Utrecht), B.A., B.D.(Calvin, Mich), Ph.D.(Claremont)

United Theological College of Montreal
3521 University Street, Montreal, QC, H3A 2A9
Principal
Jean Barkley, B.A.(Queen’s), M.Div.(Emmanuel, Toronto)

The above three colleges train students for the ministry and grant certificates for ordination but they have remitted their degree-granting powers, except with respect to the M.Div. and honorary doctorates, to the University.

15.3 University Government

McGill University is a corporation created by a Royal Charter granted by the Crown of the United Kingdom, a general supervisory power being retained by the Crown and exercised through the Governor General as Visitor.

The Governors of the University constitute the Royal Institution for the Advancement of Learning, a corporation existing under the laws of the Province of Quebec. In them is vested the management of finances, the appointment of professors, and other duties. Twenty-five of the governors are elected by the Board from amongst those nominated by its membership committee; five are elected by the Alumni Association; four are elected by Senate from amongst its members, three elected by the full-time administrative support staff from amongst its members, two elected by the full-time academic staff, and four elected by students from amongst the student body. The Board elects the Chancellor of the University and also, from amongst its members, a chair to preside at its meetings, who may also be the Chancellor. The Chancellor, the Principal, and the President of the McGill Students’ Society are ex officio members.

The Chancellor is presiding officer of Convocation and of joint sessions of the Board of Governors and the Senate.

The Chair of the Board of Governors is President of the Royal Institution for the Advancement of Learning.

The Principal and Vice-Chancellor is the academic head and chief administrative officer of the University appointed by the Board of Governors after consultation with a Statutory Committee to Nominate a Principal. The Principal is, ex officio, Chair of Senate.

The Senate is the highest academic authority of the University and has control over admission, courses of study, discipline, and degrees. The regulations of Senate are executed by the various faculties and schools which also carry primary responsibility for the educational work of the University.

15.4 Student Government

All students registered in the University are members of the Students’ Society except for students governed by the constitutions of the Macdonald College Students’ Society and the Post Graduate Students’ Society, those students registered in the Faculty of Graduate Studies and Research who are non-resident students or full-time members of the teaching staff, and student members of the McGill Association of Continuing Education Students.

Full details of the constitution, officers and committees of the Students’ Society are available from the Students’ Society.
16.2 Deans of Faculties and Directors of Schools

DEBORAH BUSZARD, B.Sc.(Bath), Ph.D.(Lond.)
Agricultural and Environmental Sciences
CARMAN MILLER, B.A., B.Ed.(Acad.), M.A.(Dal.), Ph.D.(Lond.)
Arts
JAMES LUND, B.D.M.(Adelaide), Ph.D.(W.Ont.)
Dentistry
RATNA GHOSH, B.A.(Calcutta), M.A., Ph.D.(Calg.)
Education
Engineering (to May 31, 1999)
T.B.A.
Engineering (from June 1, 1999)
PIERRE R. BÉLANGER, B.Eng.(McG.), S.M.E.E., Ph.D.(M.I.T.)
Graduate Studies and Research
STEPHEN TOOPE, M.A.(Harv.), B.C.L., LL.B.(McG.), A.M.(Harv.), Ph.D.(Cantab.)
Law (to May 31, 1999)
T.B.A.
Law (from June 1, 1999)
WALLACE CROWSTON, B.A.Sc.(Torr.), S.M.(M.I.T.), M.Sc.,
Ph.D.(Carnegie-Mellon)
Management
ABRAHAM FUKS, B.Sc., M.D., C.M.(McG.), F.R.C.P.(C.)
Medicine
RICHARD LAWTON, B.Mus.(McG.), M.Mus.(Indiana)
Music
B. BARRY LEVY, B.A., M.A.(Yeshiva), Ph.D.(N.Y.U.)
Religious Studies
ALAN G. SHAEVER, B.Sc.(Car.), Ph.D.(M.I.T.)
Science

16.3 Board of Governors
(As of January 1999)

VISITOR
His Excellency The Right Honourable ROMÉO LÉBLANC, P.C., C.C., C.M.M., C.D., B.A.(St-Joseph)
Governor General of Canada

THE BOARD OF GOVERNORS
GRETTA CHAMBERS, C.M., O.O., B.A.(McG.)
Chancellor (to June 30, 1999)
RICHARD W. POUND, O.C., O.Q., Q.C., B.A., B.Com.(McG.),
B.A.(Sir G.Wms.), B.C.L.(McG.)
Chancellor
RICHARD W. POUND, O.C., O.Q., Q.C., B.A., B.Com.(McG.),
B.A.(Sir G.Wms.), B.C.L.(McG.)
Chair of the Board of Governors (to June 30, 1999)

T.B.A.
Chair of the Board of Governors (from July 1, 1999)
BERNARD J. SHAPIRO, B.A.(McG.), M.A.T., Ed.D.(Harv.)
Principal and Vice-Chancellor

Members-at-Large
TULLIO CEDRASCHI, B.A.(McG.)
JOHN CLEGHORN, B.Com.(McG.)
MARVIN CORBER, F.C.A.
GAEL EAKIN, B.A.(McG.)
KAPPY FLANDERS
SHEILA FRASER, B.Com.(McG.)
MARIE GIGUÈRE, B.A.(Mtl.), B.C.L.(McG.)
CLAude JOUBERT, B.Com.(McG.)
ALEXANDER E. KALIL, B.A.(Harv.)
SHEILA KUSSNER, B.A.(McG.)
ARTHUR LAU, B.Arch.(McG.)
TONY METI, B.Comm.(C'dia)
ADRIEN POULIOT, LL.L.(Sherbrooke)
VIVIENNE POY, B.A.(McG.)
ROBERT RABINOVITCH, B.Com.(McG.), M.A., Ph.D.(Penn.)
JEREMY H. REITMAN, A.B.(Dart.), B.C.L.(McG.)
ROBERT RITCHIE, B.Sc.(McG.)
WARREN SIMPSON, B.Com.(Sir G.Wms.), L.Acc.(McG.), C.A., F.C.A.
GORDON S. SMITH, B.A.(McG.), Ph.D.(M.I.T.)
HARRIET STAIRS, B.A.(McG.)
MANON VENNAT, B.C.L.(McG.)
GÉRARD VEILLEUX, O.C.

Alumni Association
BARRIE BIRKS, B.A.(McG.)
DAVID D. COHEN, B.A.(McG.)
ROBERT W. FAITH, B.A., D.D.S.(McG.)
GAIL JOHNSON, B.A.(McG.)
JAMES G. WRIGHT, B.A., B.C.L.(McG.)

Senate Representatives
MALCOLM BAINES, B.Sc., M.Sc., Ph.D.(Queen's)
PATRICK G. FARRELL, B.Sc., Ph.D., D.Sc.(Exeter)
EDWARD J. MEIGHEN, B.Sc.(Alta.), Ph.D.(Calif.)
FAITH WALLIS, B.A., M.A., M.L.S.(McG.), L.M.S.(P.I.M.S.), Ph.D.(Tor.)

Academic Staff Representatives
GRAHAM BELL, B.A., D.Phil.(Oxon.)
