## **Annual Report on the Policy on Safe Disclosure (“Whistle Blowing”)**

### **Introduction**

The *Policy on Safe Disclosure (“Whistle Blowing”)* was approved by Senate in May 2007 and by the Board of Governors in October 2007, and came into force on October 30, 2007. Following a review of the Policy, Senate approved revisions to the Policy on November 18, 2015. The revisions were then approved by the Board of Governors on November 26, 2015.

As stated in the Policy, those responsible for the administration and management of academic, administrative or service units are responsible for addressing situations of Improper Activity in accordance with good management practices and existing policies, guidelines and procedures. It is the expectation that members of the University community will continue to use existing channels to report Improper Activity and only resort to this Policy if such channels prove ineffective or are inappropriate in the circumstances. For more information about the Policy, please see: <https://www.mcgill.ca/secretariat/policies-and-regulations/safe-disclosure-whistle-blowing-reporting>

Section 8.1 of the Policy provides that the Secretary-General report annually to Senate and the Board of Governors on the application of the Policy. This report is presented to Senate and the Board of Governors in discharge of this obligation for the period January 1, 2020 through December 31, 2020.

The annual report shall respect the privacy of Disclosers and Respondents, as stipulated at various points in the Policy.
