This information bulletin is an initiative from Content and Collaboration Solutions and Teaching and Learning Services designed to inform you of upcoming events to enhance your teaching at McGill University.

FEATURED EVENTS

Safer Spaces: Sexual Orientation and Gender Identity
Wednesday, February 8 – Downtown campus Register here
Thursday, February 9 – Macdonald campus
Gender diversity: want to learn more? This interactive workshop will provide participants with an introduction to concepts and language surrounding sexual orientation and discuss issues relevant to the McGill community.

Macdonald registration: email the date and workshop title to tynan.jarrett@mcgill.ca

UPCOMING EVENTS

Misrepresentation: Women, Girls, Power and the Media
Thursday, February 9
Is there a correlation between the representation of women in the media and roles of power for women in Western society? Join this panel discussion loosely based on the film "Miss Representation." Free screenings of the award-winning film will be held during the day. Register here.

Building with myCourses (WCT 701)
Friday, February 10
This workshop will help you prepare your course in myCourses. At the end of this workshop, you will be able to customize the myCourses Home interface and build and customize your course. Workshop will be repeated Wednesday, February 22. Register here.

Intellectual Property Workshop
Thursday, February 16
Are you concerned about issues relating to intellectual property in Canada? The Canadian Intellectual Property Office (CIPO) will host a workshop giving participants the chance to explore and apply issues in IP by participating in a case study with an experienced discussion leader. Register here.
Safer Spaces: Disability, Access, and Universal Design
Tuesday, February 28
Are you aware of issues concerning disability on campus? This interactive workshop for faculty, staff and graduate students will provide participants with the opportunity to gain an understanding of emerging notions of disability, identify obstacles to inclusion, and begin a personal reflection as to how to best facilitate universal access as members of the McGill community. Register here.

Official Launch of McGill’s new myCourses
Thursday, March 1
Join the Provost, the CIO and your colleagues for lunch and discover McGill’s new myCourses, which offers greater opportunities for an engaging teaching and learning environment and an expanded range of tools. The event will be streamed live to Macdonald Campus.

U21 Teaching & Learning Network Fellowships
Deadline: Thursday, March 1
The Teaching & Learning Network of U21 has developed a Fellowship program to help facilitate the transfer of knowledge and skills within the U21 TLN and to encourage the sharing of best practices. Further information on the Fellowships is available on the U21 website.

TEACHING RESOURCES

Lecture Recording for Instructors
Did you know that McGill instructors can record their lectures and other activities in class? Instructors can request automatic recording of scheduled lectures throughout a term in classrooms equipped with the Lecture Recording System (LRS).

Off Campus Access to McGill Library Online Resources with EZproxy
Want to access McGill Library online resources while off campus? It’s easy with EZproxy! From any personal computer or mobile device simply enter your authorized McGill login (email address) and password (email password). For more information, see the EZproxy FAQ.

Classroom A/V Instructions
Want to see what AV equipment is available for any classroom on campus? Looking for detailed instructions on how to use the AV in the room you are teaching in? This online tool features in-class photos and equipment specs and is available to instructors.

McGill Overdrive
Welcome to McGill Library’s collection of downloadable media: find eBooks, Audiobooks, Videos
and more! Available 24/7, now your library is always open! Download your selections to your PC or transfer them to a compatible portable device for use on-the-go. It’s quick, easy and you can do it anytime! Use the getting started section or take the Guided Tour to get you started.

Films on Demand
Films on Demand offers a significant online video streaming library with thousands of high quality educational videos and tens of thousands of fully annotated segments that can be integrated into lectures and presentations with ease or posted as links on WebCT. All programs include Canadian Public Performance rights for your use.

Accessing off campus: remember to use your VPN or EZproxy.

Partners: IT Customer Services (ICS) | McGill Library | SEDE
