FAQ

Is Bellairs currently open?
Yes, we are opened for the hosting of local meetings, conference and events under 50 persons. Our lodging will recommence on August 1, 2020.

Will I be required to wear a mask while at Bellairs?
- Yes. To protect you and the persons with whom you may potentially come into contact, a mask must be worn at all time when outdoors.

How are meals served?
- To minimize contamination, only designated Bellairs staff members will be permitted to handle serving utensils and to serve.

Is there exterior seating space for meals?
- Yes, there is exterior seating but please be mindful that social distancing is in effect. Persons should sit 2 metres apart. Persons of the same family/partners can sit closer together.

Are hand sanitizer stations on the premises?
- Yes, there are hand sanitizer units throughout the property.

Is it safe to travel to Barbados?
Yes. The borders of Barbados reopened on July 12, 2020 with the first flights originating in Canada. Before making your booking, please check with your individual countries. Below are some useful links.
