## Principal's Prize for Excellence in Teaching Guidelines

The Principal's Prize for Excellence in Teaching recognizes excellence and commitment to teaching and the importance of these qualities in the academic experience of students at McGill. One award is granted annually at Fall Convocation **in each of the following categories:**

- **the four** categories of ranked academic staff: Faculty Lecturer, Assistant Professor, Associate Professor, and Full Professor in any Faculty<sup>1</sup> at McGill. Ranked tenure track (or tenured) staff and ranked Contract Academic Staff are eligible.
- **a Course Lecturer in any Faculty at McGill.**

To highlight the importance McGill places on individuals' commitment to the link between teaching and research (in the academic and clinical settings), the award will recognize great teachers who also enhance their students' understanding of research. While desirable, this is not imperative for Faculty Lecturers, Contract Academic Staff or **Course Lecturers**. Each award brings with it a \$5,000 monetary award.

### Eligibility

- **Ranked academic staff:** Candidates, from any Faculty or School, must be ranked academic staff (Faculty Lecturer, Associate Professor, Assistant Professor, Full Professor) who carry a full-time teaching load as defined by their Faculty. Candidates must have taught in the year for which the award is given.
- **Course lecturers:** Candidates, from any Faculty or School, must have been teaching at McGill for a minimum of three years and a total of 12 credits. Candidates must have taught in the year for which the award is given.

### Nomination Procedure

Teaching Faculties are asked to submit their nominations by the first week of June. Faculties should submit only one nomination per category. While candidates are eligible at all levels, previous recipients may not be nominated again in the same category in which they were previously awarded the Prize. Faculties may choose not to submit nominations in every category.

### Submission requirements

Dossiers are expected to be a concise compilation of selected information, and must not exceed 25 pages **exclusive** of the nomination form, table of contents, curriculum vitae, and page dividers (if used). As evidence for a great nominee will quickly push past the 25-page limit, dossiers should not include course syllabi or course materials. Dossiers in excess of the page limit will be returned to the Faculty for revision and resubmission.
