Section D – Conditions

Recipient of the award will:

1. be a Research Trainee member of the Centre and registered as a fulltime graduate student over the duration of the award (September 2026 - August 2027);
2. participate in a minimum of three (3) Centre events (i.e. research seminars, student activities, Brace Water Day, etc.) over the duration of the award.
3. complete a short research project progress report highlighting relevant achievements (e.g. workshops, webinars, conference or other presentations, journal submissions/publications, news media stories, etc.) and meet with the Centre Manager within 6 months of the award commencement date;
4. present their research—either as a poster or an oral presentation—at the annual Brace Water Day event within 12 months of the award start date for MSc students or within 24 months for PhD students;
5. Submit a summary of their research for use on the Centre’s website and other relevant promotional material;
6. acknowledge the Centre’s support in research publications or presentations that benefitted from support by the Centre;
7. include the Centre’s logo in presentations or promotional material related to the research that was financially supported by the Centre.
