this lecture will be held in the Frank Dawson Adams auditorium at 2000.

herzog and de meuron october 24, 2002

A lecture sponsored in association with the CCA. An exhibition "Herzog & de Meuron: Anthology of the Mind" opens on Tuesday 22 October at the CCA. On Wednesday 23 October, also at the CCA, Jacques Herzog will engage in a public conversation with art critic Dan Graham on the subject of boundaries between art and architecture.
