

# PICKING MY PATH

by Josephine Emadoye

## EXPECTATION:

**1** work hard

Get good grades and get my DEC. Then apply to Med-P

**2** Get into

Med-P then MDCM and become a physician #smoothride

## REALITY:

BSC Kinesiology

BSC Neuroscience

Apply to Med after BSc

Apply to a masters in physio therapy or go to physician assistant school

Get a masters degree

Get a PHD

Become a physiotherapist or physician assistant

Become a scientist, work in a super cool lab

## Acknowledgements:

Thanks to Rihanna for the PYP link, Blaine, Camille, Jaelle for the resources and opportunities, and my amazing mentor, Anikka Swaby, for her unwavering support and inspiration. I hope to mentor someone with the same dedication as she did for me!
