

INTERNSHIP OPPORTUNITY WITH CLIMATE REALITY PROJECT CANADA – MONTREAL SUMMER 2022

POSITION:	Intern – Engagement and Programs Intern
LOCATION:	<p>Montreal, QC</p> <p>Remote position, with potential future work in the office, following all public health guidelines at the time.</p>
DESCRIPTION OF HOST ORGANIZATION:	<p>Founded and chaired by Nobel Laureate and former US Vice President Al Gore, The Climate Reality Project is dedicated to catalyzing a global solution to the climate crisis by making urgent action a necessity across every level of society.</p> <p>WE MUST CHANGE. WE CAN CHANGE. WE WILL CHANGE.</p> <p>With glaciers melting, seas rising, and 19 of the 20 hottest years on record coming this century, we know humanity must change and act boldly to solve the climate crisis.</p> <p>The good news is that we know we can. Solar, wind, and other renewable solutions are becoming more affordable every year. And all around the world, countries from China to Chile are seizing the moment, working to cut emissions under the Paris Agreement and create a safe, sustainable, and prosperous future powered by clean energy.</p> <p>At Climate Reality, our job is to ensure we will. Led by Vice President Gore, we use twenty-first century digital tools and activist trainings to share the truth about the crisis and empower everyday people to become powerful forces for change.</p> <p>The result: globally, over 42,000 Climate Reality Leaders spreading climate hope and confronting denial everywhere from street corners across the world, to the White House and Parliament Hill in Canada. A growing movement of millions speaking truth to power and fighting for climate solutions at every level. A clean energy revolution accelerating planet-wide.</p> <p>The road forward is clear. The power to change is in our hands.</p> <p>The Climate Reality Project has branches in 10 countries, including Canada. The Canadian team, led by 7 employees, was established in Montreal in 2007 as a charity organization. It has its own initiatives tailored to the Canadian context.</p> <p>www.climatereality.ca</p>
