SEMINARS IN CELL BIOLOGY ATTENDANCE FORM

Graduate students in Anatomy & Cell Biology registered in the "Seminars in Cell Biology" courses (ANAT 695, 696, 697) are required to attend 12 scientific seminars each term. Students must confirm their attendance by writing a 5-10 sentence summary on this form and then have it signed by their supervisor. At the end of the term, all attendance forms must be submitted to the Graduate Program Coordinator.
