1 Introduction

1.1 Entrance Awards

Entrance Scholarships
Entrance Scholarships are awarded to students entering McGill University for the first time to undertake their first full-time undergraduate degree program. Transfer, Mature, Diploma, Exchange, Special, Part-time and Visiting students are not eligible for consideration.

Awards range in value from $3,000 to $10,000. There are two types of entrance scholarships: the One-year, whereby eligibility is based solely on academic achievement, and the renewable Major, based on outstanding academic achievement as well as leadership qualities in school and community activities. Simply by applying to McGill, all eligible candidates are automatically considered for the One-year scholarship. No separate application is required. Candidates will be able to apply for a Major scholarship on the web after their application for admission has been submitted and they have received an email acknowledgment of their admissions application. Financial need is not considered in the granting of scholarships; they are entirely merit-based. All renewable awards are tenable provided the criteria for renewal are met. By applying to McGill, all eligible candidates are automatically considered for the One-year scholarship. No separate application is required. Candidates will be able to apply for a Major scholarship on the web after their application for admission has been submitted and they have received an email acknowledgment of their admissions application. Financial need is not considered in the granting of scholarships; they are entirely merit-based. All renewable awards are tenable provided the criteria for renewal are met.

The Faculty of Agricultural and Environmental Sciences and the Schulich School of Music also administer some entrance scholarships for students applying to their programs. Applicants should contact their respective Admissions offices for additional information. Applicants to the Faculties of Dentistry, Law, or Medicine should inquire at the respective Faculty's admissions office regarding available funds.

Detailed information on entrance scholarships is available on www.mcgill.ca/studentaid/scholarships.

Entrance Bursaries
Entrance Bursaries are offered to students entering university for the first time to undertake a full-time undergraduate degree program. Transfer, Mature, Diploma, Exchange, Special and Visiting students are not eligible for consideration.

Awards range in value up to $10,000 and are based on academic standing and demonstrated financial need. Some of these bursaries are renewable and are tenable until completion of an undergraduate degree, up to a maximum of four years, provided the criteria for renewal (financial need and academic standing) are met. There are no separate applications for individual bursaries.

Students wishing to be considered for need-based awards may apply for Entrance Financial Aid via the Financial Aid Menu on Minerva once they have been accepted to the University.

Athletic Awards for Entering Students
There are a limited number of awards for students who are admitted to McGill and are possible candidates for intercollegiate teams. There are no applications for these awards. They are granted by the McGill Athletics Board Awards Committee on the recommendation of the team coaches. See "Entrance and In-Course Athletic Awards", section 6.1.

1.2 In-Course Awards

In-Course Scholarships and Awards
These awards are for students already at McGill who are in full-time undergraduate degree programs and will be continuing in full-time undergraduate degree programs.

Outstanding students, who rank in at least the top 5% of their faculties, may be considered for in-course awards. These awards are made on the recommendation of the individual faculties and schools on the basis of the combined GPA for the Fall and Winter terms and criteria such as program content and number of credits. Applications are not required unless specifically indicated in the terms of an award. To be considered for in-course awards and/or the renewal of entrance scholarships, students must complete at least 27 graded credits in the regular academic year exclusive of courses completed under the Satisfactory/Unsatisfactory option. Summer courses are not considered except for certain Co-op programs. Courses taken at other Quebec universities through the Inter-University Transfer Agreement, to a maximum of six credits, may be counted towards the requirements for scholarship renewal or for consideration for other academic awards. Eligibility will be based on all courses taken during the regular academic year and on both the McGill GPA as well as the global GPA which will include the IU credits.

A maximum of the top 10% of the students in each faculty, based on the combined GPA for the Fall and Winter terms, are named to the Dean's Honour List. This designation, while carrying no monetary reward, is an official University recognition of the student's achievements and is recorded on the transcript.

General information and regulations are available in "Awards to McGill Students In-Course", section 3 and at www.mcgill.ca/studentaid/scholarships/current.

In-Course Financial Aid
In-course financial aid (bursaries and loans) is available to students already at McGill who are registered in full-time undergraduate degree programs. In all cases, the primary criteria for need-based assistance is demonstrated financial need. Students experiencing financial difficulties may apply for aid via the Financial Aid Menu on Minerva commencing August 1st of the upcoming academic year. Financial assistance is awarded on a rolling basis throughout the academic year; the values of awards vary depending on the degree of need of the student and/or family. The Scholarships and Student Aid Office also offers a Work Study program that provides on-campus job opportunities to students in need.

All in-course financial aid applicants must apply for the government assistance program for which they may be eligible. Information on financial assistance is available at www.mcgill.ca/studentaid.

Athletic Awards for In-Course Students
There are a few awards for students who are members of intercollegiate teams. Applications are required and are usually available in September. See "Entrance and In-Course Athletic Awards", section 6.1, for more information.

Activity Awards for In-Course Students
There are some awards which are based on more than just academic standing and require submissions from students. A list of such awards is in "Activity Awards", section 5.

1.3 Graduation Awards

Graduation awards are available for students who will be graduating with an undergraduate degree. All awards to graduating students are granted by individual faculties and schools and are included in the In-Course Awards sections of this Calendar; see "Awards to McGill Students In-Course", section 3.

1.3.1 Graduation Honours: Dean's Honour List
If you are graduating with an undergraduate degree, you may be awarded the designation Dean's Honour List under the following conditions:
1. you have completed a minimum of 60 McGill credits towards your degree; and
2. you are in the top 10% of the faculty's graduating class of students; this calculation is based on the CGPA.

Note for transfer students: This designation may be withdrawn if your CGPA at another university or in another faculty at McGill is not comparable to the CGPA earned in your graduating faculty.
1.3.2 Graduation Honours: Distinction

If you are graduating with an undergraduate degree, you may be awarded the designation Distinction under the following conditions:

1. you have completed a minimum of 60 McGill credits towards your degree; and
2. you are in the top 25%, but below the top 10%, of your faculty's graduating class of students; this calculation is based on the CGPA.

Note for transfer students: this designation may be withdrawn if your CGPA at another university or in another faculty at McGill is not comparable to the CGPA earned in your graduating faculty.

Note: the Faculties of Education, Dentistry, Law, Medicine, and the School of Nursing, as well as the School of Continuing Studies do not assign the designation of Distinction to graduating students.

Note: the designation of Great Distinction is no longer awarded at graduation. Prior to September 2009, Distinction and Great Distinction were awarded at graduation according to faculty-specific regulations. You can find these rules in the faculty chapters of the 2008-2009 Undergraduate Programs Calendar or any earlier version at www.mcgill.ca/students/courses/calendars.

1.4 External Awards

These are awards which are administered by associations or organizations outside of McGill. Information about external awards is located in a variety of places at McGill such as individual academic departments and the Office of the Dean of Students. Interested students should consult www.mcgill.ca/studentaid/externalawards. The Career Planning Service (CaPS) maintains a large listing of external awards and has numerous directories which students can consult. Information is available at www.mcgill.ca/caps/students/awards.

2 Entrance Scholarships and Awards

2.1 General Information

McGill University has an extensive program of entrance awards to recognize and honour scholarship. These are entirely merit-based and financial need is not considered. Only students entering the University for the first time to undertake a full-time undergraduate degree program are eligible.

The McGill website www.mcgill.ca/studentaid/scholarships/prospective/criteria provides detailed information on entrance awards including minimum academic requirements and deadline dates. Students wishing to be considered for awards must submit all supporting scholarship documents by the appropriate deadline. There are no separate applications for One-year scholarships, only for Major scholarships, and students do not apply for individual scholarships.

All renewable awards are tenable provided the criteria for renewal are met. Students holding renewable scholarships granted by the Committee on Enrolment and Student Affairs must complete at least 27 graded credits (not including courses taken under the satisfactory/unsatisfactory option) in an undergraduate degree program at McGill during the regular academic year to be eligible for renewal. Summer courses are not considered.

Students who are registered for only one term must complete 14 graded credits. The academic standing required for renewal is based on the combined GPA for all courses taken during the Fall and Winter terms and varies across faculties.

For example, scholarships awarded to CEGEP students entering the medical program are renewable provided the recipient achieves Dean's Honour List standing (top 10%) at the end of the Med-P year in Science and at the end of each promotion period in Medicine. Scholarships awarded to CEGEP students entering the B.C.L./LL.B. program in the Faculty of Law are renewable provided the recipient's combined GPA places them in the top 10% of their cohort at the end of every academic year.

Students who have relinquished their awards during their studies at McGill may, upon their return to McGill University, request reinstatement. Students making such a request should ensure that the Scholarships and Student Aid Office receives a copy of the letter of readmission.

Inquiries concerning undergraduate entrance scholarships should be referred to the Scholarships and Student Aid Office in the Brown Student Services Building. Detailed information and regulations for entrance scholarship recipients are available on www.mcgill.ca/studentaid/scholarships/prospective/regulation.

3 Awards to McGill Students In-Course

3.1 General Information
Faculty in-course scholarships and awards are made by the individual Faculty Scholarships Committees, and students should consult the appropriate section of this Calendar for regulations and information concerning these awards.
Most undergraduate scholarships and awards are granted on the basis of the combined GPA for the Fall and Winter terms and applications are not required unless specifically indicated in the terms of an award.
To be considered for in-course awards and/or the renewal of entrance scholarships, students must complete at least 27 graded credits in the regular academic year exclusive of courses completed under the Satisfactory/Unsatisfactory option. Summer courses are not considered. Courses taken at other Quebec universities through the Inter-University Transfer Agreement, to a maximum of six credits, may be counted towards the requirements for scholarship renewal or for consideration for other academic awards. Eligibility will be based on all courses taken during the regular academic year and on both the McGill GPA as well as the global GPA which will include the IUT credits.
To receive full payment of an award, students must be registered as full-time (i.e., at least 12 credits per term) in a McGill undergraduate degree program for the entire academic year; otherwise, the award, or part of it, may be cancelled. For instance, a student who is registered full-time for only one-half of the academic year will receive only one-half of the value of the award. A maximum of the top 10% of the students in each faculty will be named to the Dean’s Honour List. This designation, while carrying no monetary reward, is an official University recognition of the student's achievements and is recorded on the transcript. Individual faculties should be consulted regarding any additional criteria which may be used.
All awards, with the exception of prizes, are credited to the tuition fee accounts of students for the following academic year.
For information concerning payment and all regulations regarding in-course awards for undergraduates, students must consult www.mcgill.ca/studentaid/scholarships/current/eligibility.

Value: $1,400.

JOHN BLAND SCHOLARSHIP IN ARCHITECTURE
Established in 1998 by a generous gift from a McGill graduate of Chemical Engineering (Class of 1959), from Hong Kong, in honour of Professor John Bland, Director of the School of Architecture between 1941 and 1972. Awarded by a committee of staff of the School of Architecture to a graduating student to support work in China.
Value: varies. One award available.

ABE AND JENNIE BROCK AWARD
To a second-year student in Mechanical Engineering with a good academic record who needs financial assistance. Awarded on the recommendation of the Department.
Value: $350.

BRODEUR-DRUMMOND SCHOLARSHIPS
Established in 2009 by James H. Brodeur, B.Eng. 1956, for outstanding undergraduate students who have completed at least one year of a B.Eng. program in the Faculty of Engineering. Awarded by the Faculty of Engineering on the basis of high academic standing and overall contribution to University life.
Value: varies.

RICHARD BROWN INTERNATIONAL SCHOLARSHIP
Established in 2009 by Richard Brown, B.Eng. 1961, for outstanding undergraduate students who have completed at least one year of a B.Eng. program in the Faculty of Engineering. Awarded by the Faculty of Engineering on the basis of high academic standing. Preference will be given to students from developing nations in Africa and other similar developing nations.
Value: varies.

ROBERT BRUCE SCHOLARSHIPS
Bequeathed by the late Robert Bruce of Quebec City, in 1923. Two scholarships, awarded for high academic standing to students entering the final year by the Faculty of Engineering Scholarships Committee.
Estimated value: $750 each.

CAE SCHOLARSHIP IN ENGINEERING EXCELLENCE
Established in 2002 by CAE Inc. Founded in 1947, CAE is a global leader in the provision of simulation and control technologies and training solutions for aerospace, defence and marine markets. Awarded on the basis of high academic standing by the Faculty of Engineering Scholarships Committee. Preference shall be given to students entering the final year of undergraduate studies in either the Department of Electrical and Computer Engineering or the Department of Mechanical Engineering.
Value: minimum $2,000.

CAMBIOR-LOUIS GIGNAC SCHOLARSHIP IN MINING ENGINEERING
Established in 2007 by BMO Capital Markets in recognition of the twenty-year contribution of Cambior Inc. and its CEO, Dr. Louis Gignac, mining engineer, to the mining industry in Quebec and internationally. Awarded by the Faculty of Engineering on the recommendation of the Department of Mining and Materials Engineering to an outstanding undergraduate student pursuing a full-time degree in Mining Engineering.
Estimated value: $3,000.

CHRISTIE-STEINMETZ AWARD
Value: $650.
CLASS OF 1951 STRUCTURAL ENGINEERING PRIZE
Awarded to a Civil Engineering undergraduate student who has achieved the highest grades in the structural engineering core courses. In the case where two students are considered equal on this basis, other achievements or experience related to structural engineering shall be considered. Awarded by the Faculty of Engineering Scholarships Committee on the recommendation of the Department of Civil Engineering and Applied Mechanics.
Estimated value: $300.

CLASS OF 79 TRAVELLING SCHOLARSHIP
Established in 2007 with gifts from the B.Arch. Class of 1979. Awarded by the School of Architecture to an undergraduate or graduate student in the professional program to support participation in a student exchange program.
Estimated value: $900.

CLASS OF '83 SCHOLARSHIPS
Established in 2010 by members of the Engineering Class of 1983, for outstanding undergraduate students who have completed at least one year of a B.Eng. program in the Faculty of Engineering. Awarded by the Faculty of Engineering on the basis of high academic standing and overall contribution to University life.
Value: varies.

PETER COLLINS PRIZE
A book prize, donated by the Canadian Centre for Architecture Bookstore, awarded to the student in the School of Architecture obtaining the highest standing in the area of architectural history. Awarded by the Faculty of Engineering Scholarships Committee on the recommendation of the School of Architecture.

RALPH M. COLLINS AND RUTH GILMOUR COLLINS MEMORIAL SCHOLARSHIP IN ENGINEERING
Established in 2005 in memory of Ralph M. Collins, an engineering graduate from the University of Alberta, and Ruth Gilmour Collins, B.A. 1935, for outstanding undergraduate students having completed at least one year of a B.Eng. program. Awarded on the basis of high academic standing by the Faculty of Engineering Scholarships Committee.
Value: minimum $3,000.

ALLEN COOK PRIZE IN CIVIL ENGINEERING
Bequeathed by the late Professor Allen R. Cook, formerly Professor in the Department of Civil Engineering and Applied Mechanics and awarded to a student in the graduating class who secures the highest standing in subjects relating to Transportation Engineering. Awarded by the Faculty of Engineering Scholarships Committee on the recommendation of the Department of Civil Engineering.
Value: $500.

RAYMOND COX PRIZE IN CIVIL ENGINEERING
Established in memory of Raymond Cox, professor of Civil Engineering and Applied Mechanics from 1968 to 1995. Awarded to a student in the graduating class who secures the highest standing in subjects related to Fluid Mechanics and Hydraulics. Awarded by the Faculty of Engineering Scholarships Committee on the recommendation of the Department of Civil Engineering.
Value: $250.

TED (R.E.) CROSSEY MEMORIAL SCHOLARSHIP
Established in 2009 by Crossey Engineering Ltd. in honour of their founder, Ted Crossey, B.Eng. 1949. Awarded by the Faculty of Engineering to one or more outstanding students who have completed at least one year of a B.Eng. program in Mechanical Engineering in the Faculty of Engineering.
Estimated value: varies.

BRIAN CULLEN MEMORIAL AWARD
Established in 1988 by his family, friends, and colleagues at Pratt & Whitney (Canada) as a tribute to his professional dedication and competence as an engineer, his appreciation and active participation in a diversity of activities and for his strength of purpose and understanding with family and friends. Awarded to an undergraduate Engineering student in good academic standing who demonstrates qualities of leadership and who is notable for his/her broad interest in studies and activities outside of the University. ERIM KUMBARACIBASI BURSARY FUND
Established by Northern Telecom colleagues in memory of their friend Erin Kumbaracibasi, to assist worthy students in the second year of Electrical Engineering. Awarded on the basis of academic record and financial need.
Value: $600.

MURDOCH LAING PRIZE
For the design of a medium cost city house, established by the late Mrs. Florence B. Laing in memory of her son (formerly a student in the School of Architecture) who was killed at Courcelette in 1916 while serving with the 24th Canadian Infantry Battalion. Awarded in a competition held during the summer following completion of course ARCH 304.
Value: $1,300.

DONALD J. LARONDE SCHOLARSHIP
Established by Agnico-Eagle Mines Limited in memory of Donald J. Laronde who graduated in Mining Engineering in 1953. Mr. Laronde was a well-known mining engineer who was largely responsible for the success of Agnico-Eagle’s Quebec corporations. Given annually to an undergraduate Mining Engineering student in good academic standing whose intention it is to pursue
a career in mine operations. Awarded on the recommendation of the Department of Mining and Materials Engineering. Value: $1,000.

RICHARD S. LEA TUTORIAL BURSARIES
The late Mrs. Wanda Lea, widow of the late Richard S. Lea, Consulting Engineer and graduate in Applied Science of McGill University, provided a fund of $5,000, the revenue of which provides bursaries given to suitable students in their last two years of Engineering. Apply in writing to the Dean's Office on or before September 15.

MAUDE TOYE LEE SCHOLARSHIP
Established in 2005 by Robert G.H. Lee, Dr. G.R. Heffernan and the Faculty of Engineering for an outstanding undergraduate student who has completed at least one year of a B.Eng. program. Awarded on the basis of high academic standing by the Faculty of Engineering Scholarships Committee. Preference given to a female student in the Department of Chemical Engineering. Value: minimum $2,500.

WILLIAM U. LEE MEMORIAL SCHOLARSHIP
Established in 2003 by the Lee family in memory of William U. Lee, B.Eng. 1945, who passed away in 1947 after a brief engineering career with Fraser Brace at Chalk River, Ontario. Awarded to an outstanding undergraduate student who has completed at least one year of a degree program in the Department of Mechanical Engineering. Awarded on the basis of high academic standing and qualities of leadership and community activity by the Faculty of Engineering Scholarships Committee. Value: minimum $4,000.

FREDERIC J. LEMAÎTRE AWARD
To a worthy student in the penultimate year of the undergraduate program in Chemical Engineering. Awarded on the recommendation of the Department. Value: $1,000.

KENNETH YOUNG LOCHHEAD SCHOLARSHIP
Bequeathed by the late Kathleen Mary Lochhead in memory of her husband Kenneth Young Lochhead and awarded to an undergraduate student who secures high scholastic standing in the Faculty of Engineering. Awarded by the Faculty of Engineering Scholarships Committee. Value: $2,700.

H.M. MACKAY MEMORIAL SCHOLARSHIP
Established in 1932 as a memorial to the late Henry M. Mackay, formerly Dean of the Faculty of Engineering. Awarded to a Canadian citizen or Permanent Resident in the first year in Engineering. Value: $1,800.

DR. ALFRED S. MALOWANY MEMORIAL PRIZE
Established in 2001 by his wife Evelyn, M.Sc. 1963, children Morie, B.Eng. 1987, M.Eng. 1989 and Stephen, relatives, friends and former students in recognition of the dedication of Dr. Alfred S. Malowany, B.Eng. 1959, M.Eng. 1962, Ph.D. 1967, as a teacher and mentor in the Department of Electrical and Computer Engineering. Dr. Malowany spent 43 of his 61 years at McGill; his fulfillment was in his interactions with his graduate students. Awarded to a graduating student by the Faculty of Engineering Scholarships Committee upon recommendation of the Department of Electrical and Computer Engineering. Preference will be given to a female student in good academic standing who intends to pursue graduate studies in the Department of Electrical and Computer Engineering. Value: minimum $500.

MAUT SCHOLARSHIP
Established by the McGill Association of University Teachers in memory of the 14 women murdered at École Polytechnique in December 1989 because they were women. This scholarship is intended to encourage women to enter the Faculty of Engineering. Awarded each year by the Faculty of Engineering Scholarships Committee to an undergraduate woman on the basis of academic merit. Value: $1,100.

MCGILL ALUMNAE ETHEL HURLBATT SCHOLARSHIP
Established in memory of the late Miss Ethel Hurlbatt, a former Warden of the Royal Victoria College. Awarded to a distinguished woman student in the Faculty of Engineering including Architecture. Value: $2,000.

MCGILL ALUMNAE 75TH ANNIVERSARY SCHOLARSHIP
Established in honour of the Alumnae Society's 75th anniversary. Awarded to a distinguished woman student in the Faculty of Engineering including Architecture. Value: $2,000.

MCGILL ALUMNAE SOCIETY PRIZES
Two prizes presented upon graduation to distinguished students for excellence and high academic standing. Preference given to women students. One prize is available for a student in Engineering and the other for a student in Architecture. Value: $150 each.

MCGILL/ÉCOLE POLYTECHNIQUE MEMORIAL PRIZE
Established in 1990 by the McGill Engineering community in commemoration of the 14 women who lost their lives as a result of the massacre aimed at women engineering students that took place on December 6th, 1989, at École Polytechnique. Two prizes awarded annually, one to a graduating student at any degree level at École Polytechnique and one to a graduating student at any degree level at McGill University. Awarded to a student in recognition of contributions to making engineering a profession open to the talents of all men and women. Awarded by the Faculty of Engineering Scholarships Committee on the recommendation of the Departments. Value: $700 each.

THE IAN MCLACHLIN PRIZES FOR ENTREPRENEURSHIP IN ENGINEERING
Two prizes, established by Ian McLachlin, B.Eng. 1960, to encourage Engineering students to undertake courses in Entrepreneurial Studies in the Desautels Faculty of Management. Awarded to Engineering students with high academic standing having completed at least one year of studies who can present a short essay outlining the most innovative concept that has the potential to be commercialized and who are registered in a course under the auspices of The Dobson Centre for Entrepreneurial Studies. Awarded by the Desautels Faculty of Management Scholarships Committee in conjunction with the Faculty of Engineering and The Dobson Centre for Entrepreneurial Studies. Students who wish to be considered can obtain information and application packages from the Student Affairs Office in the Desautels Faculty of Management.

MR. AND MRS. T.R. MCLAGAN SCHOLARSHIPS
Four awards for outstanding students entering the final year of Electrical Engineering and Mechanical Engineering (two in each department) who are judged to be the best in terms of academic performance, leadership and citizenship. In cases where two or more students are judged equal on this basis, the financial needs of the candidates shall be considered and preference given to the student whose need is greatest. Value: $2,000 each.

BEVERLY AND ARTHUR MENDEL FAMILY SCHOLARSHIPS
Established in 2010 by Beverly Mendel and Arthur Mendel, B.Eng. 1944, for outstanding undergraduate students who have completed at least one year of the B.Eng. program in the Faculty of Engineering. Awarded on the basis of high academic standing by the Faculty of Engineering. Value: varies.
MONTREAL WOMEN’S ASSOCIATION OF THE CANADIAN INSTITUTE OF MINING, METALLURGY, AND PETROLEUM BURSARIES
Two bursaries, one to a student in Mining Engineering and one to a student in Materials Engineering. Awarded on the recommendation of the Department. Preference will be given to women students. 
Value: $800 each.

R.G.K. MORRISON AWARD
Established in honour of Prof. R.G.K. Morrison, Chairman of the Department of Mining Engineering and Applied Geophysics 1949-1966. Kerr Addison Mines Limited is responsible for supporting this award. Awarded upon the recommendation of the Department of Mining and Materials Engineering to a student in the Mining Engineering course. If there is no suitable candidate for a particular year at the undergraduate level, the award may become available to a graduate student in Mining Engineering.
Value: $3,000.

MOTOROLA FOUNDATION SCHOLARSHIPS IN ELECTRICAL AND COMPUTER ENGINEERING
Established in 2001 by the Motorola Foundation in conjunction with Motorola Canada Software Centre (MCSC) for outstanding students having completed at least one year of study in the area of Electrical, Computer or Software Engineering. Awarded on the basis of high academic standing by the Faculty of Engineering Scholarships Committee. Preference will be given to Canadian citizens or Permanent Residents of Canada with an interest in wireless telecommunications or communications. Additional consideration will be given to students demonstrating teamwork and leadership qualities. 
Value: minimum $2,000.

JOHN NEWMAN MEMORIAL AWARD
Established in 1989 through a generous donation from the family of John Newman, B.Eng. 1950, in recognition of his spirited leadership during his McGill college days and for his many unique faculty and class projects as a distinguished McGill graduate. Awarded by the Faculty of Engineering Scholarships Committee to a second-year student in good academic standing who has demonstrated leadership in extracurricular activities, with preference to intercollegiate football. 
Value: $1,300.

WILFRED ONIONS MEMORIAL PRIZE
Established in 1991 in memory of Wilfred Onions, B.Arch. 1932, by family, friends and fellow graduates in Bermuda. This prize commemorates his passion for sketching and life-long commitment to the profession of architecture, and is awarded by a committee of staff of the School of Architecture to the student with the best single work in the Sketching School. 
Value: $450.

ORDRE DES INGÉNIEURS DU QUÉBEC SCHOLARSHIP
To a final year student in the Faculty of Engineering who was educated in the Province of Quebec. Awarded on the basis of overall academic record. 
Value: $800.

HARRY PEARCE PRIZE
Established in memory of Harry Pearce, a paraplegic for 6 years, in recognition of four devoted McGill engineering students who designed and constructed an elevator to enable Mr. Pearce to have access to the outside world. Awarded by the Faculty of Engineering Scholarships Committee on recommendation of the Department to the student group in good academic standing who have, through their project in their final year design course in Mechanical Engineering, helped handicapped people.
Value: $600.

PRIX DE LA FONDATION HABITAT '67
Awarded to an undergraduate student in the School of Architecture who has demonstrated excellence in housing design in the second year. Selection is made by a committee of staff of the School of Architecture. 
Value: $600.

ANTJE GRAUPE PRYOR INTERNATIONAL AWARDS IN ENGINEERING
Established in 1999 by a generous gift from the late Werner Graupe and the Antje Graupe Pryor Foundation. Awarded by the Faculty of Engineering Scholarships Committee to second- or third-year Engineering students from a university in the European Union opting to study at McGill's Faculty of Engineering for one or two semesters with preference given to students applying from a German or French university. For students who choose to study at McGill from a German university, further preference will be given to students applying from Technische Universität Berlin. Students in Chemical Engineering or Civil Engineering are not eligible. 
Estimated value: up to $7,500 each; renewable once for a second semester.

LOUIS ROBERTSON PRIZE

General Regulations in Science
1. No applications are required. Unless otherwise stated, awards are made on the basis of academic standing in the regular session. Awards to graduating students are made by the Faculty on the recommendation of the Faculty Scholarships Subcommittee. Awards to lower-year students are made by the Sub-committee acting in the name of the Faculty.
2. Unless restricted by the deed of gift or faculty regulations the awards are open to all students studying for the B.Sc. degree.
3. Only those students who have completed at least 27 graded credits in the Regular Session of the academic year preceding the award will be eligible for scholarships.
4. Scholarships will be awarded only if an adequate standard is attained for scholarship recognition.
5. If in any university year there is not a sufficient number of candidates showing adequate merit, any one or more of the scholarships offered for competition may be given to more deserving candidates in another year.
6. In order to hold an undergraduate scholarship the successful candidate must proceed regularly in a degree program in the
Faculty of Science and fulfill any further conditions prescribed for the scholarship.

**ACCENTURE PRIZE IN ENGINEERING AND SCIENCE**
Established in 2000 by Andersen Consulting. Awarded by the Faculties of Engineering or Science to a student entering the final year in Electrical and Computer Engineering or the School of Computer Science (alternately). Awarded by the Faculty Scholarships Committees, upon recommendation of the respective departments, on the basis of academic excellence and demonstrated leadership qualities. Value: minimum $1,000.

**RICHARD ADAMS AWARD**
Established in 1990 by a generous donation from Richard Adams to encourage and promote the study of marine biology. 56 2011-2012 Undergraduate Scholarships and Awards, McGill University
4 Financial Assistance

4.1 General Information

Applications for McGill bursaries and loans may be accessed through the Financial Aid menu on Minerva. Applicants must arrange for an interview with a Student Aid Counsellor.

Bursaries and loans are granted on the basis of financial need to full-time students in a program of study leading to an undergraduate degree. Financial aid will be granted only if an adequate academic standing is attained.

All applicants for McGill aid must apply for maximum government grants/loans or other assistance for which they are eligible. Canadian and American students can consult a directory of government websites at www.mcgill.ca/studentaid/government/directory.

Unless otherwise stated, all funds listed in this section are administered by the SCHOLARSHIPS AND STUDENT AID OFFICE and inquiries should be made directly to that office.

Graduating students who wish to find out about funding to pursue graduate studies should consult the Graduate Fellowships and Awards Calendar at www.mcgill.ca/students/courses/calendars or visit the website at: www.mcgill.ca/gps.

4.2 Federal and Provincial Loans and Bursaries

A basic qualification is that the applicant must be a Canadian citizen. Certain categories of Permanent Residents may also be eligible. All government loan programs operate exclusively on the basis of financial need.

Students apply directly to their province or territory of residence. Application forms are available from the governmental authorities as well as the Scholarships and Student Aid Office. Information on governmental student aid and links to sites can be found at www.mcgill.ca/studentaid.
