1  About the Faculty

McGill's Schulich School of Music is the largest university-based school for professional musical training and music research in Canada. Founded as the Conservatorium of Music in 1904, and incorporated as a Faculty in 1920, the School moved to its current location in the impressive and historic Strathcona Music Building (formerly the main section of Royal Victoria College) in 1972. During the 2004-2005 centennial season, the School added a new eight-storey building that contains the Marvin Duchow Music Library, Tanna Schulich Hall, CIRMMT (the Centre for Interdisciplinary Research in Music Media and Technology), the MMR (Multimedia Room), the Wirth Opera Studio and administrative offices.

McGill's Schulich School of Music is renowned for its orchestral, choral, opera, jazz, chamber, contemporary, and early music programs, and for its award-winning creative and research work in composition, music theory, musicology, music education, sound recording, and music technology. Pollack Hall (capacity: 600), Redpath Hall (capacity: 300 and housing the University organ) and Tanna Schulich Hall (capacity: 187) are among the busiest and best concert venues in Montreal. The intimate Clara Lichtenstein Hall (capacity: 80) is scheduled for renovation in the summer of 2011. In addition, facilities include the Wirth Opera Studio (an opera rehearsal room), and the Multimedia Complex Suite, including the Multimedia Room (a scoring stage/acoustical research lab), three isolation booths, a small recording studio, and three control rooms of different sizes. The three floors of the Marvin Duchow Music Library contain well over 100,000 scores, recordings, books, and periodicals; in addition, the Gertrude Whitley Performance Library has performing parts for over 6,000 titles.

Both old and new buildings house labs for numerous specialized functions: digital composition and electronic music, music education research, multi-channel sound recording, music perception and cognition, sound processing and control, computational modeling, and more. There are state-of-the-art classrooms, teaching studios, and over 100 practice rooms. The Centre for Interdisciplinary Research in Music Media and Technology (CIRMMT) is an inter-faculty, inter-university, international consortium of scholars that brings together researchers in music, sound recording, music technology, psychology, neuroscience, engineering, and medicine.

Current student enrolment is approximately 550 at the undergraduate level and approximately 250 at the graduate level. Teaching staff includes 60 full-time and over 140 part-time members. Students, faculty, and staff play major roles in Montreal's vibrant cultural scene, presenting over 700 concerts and events annually, as well as master classes, lectures, and symposia, all enhanced by active music student societies, a gig office, and stellar administrative and support staff.

2  History of the Faculty

Founded as the Conservatorium of Music in 1904, and incorporated as a Faculty in 1920, the School moved to its current location in the impressive and historic Strathcona Music Building (formerly the main section of Royal Victoria College) in 1972. It was renamed the Schulich School of Music in 2005 in honour of benefactor Seymour Schulich. During the 2004–2005 centennial season, the School added a new eight-storey building that houses the Marvin Duchow Music Library, the Gertrude Whitley Performance Library, Tanna Schulich Hall, CIRMMT (the Centre for Interdisciplinary Research in Music Media and Technology), the MMR (Multimedia Room), the Wirth Opera Studio, and administrative offices.

### About the Schulich School of Music (Undergraduate)

McGill's Schulich School of Music is the largest university-based school for professional musical training and music research in Canada. The school is renowned for its orchestral, choral, opera, jazz, chamber, contemporary, and early music programs, and for its award-winning creative and research work in composition, music theory, musicology, music education, sound recording, and music technology. Pollack Hall (capacity: 600), Redpath Hall (capacity: 300 and housing the University organ) and Tanna Schulich Hall (capacity: 187) are among the busiest and best concert venues in Montreal. The intimate Clara Lichtenstein Hall (capacity: 80) is scheduled for renovation in the summer of 2011. In addition, facilities include the Wirth Opera Studio (an opera rehearsal room) and the Multimedia Complex Suite, including the Multimedia Room (a scoring stage/acoustical research lab), three isolation booths, a small recording studio, and three control rooms of different sizes. The three floors of the Marvin Duchow Music Library contain well over 100,000 scores, recordings, books, and periodicals; in addition, the Gertrude Whitley Performance Library has performing parts for over 6,000 titles.

Both old and new buildings house labs for numerous specialized functions: digital composition and electronic music, music education research, multi-channel sound recording, music perception and cognition, sound processing and control, computational modeling, and more. There are state-of-the art classrooms, teaching studios, and over 100 practice rooms. The Centre for Interdisciplinary Research in Music Media and Technology (CIRMMT) is an inter-faculty, inter-university, international consortium of scholars that brings together researchers in music, sound recording, music technology, psychology, neuroscience, engineering, and medicine (www.cirmmt.mcgill.ca).

Current student enrolment is approximately 550 at the undergraduate level and approximately 250 at the graduate level. Teaching staff includes 60 full-time and over 140 part-time members. Students, faculty, and staff play major roles in Montreal's vibrant cultural scene, presenting over 700 concerts and events annually, as well as master classes, lectures, and symposia, all enhanced by active music student societies, a gig office, and stellar administrative and support staff.

Many of its graduates are now members of professional orchestras throughout North America, Europe, and the rest of the world. Led by full-time conductors in residence and supported by a number of full-time staff as well as many members of the top professional orchestras in and around Montreal, Orchestral Training at McGill provides for regular private practical lessons as well as performance in one or more large instrumental ensembles including a full symphonic orchestra (approximately 100 players), a contemporary music ensemble, a percussion ensemble, and a variety of small chamber music groups. It also includes regular coached orchestral sectionals and orchestral repertoire classes.
5.3 Scholarships and Financial Aid

General information on scholarships, including McGill Entrance Scholarships, and a detailed listing of all awards are contained in the Undergraduate Scholarships and Awards Calendar, available at www.mcgill.ca/students/courses/calendars.

Schulich Scholarships valued at CAD$5,000/year (renewable) are available to outstanding prospective students. About 70 Schulich Scholars are present in the School during any academic year. A limited number of Music Entrance Scholarships (valued at $2,000 each) are also awarded to incoming Performance students on the basis of auditions held only in February. All instruments, including voice, are eligible. In addition, outstanding string players applying to the Schulich School of Music are encouraged to audition for the Lloyd Carr-Harris String Scholarships (valued at $10,000 each, renewable). Application for admission must be submitted by January 15.

While taking into account the stipulations of the individual awards, Schulich School of Music scholarships, awards, and prizes are given on the basis of a student's record for the academic session ending in April and are tenable during the next academic year beginning in September. Students must have successfully completed at least 27 credits (excluding courses completed under the Satisfactory/Unsatisfactory option) in the academic year preceding the award and must register for full-time studies during the subsequent year, unless fewer credits are needed to complete the program. Students whose records contain outstanding incompletes or deferrals will not be considered. No application is required.

5.4 Summer Studies

Summer Studies offers courses starting in May, June, and July.

Students may take a maximum of 18 credits during the Summer session. Those wishing to take more than 5 credits in any one month must obtain the permission of the Senior Student Adviser.

Information concerning course offerings and application forms may be obtained from the McGill Summer Studies Office website, www.mcgill.ca/summer, or by calling 514-398-5212.

5.5 Music Credit Options for Students in Other Faculties

The Schulich School of Music offers three groups of courses that may be taken for credit by students in other faculties.

The first group consists of Music Literature and Theory courses especially designed for students from other faculties who may not have taken formal studies in music but who wish to take elective courses in the cultural, historical, and theoretical aspects of music.

The second group is the sequence of courses in music theory and history which are part of the Schulich School of Music undergraduate curriculum. These courses may be taken by those having the necessary prerequisite studies in music.

The third group of courses consists of selected music ensembles open, by audition, to students in other faculties.

For further details on these courses, please see the Faculty of Arts > Music (MUART). Other music courses may be taken by qualified students from other faculties providing they obtain permission from the relevant department in the Schulich School of Music and from the Associate Dean of their own faculty.

5.6 McGill Conservatory

The McGill Conservatory, Community Program of the Schulich School of Music, offers instruction in piano, guitar, harp, most orchestral instruments, and voice, as well as Theory and Ear Training from the elementary level up to and including Collegial levels.

The above listing is intended only as a general guide. Admissibility to any program is determined by audition and academic record. Students wishing to major in Performance should be approximately two years more advanced, and be able to demonstrate potential as performers at their audition.

All applicants in female voice and in all jazz instruments will be required to submit screening material (CD, video, etc.) for preselection by January 15. Following a review of these recordings, selected applicants will be invited to attend a live audition. No live audition will be scheduled in female voice or in any jazz instrument until recordings have been received and reviewed. All applicants must perform an audition of approximately 15 minutes' duration. The student should choose material that will represent different musical periods and reveal musicianship and technical proficiency to best advantage. Applicants for the Artist Diploma program must prepare an audition of recital material lasting approximately 60 minutes.

Consult the Music Admissions website at www.mcgill.ca/music/future-students/undergraduate for specific information on entrance audition requirements and dates.

Recorded auditions (compact disc and/or video) are acceptable when distance prevents an applicant from attending an audition in person.

Applicants for Composition are asked to submit two or three samples of their written work.

Music Education applicants are asked to outline reasons for wishing to enter the Music Education field in their statement of intent and have a letter of reference sent from someone attesting to his or her suitability for teaching.

All screening and audition recordings and composition samples should be submitted directly to the Schulich School of Music of McGill University: 555 Sherbrooke Street West, Montreal, Quebec, H3A 1E3.
6.3 Academic Entrance Requirements

6.3.1 Bachelor of Music

The applicant's entrance audition and the academic record are considered when making an admission decision. As a limit is placed upon the number of students admitted to study a particular instrument, fulfillment of the minimum entrance requirements does not guarantee acceptance. TOEFL may be required of non-Canadian students whose mother tongue is not English. It is the applicant's responsibility to make the necessary arrangements with the examining board to write the test in the country of residence.

6.3.2 CEGEP Applicants

Students are expected to obtain the Quebec Diploma of Collegial Studies (Diplôme d'études collégiales) in the Music Concentration or equivalent. Applicants with a DCS/DEC in a field other than Music must have the equivalent Music prerequisites. The minimum overall average required is 75%. CEGEP graduates are considered for admission to a three-year or a four-year program.

6.3.3 Canadian High School (excluding Quebec) Applicants

Applicants are expected to obtain a high school graduation diploma which leads to university admission in the student's home province. Ontario high school students are normally expected to have obtained a minimum of six pre-university (4U, 4M) courses; at least four of the six must have been taken at the 4U level. There are no specific non-Music prerequisite courses required, and the minimum overall average should be 75%. Canadian high school graduates are admitted to a four-year program.

6.3.4 U.S. High School Applicants

Applicants are expected to obtain a high school graduation diploma that meets the requirements for university/college admission in the U.S. The minimum overall average required is B+. There are no specific non-Music prerequisite courses, or SAT and Achievement Test results required. Some credit will be granted for Advanced Placement Examinations in appropriate subjects. U.S. high school graduates are admitted to a four-year program.

6.3.5 International Applicants

In general, applicants must be eligible for admission to university in their country of origin and have above-average grades. Students who have completed an International Baccalaureate, a French Baccalaureate, or a minimum of three GCE "A" (Advanced) Level examinations are considered for admission into a three-year program. Normally, applicants with five GCE "O" (Ordinary) Level results, plus one year of schooling beyond the Ordinary Level, are admitted to a four-year program. Applicants with qualifications from other systems will be considered for either a three-year or a four-year program.

6.3.6 Transfer Students

Transfer students are considered on the basis of both their university or college work and previous studies. Normally, students are expected to complete a full year of university studies prior to applying for admission, and to be in good standing as defined by the university previously attended. The minimum overall average required is a CGPA of 3.00. Transfer credits for non-Music courses in which a grade of C or better has been received are granted following an evaluation of the student's transcript. Transfer credits, with certain restrictions, are granted for music complementary or elective courses following an evaluation of the student's transcript (a higher grade may often be required). Transfer students must complete a minimum of 60 credits at McGill in order to obtain a degree.

6.3.7 Mature Students

Applicants who are at least 21 years of age and are Canadian citizens or Permanent Residents at or before registration, who have not met the high school or CEGEP academic requirements, and who are able to demonstrate exceptional talent in their discipline may be considered for admission. Such applicants may be resident anywhere in Canada. All available academic/educational documents must be submitted. An interview may be required.

6.3.8 Special Students

Special Students do not need to fulfill any of the academic requirements outlined previously, but are required to have the necessary music prerequisites for the courses concerned. Registration is subject to the availability of space in the course(s) concerned. Special Students are normally not entitled to lessons in an instrument or in voice. Registration is permitted for one year only, after which time the student must apply for admission to either a degree or diploma program.

6.3.9 Visiting Students

Individuals wishing to take courses at McGill for credit at another university may be admitted as Visiting Students provided they have the prerequisites for the course(s) concerned and have official permission from their home university.
6.4 Diploma Programs

6.4.1 L.Mus. (All Applicants)

For admission to the Licentiate program, the applicant must have completed secondary school. The applicant's music qualifications must be equivalent to McGill Conservatory Collegial II Instrument or Voice and Secondary V Theory/Ear Training. An entrance audition is required. This program is normally three years in length.

6.4.2 Artist Diploma (All Applicants)

For admission to the Artist Diploma program, the applicant must have a Bachelor of Music degree in Performance, the Licentiate in Music of the McGill Schulich School of Music, or the equivalent, and must pass a performance audition. This program is normally two years in length.

6.5 Music Placement Examinations

All applicants must sit diagnostic placement examinations in Theory, Musicianship (Ear Training), Music History, Keyboard Proficiency, and, for Jazz majors, Jazz Materials, in order to determine their course levels. General placement/advanced standing examinations will be given during the entire weekend prior to the beginning of classes in September. Jazz Materials and Jazz Keyboard Proficiency placement exams are given on the first day of class.

First-year students enrolled in the Bachelor of Music program who have completed the Quebec Diploma of Collegial Studies (Diplôme d'études collégiales) in a Music concentration or equivalent, or students transferring from other universities or colleges, and who have completed a course in the history of Western music, with a grade of C or better, will be exempted from the first-year Western Musical Traditions requirement (MUHL 186).

First-year students enrolled in the Bachelor of Music program with a Major in Jazz Performance who have completed the Quebec Diploma of Collegial Studies (Diplôme d'études collégiales) in a Jazz concentration or equivalent, or students transferring from other universities or colleges, and who have completed a course in the history of Jazz, with a grade of C or better, will be exempted from the first-year Jazz History Survey requirement (MUJZ 187).

Students accepted into either the Licentiate Diploma (L.Mus.) or the Artist Diploma, who have completed the degree of Bachelor of Music at a Canadian or American university (or the equivalent elsewhere) within the preceding three (3) years will not be required to sit the Music Placement Examinations and will be exempted from required Theory, Musicianship, and Music History, Literature, or Performance Practice courses. Should such students wish to avail themselves of the diagnostic service that the Music Placement Examinations provide, they may sit them—without, however, being bound by the recommendation generated from their results. Nevertheless, should great difficulties arise in a specific class because of lack of adequate preparation, the Chair of the Department of Music Research, upon the advice of the instructor, reserves the right to counsel the student to undertake studies at a lower level.

6.6 Keyboard Proficiency Test (MUSP 170)

Students entering any of the B.Mus. or L.Mus. programs should be prepared to demonstrate, in a Keyboard Proficiency Test, keyboard skills sufficient to enable them to use the piano as a tool in their studies at McGill.

Those who are unable to do so must register continuously for Keyboard Proficiency MUSP 170 until they successfully complete the course. Majors in Jazz Performance must enrol in MUJZ 170. Students who have been admitted to a degree or diploma program with keyboard as their principal instrument are exempt from the MUSP 170 Test (but not from MUSP 171).

The requirements of the Keyboard Proficiency Test are as follows:

1. Sight-reading (simple two-part piece using treble, bass, and alto clefs).
2. Technique (scales, triads, and arpeggios). Two octaves, hands together.
3. Prepared piece (contrapuntal texture in two or three parts, or simple homophonic textures, level equivalent to McGill Conservatory Secondary III).
4. Keyboard rudiments (recognition/playing of intervals, chords, scalar patterns, etc.).

Students will not be allowed to proceed with higher-level Musicianship or Theory studies until these requirements are met. Exact test dates are determined by the Department of Music Research.

6.7 Readmission

Students in Satisfactory Standing, who have not been registered in the Schulich School of Music for one or two terms, may return to the program in which they were previously registered upon permission of the Faculty. Those who have been out for longer than two terms may be readmitted upon permission of the Faculty, subject to the student's previous record and current Faculty limitations on enrolment, but will be required to re-audition. Students who have completed their required practical examinations and are returning to fulfill academic courses are not required to re-audition. Students who are uncertain of the re-audition regulations are urged to contact the Senior Student Adviser.
Students wishing to return in the Winter or Summer term must submit a request in writing to the Music Student Affairs Office, giving a summary of their activities during their absence. The deadline for the Winter session is November 15; for the Summer session, April 1; for the Fall session, January 15 for students who must re-audition, and June 1 (no audition).

6.8 Tuition Fees

General information on Tuition and Other Fees will be found in University Regulations and General Information > Fees. The University reserves the right to make changes without notice in the published scale of fees.

Individual practical instruction on a main instrument or voice as indicated in the various degree and diploma programs (see section 5.1: Degrees and Diplomas Offered) is included at the per-credit rate and the practical instruction fee of $500 per term only while the student is full-time, and for a maximum number of years according to the following table:

L.Mus. students are entitled to practical instruction at the per-credit rate for a maximum of four years, 1 hour per week; Artist Diploma students, two years, 1.5 hours per week.

The maximum of four years of practical instruction for L.Mus. students includes instruction received while in a B.Mus. program either during or prior to registration in the L.Mus. program.

**Note:** Part-time students in the B.Mus. and L.Mus. programs and those who have exhausted the above-listed maxima will be charged $785 per term ($1,570 per year) for practical instruction in addition to the per-credit fees and the practical instruction fee of $500. (Artist Diploma students: $1,175 per term or $2,350 per year.)

Special or part-time Visiting students who are permitted to enrol for practical instruction will also be charged an extra $785 per term, in addition to the per-credit fees and the practical instruction of $500, as will all other students taking instruction in a second practical subject.

Voice Coaching (MUIN 300, MUIN 301) is available at the per-credit rate for a maximum of two terms for full-time voice students only. In all other cases, the extra fee for this course is $550 per term.

Special students in the Opera Studio will be charged an additional $680 per term ($1,360 per year). Degree or diploma candidates registered in Opera Studio, as well as Special students taking practical instruction at $785 per term, will be charged the per-credit fee for Opera Studio.

7 Academic Information

Students are required to be punctual at all classes and lessons. Grades in theoretical subjects are calculated on the basis of class work and/or examinations. Students are warned that by missing examinations or class work they risk failure in the subject concerned.
7.1 Ensemble Policy and Regulations

7.1.1 Preamble

The ensemble program comprises areas of activity designed to provide an enriched and cohesive curriculum in practical musicianship for every student. Much of this training is accomplished in the context of an instrumental, choral ensemble or specialized ensembles, over the period that students normally spend on studies.

Students are responsible for checking their program requirements carefully in order to verify their basic (large) and small ensemble requirements; the Performance Department does not follow the particular enrolment of any student's participation in their small or large ensembles.

For each program's basic (large) and small ensemble requirements, refer to the appropriate section in this publication (all Undergraduate, Licentiate, and Artist Diploma requirements are found in section 8.2: Department of Performance; graduate programs are in the Graduate and Postdoctoral Studies Programs, Courses and University Regulations publication also available at www.mcgill.ca/study).

In those cases where a student in the orchestral training program is registered for additional academic sessions, he/she must also register for a basic (large) ensemble for each additional session. (For exemptions, see section 7.1.11: Exemption from a Required Ensemble.)

A student in the Performance Department who is not assigned a basic ensemble following the ensemble placement auditions may take a choral ensemble (after having a placement audition with the conductor(s)) or see the Ensemble Resource Administrator to examine if any other options are available to the student.

Small Ensembles: Generally, all students registered as full-time or part-time students in the Department of Performance must audition for, and participate in, a small ensemble. For each program's small ensemble requirements, please refer to the appropriate section in this publication (all Undergraduate, Licentiate and Artist Diploma requirements are found in section 8.2: Department of Performance; graduate programs are in the Graduate and Postdoctoral Studies Programs, Courses and University Regulations publication also available at www.mcgill.ca/study).

Performance majors as well as sufficiently advanced players and singers from other programs are encouraged to participate in one or more small ensembles that meet their particular interest.

Note: In all cases where the term “Director” of an ensemble is used, it is understood to mean the conductor, director, stage director, or coach of the ensemble.

The following policy and its regulations apply to all students performing in all ensembles, large or small, required, complementary, or elective. They apply also to all students who have been assigned to an ensemble for any reason, including conducting students, composers- and arrangers-in-residence, and others.

7.1.2 Large Ensemble (Basic) and Small Ensembles (Assigned)

Basic ensemble training requirements vary by program and according to the student's practical concentration. For ensemble purposes, the orchestral instruments include flute, oboe, clarinet, bassoon, saxophone, french horn, trumpet, trombone, tuba, percussion, harp, violin, viola, cello, and double bass. Voice majors may choose from a group of vocal and choral ensembles appropriate to the level of their development.

In all programs which specify an assigned small ensemble, the following are considered assigned small ensembles:

7.1.3 Additional Ensembles

Additional ensembles chosen by students to reflect their particular interests may, with Departmental approval, be applied as Music Elective credit. Students electing an ensemble will normally be required to participate in the ensemble placement auditions and will be placed accordingly.

7.1.4 Assignment and Auditions

All students registered as full-time or part-time students in the Department of Performance must audition for a basic (large) ensemble in the beginning of the school year. (If a mid-year audition is offered for a particular year or ensemble, notice will be given prior to the start of the academic year.)

Auditions for basic (large) ensembles are mandatory.

A student who cannot audition for a basic ensemble at the times indicated on the website must give due notice to the Ensemble Resource Administrator in the Performance Department of their non-availability at least two (2) weeks before the date of the first audition. The student must submit, in writing, the reason for their lack of availability and (if applicable) submit a recording of their audition materials prior to the day of the auditions. If a student misses an audition with an accepted reason, but does not deliver the audition materials to the Department, or if a student misses an audition for reasons unacceptable to the Performance Department, that student will not be allowed to audition and his/her assignment will be left entirely to the discretion of the Performance Department.

Assignments are posted on the Large Ensemble notice boards (located in the main hallway of the Strathcona Music Building). Reassignments may be made from time to time during a term and will also be communicated to students.

In the case of the Jazz Ensembles, an open challenge system is used as follows:

1. At any time during a term, a student may challenge for a position in a Jazz Ensemble.
2. The challenger must speak to the band directors involved, specifying the chair being challenged.
3. The challenger will have a private audition with no fewer than two directors who will offer a non-binding recommendation to the student as to whether or not to proceed with the challenge.
4. Should the challenger wish to proceed, the student being challenged will be notified by the Coordinator of the Jazz Ensembles.
5. The challenge will take the form of an audition of both the regular member of the ensemble and the challenger in a full band rehearsal, following which the directors will make a decision.

7.1.5 Commitment

Ensembles are courses. Each student who has registered for an ensemble, or who has been assigned to an ensemble, has made a commitment to the ensemble and is required to attend all rehearsals, concerts, performances, field trips, recordings, and other activities, which constitute the course requirements of that ensemble. Except for reasons of ill health or in the case of an excused absence; any unexcused absence may result in a failing grade for the student.

7.1.6 Failing Grade

A failing grade in any of the ensembles (large, small, complementary, or elective ensembles) obliges the student to make up the credit during a later semester. A subsequent failure in the same course may result in the student being required to withdraw from the program.

7.1.7 Request to be Excused from a Rehearsal

ANY STUDENT WHO CANNOT ATTEND A REHEARSAL FOR ANY ENSEMBLE IS REQUIRED TO FILL OUT AN "ENSEMBLE EXCUSE FORM!". THIS FORM IS AVAILABLE ON THE ENSEMBLE PAGE OF THE SCHULICH SCHOOL OF MUSIC (www.mcgill.ca/music/current-students/undergraduate/all-students/ensembles/policies-absences). For Opera McGill policies, please contact the Opera McGill Department directly (opera@music.mcgill.ca).

Students are required to submit a completed form at least eight (8) days prior to the rehearsal that will be missed, stating the reason for the request. Students who have missed a rehearsal due to illness must submit one of these forms within three (3) days of returning to school. In such cases, a doctor's certificate or statement from the Student Health Service or equivalent medical service must be submitted electronically via email or in hard copy to the Office of the Ensemble Resource Administrator.

Students may be excused from a rehearsal of an ensemble for the following reasons; however, submitting a form with one of these reasons does not guarantee approval of a request:

1. Sickness, or emergency medical or dental work.
   IMPORTANT NOTE: ANY STUDENT WHO IS EXPERIENCING PAIN WHILE PLAYING OR SINGING SHOULD INFORM THEIR PRACTICAL TEACHER AND THE DIRECTOR OF THEIR ENSEMBLE(S), AND SHOULD SEEK APPROPRIATE MEDICAL ATTENTION. Students should not be reluctant to admit to injury; it is entirely acceptable for students to be excused from ensemble rehearsal(s) for health reasons. The Faculty does not want students to perform with pain or with injury. * If a student is experiencing pain while playing, then it is permitted to sit in rehearsal in their assigned place without playing in the rehearsal.
2. An audition for a permanent professional engagement.
3. A master class.
4. A major competition.
5. A professional engagement deemed to be very important for a student's developing career.
6. Family emergency or an especially important family occasion.
7. A conflict between an irregularly scheduled ensemble rehearsal and a previous important commitment made by the student (proof required).
8. A field trip for another ensemble or class.
10. A religious holiday.

For reasons 2, 3, 4, and 5, the request must be accompanied by authorization from the student's practical teacher and the appropriate Area Chair. This permission is given for no more than three (3) rehearsals.

**Note:** NO PERMISSION IS GIVEN TO BE EXCUSED FROM A DRESS REHEARSAL OR FROM A CONCERT EXCEPT FOR REASONS 1 AND 2 ABOVE.

Students are not excused from ensemble rehearsals for either of the following reasons:

1. Gigs, including orchestra engagements
2. Non-emergency medical or dental appointments. Students should request appointment times that do not conflict with rehearsals.

Absences or delays (especially, but not limited to, tardiness) without an approved Ensemble Excuse Form will result in a final mark deduction as follows:

- Absences due to illness (with Medical Certificate, audition notification, or other accepted reasons) = no loss of grade
- Tardy to rehearsal, without approved Ensemble Excuse Form = loss of one grade point (i.e., B to B-)
- Absences without approval = loss of one entire letter grade (i.e., A to B)

### 7.1.8 Preparation

If the Director of an ensemble is not satisfied with the quality of preparation that a student has been making for the ensemble, the Director shall first warn the student. This warning shall be communicated by the Director to the Ensemble Resource Administrator and Area Chair, who shall inform the student in writing. If, in the Director's opinion, this lack of preparation continues, the student will be required to perform the music for a committee consisting of the Director of the ensemble, the Chair of the area (Strings, Woodwinds, Brass, Voice, etc.) and the Department Chair. If this committee decides that there has been a lack of sufficient preparation, the student will be required to appear before the Area Chair to show cause why he or she should not be required to withdraw.

For any particular performance, if – after a written warning to the student(s) at least two (2) weeks prior to the performance, with copies to the Ensemble Resource Administrator, practical instruction teacher, Area Chair, and Department Chair – the Director, in consultation with his/her coaches, feels that the performance of a student or group of students will not meet a certain minimum standard established by the Director, the Director may cancel the performance of the student(s).

### 7.1.9 Discipline

The Director of an ensemble may recommend that a student withdraw from an ensemble for disciplinary reasons. A student asked to do so will be required to appear before the Department Chair, Area Chair, and Director to show cause why he or she should not be required to withdraw.

Students who are required to withdraw from an ensemble for reasons of lack of preparation or discipline will be given a grade of F, which will be reflected in their Grade Point Average (GPA).

### 7.1.10 Withdrawal

Withdrawal for any reason obliges the student to make up the credit(s) during a later semester.

### 7.1.11 Exemption from a Required Ensemble

In order to be given permission not to participate in a required ensemble for a term or part thereof, a student must:

1. be a participant in a major national or international competition, or (in the case of voice students) be given a significant role with a recognized performing arts ensemble, and (in the case of all students) have completed the minimum number of required terms of the ensemble, and have the permission of:
   - his or her practical teacher
   - the area Chair
   - the Director of the ensemble
   - Chair of the String, Woodwinds, Brass, Opera, or Voice Area (where appropriate), or

2. have completed all program requirements except the final exam on his or her instrument, or
3. have completed all musical requirements of his or her program, having only non-music and/or free electives remaining, or
4. have a significant medical reason.

Note: Permission not to participate in a required or complementary ensemble for a term or part thereof is not an exemption and does not satisfy any credit requirements for a degree.

7.1.12 Substitution of an Ensemble
1. In order to be given permission to substitute another large ensemble for a required or complementary large ensemble for a term, a student must:
   • have completed the minimum number of terms in the required or complementary large ensemble;
   • however, if a student does satisfy the above requirements (first bullet) under section 7.1.11: Exemption from a Required Ensemble, the Director of the required or complementary large ensemble may refuse consent if the student is needed in that ensemble.
2. Keyboard and Guitar Performance majors in all programs may substitute up to two (2) terms of Studio Accompanying (MUEN 584) for two (2) terms of choral ensembles.
3. Performance majors are not permitted to substitute Basic (large) Ensemble credits for required or complementary assigned small ensemble credits.

7.1.13 Rotation
Whenever possible and musically satisfactory, and in order to ensure equal opportunity and experience for students in the large instrumental ensembles, the seating of students in these ensembles may be rotated periodically throughout the term or year. The Director of the ensemble, along with the guidance of the Area Chairs and/or practical instruction teachers, will determine whether or not rotation is possible and musically satisfactory.

7.1.14 Missed Classes due to Field Trips
Situations will arise where students are required to miss classes – both in the Schulich School of Music as well as in other faculties – because of field trips. Teaching staff in the Schulich School of Music are encouraged to assist students who approach them for information about course content and assignments that have been missed. Nonetheless, the onus remains on the student who goes on a field trip to complete class work, to fill in all necessary forms and hand in proper documentation of the trip.

For Forms, please see ‘section 7.1.7: Request to be Excused from a Rehearsal’.

7.1.15 Transfer Credits
The previous ensemble participation of students coming to McGill from other universities will be recognized if their ensemble experience was similar to that required of McGill students; determination of this experience will be approved by the Area Chair and the Department Chair. In general, transfer credit is made on a term-for-term basis (not by credits) and usually does not exceed two (2) terms. Students are normally not permitted to reduce the basic (large) ensemble training requirements of their McGill program to less than the number of terms required for them to complete the rest of their program. In such cases, transfer credit may be given as Music Elective credit.

7.1.16 Extra Large Ensemble Credits
Basic Ensemble Training credits accumulated above the minimum may be applied as Music and/or Free Elective credits. Participation in additional large or small ensembles implies that the same policies will apply.

7.1.17 Performance Library
Students are responsible for the music that has been loaned to them for their use, and for its return in good condition to the Gertrude Whitley Performance Library. Students will be required to pay for the replacement of any music that has been lost, stolen, or damaged, and a hold on a student's Minerva account can be placed by the Performance Librarian should music or fines not be handed in to the Library.

7.2 Accompanying
Music students registered for practical instruction (including elective study) in one of the eligible instruments may request Accompanist Funding up to a maximum number of hours. Further details are available from the Department of Performance Office (performance.music@mcgill.ca).

7.3 Academic Category
All Music students are registered in one of the following categories:
Major: B.Mus. candidates may choose one or more of several majors as described under section 8: Programs of Study.

Faculty Program: A general B.Mus. program (see section 8.1.4: Bachelor of Music (B.Mus.) - Faculty Program Music (125 credits)).

L.Mus., Artist Dip.: Diploma programs are designed for advanced instrumentalists and singers who wish to concentrate on their practical subject.

Special: Those who are not proceeding towards a degree or diploma.

Visiting: Those taking courses at McGill for credit towards a degree at another university.

7.4 Auditing

For information on auditing, see University Regulations and General Information > Auditing of Courses.

7.5 Music/Free Electives

Unless otherwise specified, any music course numbered at the 200 level or higher that is not a required course in the student's program can be counted as a Music and/or Free Elective in the B.Mus. or Artist Diploma programs. Under certain conditions, three credits per term of practical instruction may be applied as Music and/or Free Electives only if the lessons are taken after completion of the final examination and/or completion of the number of terms designated in the student's program. Practical instruction in a second instrument at the 100 level, Jazz Materials 1 (MUJZ 160), and Jazz Materials 2 (MUJZ 161) may be taken for elective credit. Consult the Music Student Affairs Office for details. Basic Ensemble credits accumulated above the minimum may be applied as Music and/or Free Elective credits.

7.6 Non-Music Electives

In all B.Mus. programs, students are required to complete a minimum of three (3) elective credits from courses offered by other faculties. Students admitted from high schools outside Quebec, not holding a DCS, must complete an additional six (6) credits of non-Music electives (as part of the program prerequisites – Freshman program) for a total of nine (9) credits. Students should note that certain programs have requirements in addition to the above.

Students holding a DCS in Music are exempt from six (6) credits, and students holding a DCS in a non-Music program are exempt from 12 credits of non-Music electives. These credits will be counted towards the non-Music and/or free elective requirement.

The Schulich School of Music allows up to a maximum of 12 credits of English Second Language courses, including academic writing courses for non-anglophones, to students whose primary language is not English and have studied fewer than five years in an English-language secondary institution. Placement tests are required for all ESL courses. For more information on placement tests, see www.mcgill.ca/mwc. Soon after the tests are evaluated, you will be issued a departmental approval for course registration.

Note: As of Summer 2011, the English as Second Language courses are being transferred to the Centre for Continuing Education. Music students must obtain approval from the Music Student Affairs Office prior to registration.

7.7 Distance Education (online) Courses

Students may take a maximum of six credits of non-Music elective courses taught through distance education toward their B.Mus. degree at McGill. Courses taught through distance education from institutions other than McGill will be approved as transfer credits under the following conditions:

- The course is given by a government-accredited, degree-granting institution acceptable to McGill.
- The course counts for credit toward degrees granted at the institution giving the course.
- Prior approval for the course is obtained from the Music Student Affairs Office.

7.8 Course Changes

Students are permitted to change courses and/or sections of a course during the first two-week period of classes in each term. This is referred to as the official Course Change period. Course and section changes are made by the student, using Minerva to access his/her record directly. Worksheets for this purpose are available at the Music Student Affairs Office on the 7th floor of the New Music Building. For more information, see University Regulations and General Information > Course Change period.
Late course change requests, if approved, will be charged the applicable Late Course Change Fee. No charge will be made for late changes imposed by the Faculty. If students’ registrations must be corrected after the Course Change period to bring their records into conformity with the courses they are actually taking, the students will be charged the late fee. For complete information on administrative fee charges and fines, please consult the Student Accounts website www.mcgill.ca/student-accounts/fees/adminfees.

7.9 Withdrawal from Course(s)

Students are permitted to withdraw from courses other than practical instruction or ensembles after the end of the Course Change period. In such cases, the student's mark in the course will be W. Course withdrawals are also processed on Minerva, within permissible dates. For more information, see University Regulations and General Information > Regulations Concerning Course Withdrawal.

The final deadlines for withdrawing from Music courses are:

- **For a one-term course**: The end of the seventh week of classes.
- **For a two-term course**: The end of the Course Change period in the second term.

THE DEADLINE FOR WITHDRAWING FROM PRACTICAL LESSONS AND ENSEMBLES IS THE END OF THE SECOND WEEK OF CLASSES IN ANY TERM.

Music students who, in special circumstances such as illness or injury, are given permission to withdraw from practical instruction after the end of the Course Change period will be charged $65 per week for 1-hour lessons and $97.50 per week for 1.5-hour lessons up to a maximum equivalent to the total fees charged for the course. Full refunds for practical instruction will be given up to the end of the Course Change period.

*Note: Students who do not complete a course for which they remain registered will receive a grade of F or J.*

For information on the REFUND POLICY, please see University Regulations and General Information > Regulations Concerning Course Withdrawal.

7.10 Incompletes

At the discretion of the instructor, a mark of K (Incomplete) may be given to a student who, due to extenuating circumstances, has not finished the coursework on time. The deadline for completion and submission of the required work shall be set by the instructor but may not be later than four months after the K was given. A special form for Incompletes, available from the Music Student Affairs Office, must be signed by the student and the instructor by the last day of lectures. If the final grade is not received within the specified timeline (as agreed by the instructor and student), the mark will be changed to KF (Incomplete Failed), unless an extension has been granted (KE). Completion of the course will cause the K to be replaced on official transcripts by the mark earned. A mark of K not cleared by mid-May makes the student ineligible for scholarships.

In exceptional cases, when research or an assignment cannot be completed for reasons beyond the student's control, students may be given permission by their Departmental Chair or the Associate Dean (Student Affairs) to leave a course permanently Incomplete (without penalty). The symbol K will be replaced by KK, in which case the student's Grade Point Average will be calculated without including this course.

7.11 Deferrals

Deferred examinations are permitted in the case of illness or other exceptional circumstances. Music students requesting a deferred examination in academic courses must submit the Request for a Deferred Examination form to the Senior Student Adviser. Students requesting a deferred examination in a practical music examination must submit the form to the Performance Department Chair. Supporting evidence such as an appropriate medical note is required. If the request is approved, an L (deferred) will appear in place of a grade. The grade obtained in the deferred examination will replace the grade of L (deferred) on the official transcript.

Deferred examinations in Music academic courses are given at the discretion of the instructor. A deferred examination in a Music practical examination will be held during the next examination period.

Deferred examinations in non-Music courses will be held in May for the Fall term and August for the Winter term. Examinations will follow the rules of the faculty concerned. **It is the student's responsibility to check the date, time, and place of the deferred examination.**

A mark of L (deferred) not cleared by mid-May makes the student ineligible for scholarships.

Students who are unable to write a deferred exam must contact the Music Student Affairs Office immediately to initiate a withdrawal from the deferred exam. Deferred examinations cannot be written at a later date. If the withdrawal is not approved, a final grade of J (absent) will be entered and will count as a zero in the TGPA/CGPA.
7.12  Supplementals

Supplemental examinations in Music academic courses may be given at the discretion of the instructor. A student who receives a mark below 30% in a course is not permitted to take a supplemental examination but must repeat the course.

7.13  Rereading of Examinations

A student wishing to have an examination paper reread should apply in writing to the Associate Dean (Student Affairs). The mark given in the rereading, whether higher or lower, will replace the mark originally given. Any request to have a term paper or other coursework reassessed must be made directly to the instructor concerned.

7.14  Academic Standing

Academic Standing is based primarily on students’ cumulative grade point average (CGPA), but may also be affected by their term grade point average (TGPA). Academic Standing, which is assessed after the end of each term, determines if students will be allowed to continue their studies in the next term and if any conditions will be attached to their registration.

Decisions about Academic Standing in the Fall term are based only on grades that are available in January. Grades for courses in which students have deferred examinations and Fall-term grades for courses that span the Fall and Winter terms do not affect Academic Standing for the Fall term, even though they will ultimately affect students’ Fall TGPA. Therefore, Academic Standings for the Fall term are designated as “interim” and should be interpreted as advisory; moreover, interim Standings will not appear on external transcripts. Interim Standing decisions are mentioned below only if the rules for them differ from those for regular Standing decisions.

7.14.1  Satisfactory/Interim Satisfactory Standing

Students in Satisfactory Standing may continue in their program.

- New students are admitted to Satisfactory Standing.
- Students with a CGPA of 2.00 or greater are in Satisfactory Standing.

7.14.2  Probationary/Interim Probationary Standing

Students in Probationary Standing may continue in their program, but must carry a reduced load (maximum 14 credits per term) and raise their TGPA and CGPA to return to Satisfactory Standing. They should see their departmental adviser to discuss their course selection.

Students in Probationary Standing may continue in their program, but should evaluate their course load and reduce it as appropriate. They are strongly advised to consult their departmental adviser, before the withdrawal deadlines, about their course selection for the Winter term.

- Students who were previously in Satisfactory Standing will be placed in Probationary Standing if their CGPA falls between 1.50 and 1.99.
- Students who were previously in Probationary Standing will remain in Probationary Standing if their CGPA falls between 1.50 and 1.99 and their TGPA is 2.50 or higher, although the TGPA requirement will not apply to the Summer term.
- Students who were previously in Interim Unsatisfactory Standing will be placed in Probationary Standing if their CGPA falls between 1.50 and 1.99 and their TGPA is 2.50 or higher.
- Students who were previously in Unsatisfactory Standing and who were readmitted to the Faculty by the Associate Dean (Student Affairs) will be placed in Probationary Standing if their CGPA is less than 2.00, but if they satisfy relevant conditions specified in their letter of readmission.

7.14.3  Readmitted Unsatisfactory Standing

Students who were previously in Unsatisfactory Standing and who were readmitted to the Faculty by the Associate Dean will have their Standing changed to readmitted Unsatisfactory Standing. Their course load is specified in their letter of readmission, as are the conditions they must meet to be allowed to continue in their program. They should see the Senior Student Adviser to discuss their course selection.

7.14.4  Unsatisfactory/Interim Unsatisfactory Standing

Students in Interim Unsatisfactory Standing may continue in their program, but should evaluate their course load and reduce it as appropriate. They are strongly advised to consult the Senior Student Adviser, before the withdrawal deadlines, about their course selection for the Winter term.

Students in Unsatisfactory Standing who have failed to meet the minimum standards set by the Faculty may not continue in their program and their registration will be cancelled.
Appeals for readmission by students in Unsatisfactory Standing should be addressed to the Associate Dean no later than July 15 for readmission to the Fall term and November 15 for the Winter term. Readmission will be considered only when proof of extenuating circumstances that affected academic performance can be provided (e.g., medical or other documentation). Students in Unsatisfactory Standing for the second time must withdraw permanently.

Normally, supplemental examinations are not permitted; however, students in Unsatisfactory Standing may appeal to the senior student adviser for permission to write a supplemental examination, clearly stating the reasons for special consideration and providing proof as appropriate.

- Students will be placed in Unsatisfactory Standing (Winter or Summer term) or Interim Unsatisfactory Standing (Fall term) if their CGPA falls or remains below 1.50.
- For the Fall and Winter terms, students who were previously in Probationary, Readmitted Unsatisfactory, or Interim Unsatisfactory Standing will be placed in Unsatisfactory Standing if their TGPA falls below 2.50 and their CGPA is below 2.00.
- Students who were previously in Unsatisfactory Standing and who were readmitted to the Faculty by the Associate Dean (Student Affairs) who have not at least satisfied the conditions to attain Probationary Standing that were specified in the letter of readmission will be placed in Unsatisfactory Standing.

7.14.5 Incomplete Standings

Standing awaits deferred exam.

Must clear K's, L's, or Supplementals.

Standing Incomplete

Students with Incomplete Standings in the Winter or Summer term may register for the Fall term, but their Standing must be resolved by the end of the Course Change Period for that term. Students whose Incomplete Standing changes to Satisfactory, Probationary, or Interim Unsatisfactory Standing may continue in their program. Students whose Standing changes to Unsatisfactory Standing may not continue in their program.

Students whose Standing changes to Unsatisfactory and who wish to ask for permission to continue in their program must make a request to the Associate Dean (Student Affairs) as soon as they are placed in Unsatisfactory Standing. Readmission will be considered only when proof of extenuating circumstances that affected academic performance can be provided (e.g., medical or other documentation).

Students whose Standing is still Incomplete by the end of the Course Change period should immediately consult with the Music Student Affairs Office.

7.15 Graduation Requirements

1. Completion of all courses and proficiency requirements specified in the candidate’s program. Students registered in two programs must fulfill all requirements for both programs. A minimum grade of C (or higher, depending on the program) must be achieved in all required courses, all complementary courses specified by course number, and in those courses which are prerequisites or corequisites. A grade of D (non-continuation pass) is acceptable only in elective courses or complementary courses that are not specified by course number.

2. Minimum cumulative grade point average of 2.00.

3. Completion of a minimum of credits in residence at McGill University (B.Mus.: 60 credits, L.Mus.: 48 credits, Artist Dip.: 32 credits).

For more information on applying to graduate, see www.mcgill.ca/student-records/graduation/graduation-info.

7.16 Graduation Honours

For information on the designation of Dean’s Honour List awarded at graduation, see University Regulations and General Information > Dean's Honour List.

For information on the designation of Distinction awarded at graduation, see University Regulations and General Information > Distinction.

Departments may recommend to the Faculty that students be awarded Outstanding Achievement in recognition of superior performance on an instrument or in an academic discipline.

8 Programs of Study

The Department of Music Research offers undergraduate degrees in Composition, Music Education, Music History, Theory, and the Faculty Program. The Department also offers Minors in Music History and Composition and two Minors in the area of Music Technology.

The Department of Performance offers undergraduate degrees in Performance, Early Music Performance, and Jazz Performance and diploma programs in L.Mus. and the Artist Diploma.
8.1 Department of Music Research: Composition; Music Education; Music History; Theory; Faculty Program

At both the undergraduate and graduate levels, the Department embraces the disciplines of Composition, Music Education, Music History, and Theory; and at the graduate level, Music Technology and Sound Recording. The philosophy of the Department is to encourage integration of the disciplines as much as possible within the learning process in each program of study: the development of basic musicianship, the absorption of the grammar and syntax of musical discourse, and the study of the world of ideas are understood as interconnected.

Major programs offer the student some focus with the flexibility to pursue other areas of interest. The Faculty program is intended to offer an option for individual and creative plans of study. All of the Department's programs give a solid grounding in analytic, synthetic, and writing skills that are useful preparation not only for the musical profession but also for professions as diverse as law, journalism, management, and librarianship.

The Music Education program combines an orientation towards a professional career in primary and secondary schools with sensitivity to broader intellectual frameworks against which teachers should understand their roles. This program is offered concurrently with the B.Ed., Music (see section 8.3: B.Mus./B.Ed. Bachelor of Music and Bachelor of Education Concurrent Program).

The Department also offers a Minor in Music History and a Minor in Composition to students who seek to place their work in a larger context, as well as a Minor in Musical Applications of Technology and a Minor in Musical Science and Technology to Music students and to students from other faculties.

For each program, all courses listed are REQUIRED courses unless otherwise indicated.

8.1.1 Bachelor of Music (B.Mus.) - Major Composition (126 credits)

The Bachelor of Music (B.Mus.) - Major Composition program requires 91 credits (plus 35 credits for the Freshman requirement for out-of-province students). It includes 21 credits of non-music and free elective courses so that students may pursue other academic interests outside of music.

Program Prerequisites - Freshman Program (35 credits)

- 23 credits of Prerequisite Courses
- 2 credits of Assigned Small Ensemble
- 4 credits of Basic Ensemble Training

8.2 Department of Performance

The Department offers undergraduate and graduate degree programs leading to the B.Mus., M.Mus., and D.Mus., and diploma programs leading to the L.Mus. and Artist Diploma in all areas of musical performance and a Graduate Diploma in Professional Performance. Programs include regular practical instruction available on all instruments and a highly developed ensemble program. The programs offer a number of major options including Orchestral Training, Solo, Jazz, and Early Music. The Orchestral Training program is one of the largest performance programs in North America. Many of its graduates are now members of professional orchestras throughout North America and Europe. McGill ensembles perform many concerts each year, including a number in centres across North America. McGill ensembles have performed at Carnegie Hall, Le Grand Théâtre [Quebec], the National Arts Centre, the International Buxtehude-Scheidt Festival, Lincoln Center, Roy Thomson Hall, Salle Wilfrid Pelletier, the International Association of Jazz Educators Convention in New Orleans, in Washington and Boston, Paris, London, and Cork [Ireland], at the Holetown Festival in Barbados, in Mexico, and throughout the United States and Canada. In addition, they have recorded for McGill Records. These recordings have received considerable critical acclaim and a number of awards, including a Noah Greenberg Award, three Grand Prix du Disques, and a Juno Award.

For each program, all courses listed are REQUIRED courses unless otherwise indicated.

### 8.3 B.Mus./B.Ed. Bachelor of Music and Bachelor of Education Concurrent Program

The Bachelor of Education in Music is an integrated four-year 120-/121-credit program of initial teacher training that leads to certification as a teacher in the Province of Quebec. When offered concurrently with the Bachelor of Music (Major in Music Education), the program offers students the opportunity to obtain a Bachelor of Education degree and a Bachelor of Music degree after the completion of 137 credits, normally five years (172 credits or six years for out-of-province students). The Concurrent program combines academic studies in music, professional studies, and field experience. The two degrees are awarded during the same convocation period.

The components of the 137-credit Bachelor of Education in Music/Bachelor of Music (Music Education) are as follows:
55 professional credits
70 Music academic credits
12 elective credits (which must include 3 credits of non-Music electives)

Students in the Concurrent B.Mus./B.Ed. who receive an F or J in any Field Experience course are placed in Unsatisfactory Standing. Although they may complete their term, they are required to withdraw from the Concurrent program; however, they may apply to transfer to the B.Mus. Faculty program.

8.3.1 Concurrent Bachelor of Music (B.Mus.) - Major Music Education and Bachelor of Education (B.Ed.) - Music Elementary and Secondary (137 credits)

The Bachelor of Music (B.Mus.) - Major Music Education, when offered concurrently with the The Bachelor of Education - Major Music Elementary and Secondary, provides students with the opportunity to obtain a Bachelor of Music degree and a Bachelor of Education degree after the completion of 137 credits, normally five years (172 credits or six years for out-of-province students*). The Concurrent program combines academic studies in music, professional studies, and field experience. The two degrees are awarded during the same convocation period.

* Out-of-province students or those who have not completed Quebec CEGEP, French Baccalaureate, International Baccalaureate, or at least one year of university studies prior to commencing the Concurrent program.

To be admitted to the Concurrent program, students must satisfy the regular admission requirements of the Schulich School of Music and Faculty of Education. Normally, students will be admitted to both components of the Concurrent program simultaneously. Applicants who already hold a Bachelor of Music degree should apply to the Faculty of Education. Students who have completed 30 or more credits in a Bachelor of Music program, exclusive of the Freshman year for out-of-province students, should apply for admission to the Concurrent program.

All applications for the Concurrent program are to be made to the Admissions Office of the Schulich School of Music.

The B.Mus. Major Music Education program in the Schulich School of Music focuses on the development of the prospective music educator as a musician. This is achieved not only through core music history, theory, musicianship, and performance courses, but also through different instrumental, vocal, and conducting techniques courses. Laboratory experiences provide an opportunity to develop facility with basic music rehearsing/teaching techniques, with emphasis on the ability to diagnose and correct technical and musical problems. The B.Ed. Music Elementary and Secondary program in the Faculty of Education focuses on the development of the musician as an educator. This is achieved through courses in educational foundations, music pedagogy and pedagogical support, and a practicum component comprised of four field experiences and supporting professional seminars.

Students who decide to complete only a Bachelor of Music may transfer at any time into the Bachelor of Music, Faculty Program. Students who wish to complete only the Bachelor of Education Music program have the option of doing so after the successful completion of the first two years of the Concurrent Program and MUIN 283 "BMus Concentration Final Examination" or equivalent. They would be required to complete 61 music credits, 6 elective credits, and 55 education credits from the program given below.

The components of the 137-credit Concurrent Bachelor of Music - Major Music Education and Bachelor of Education - Music Elementary and Secondary are as follows:

55 professional Education credits

9 Music elective credits
3 non-Music elective credits

Prerequisite Courses

35 credits distributed as follows:

8.4 Management Minor Programs

The Desautels Faculty of Management offers a Minor in Management and a Minor in Marketing to B.Mus. undergraduates that allow Music students to include courses in their undergraduate program that will help prepare them for a career in music. All minors for non-Management students require the completion of an application; the form may be found at www.mcgill.ca/desautels/bcom/prospective_students/minors.

Detailed information on these minors can be found on the Desautels Faculty of Management website, www.mcgill.ca/desautels/bcom/prospective_students/minors, and under Desautels Faculty of Management > Minor Programs for Non-Management Students.

9 Practical Subjects

All returning students must submit a green Lesson Assignment Card and/or orange Voice Coaching Assignment Card to the Performance Department by April 30 of each year they wish to register for lessons.

Students taking practical instruction, but who are registered for less than 12 credits per term, will be charged $785 in addition to the practical instruction fee ($500) and per-credit fee for their instrument lessons for each term in which they are, or become, part-time students (Artist Diploma students: $1,175 per term). This is the same fee applied to students who have used up their quota of lessons at the per-credit fee.

9.1 Practical Assignment and Lessons

9.1.1 Registration/Withdrawal

Registration for practical instruction and examinations (MUIN courses) is not available on Minerva. Students are reminded to submit a Lesson Assignment Card to the Department of Performance by the specified deadlines. Practical Instruction will then be added onto students’ records.

The deadline for withdrawing from practical lessons is the end of the second week of classes in any term.

9.1.2 Assignment of Teachers

The assignment of students to teachers for private lessons is the responsibility of the Chair of the Department of Performance. Student requests for specific teachers will be taken into consideration where possible.

It is understood that returning students will study with the same teacher unless prior arrangements have been made with the Chair of the Department in consultation with the teachers concerned. However, those students who do not return the Lesson Assignment Card (including Voice Coaching) by the specified deadline cannot be guaranteed the teacher of their choice, and they will be assessed a late fee of $50. Teacher assignments will be made soon after the period of enrolment and confirmed during the first week of classes. Following this assignment, it is the students’ responsibility to contact their teachers and arrange lesson times.
Individual lessons missed as a consequence of the instructor's absence will be made up at the mutual convenience of the instructor and student. Lessons missed as the result of the student's absence will be made up only if notice of cancellation has been given 48 hours in advance, or if a doctor's certificate is produced and prior notice of the cancellation is given.

**Note:** Students who are taking practical lessons in fulfilment of the requirements for any degree are required to study with teachers on the staff of the Schulich School of Music.

### 9.2 Examinations and Goals in Practical Subjects

Different levels of achievement are required of students depending upon the program of study for which they are registered. These levels are defined in part by the difficulty of material and length of program required at the various examinations, and in part by the examiners' assessment of how well the student plays this material.

In general, there are five categories of practical study: Concentration Study, Major Study, Licentiate Study, Postgraduate Study, and Elective Study.

#### 9.2.1 Concentration Study

A student in the Faculty program or specializing in Composition, Music Education, Music History, Music Technology, or Theory is obliged to present one examination in order to fulfil the practical requirement of these programs: the Concentration Final Examination (MUIN 283).

The sequence would normally be:

**BMus Concentration Final Examination (MUIN 283)**

*Purpose:* To determine that the student is sufficiently accomplished to qualify for the degree of Bachelor of Music. In the event that the student is inadequately prepared, the panel may recommend to the department in which the student is registered that: a) the student be asked to withdraw from the program; or, b) the student be permitted to redo the examination.

*Panel:* A minimum of two staff members (not including the teacher), one of whom must be from the area. The panel is appointed by the Chair of the Department of Performance. At the discretion of the Departmental Chair, the teacher may be included on panels of three or more examiners.

*Distribution of Marks:* For students registered in practical lessons through the Schulich School of Music, the teacher submits a term mark which is included as 50% of the final mark. In instances where the student’s teacher is on the panel, the teacher’s global evaluation will nevertheless be equal to 50% of the final mark. This grade will also be entered in the student’s current or most recent term of practical instruction. When a student is not registered for lessons through the Schulich School of Music, the final mark will be the average of the marks submitted by the examination panel and will also be entered in the most recent term of practical instruction.

#### 9.2.2 Major Study

A student majoring in Performance (B.Mus. or L.Mus.) must show talent for this field before being admitted to the program. The practical requirement for these programs comprises examinations and recitals as specified in the programs.

Applications received after these deadlines will only be accepted with special permission from the Chair of the Department of Performance, and on payment of a $50 late application fee.

#### 10.2 Examination Marking

Normally, the final mark for any practical examination is the average of all the marks submitted by the individual examiners. In addition, however, at least half of the examiners on the panel must pass the student in order to continue to the next level of examination. (N.B.: the passing grade in the L.Mus. and Artist Diploma programs is A-; in the Major Performance programs, it is B-.) In instances where the average mark is a passing grade but a majority of the panel has failed the student, the final mark will be the letter grade immediately below the required passing grade.
