- Note: * The total number of complementaries/electives is **13** credits, of which a minimum of 3 credits must be taken from the architectural complementaries Group A list. Please note: courses taken are to be used to fulfil one group only. In addition, up to a maximum of 3 credits at the 500 or 600-level may be taken outside the School of Architecture, with the approval of an assigned faculty adviser. All complementaries/electives must be 500 or 600-level courses. Please consult the appropriate section of the graduate calendar, course schedule, and Mary Lanni-Campoli, Student Advisor, for further information.
- ** Students who have not obtained the McGill B.Sc.(Arch.) degree, may need to take additional courses, as indicated on their “Recommendation to Accept” letter. These additional courses do not count as part of the basic 45-credit program. Additional time may be needed.
- *** ARCH 680 Field Sketching, a required course, includes an eight-day field trip which will take place from August 21-29, 2014, in Lunenburg, Nova Scotia. Attendance is mandatory. Further information is available at www.mcgill.ca/architecture/sketchingschool. The course will then continue to meet for two hours, weekly, during the fall 2014 term, at the School.
