Q Laila Jadotte X

About me

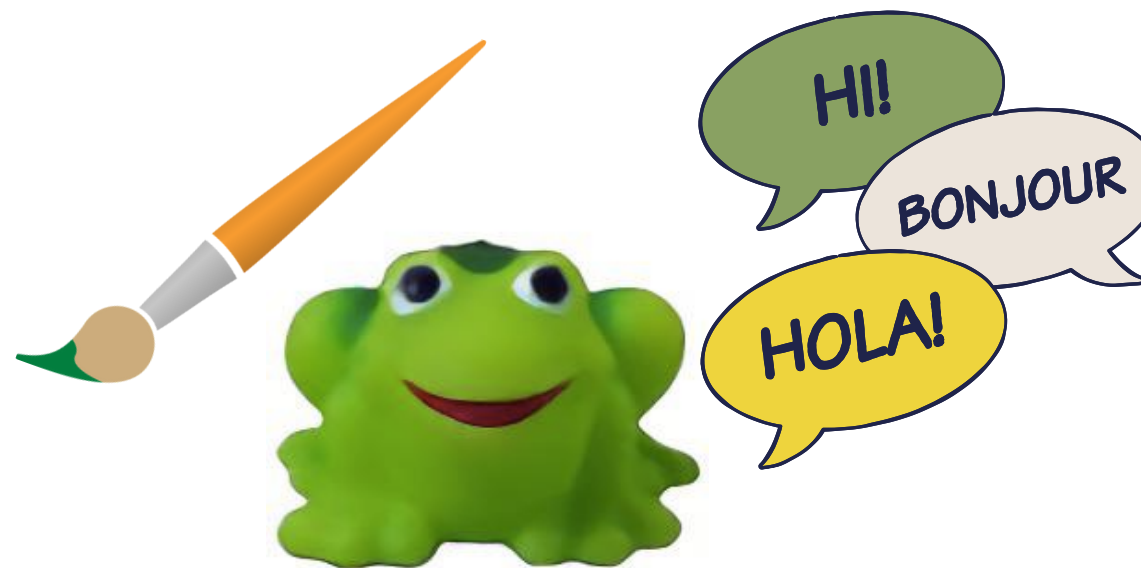

My Passions

My Journey

Other Stuff

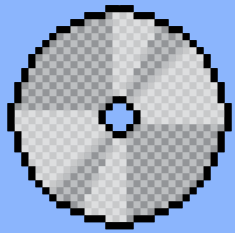

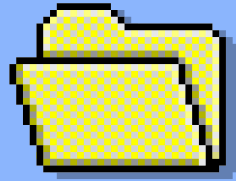

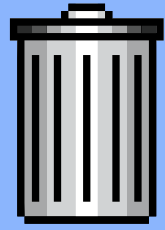

My Passions:

- Computers
- Art
- Languages
- Gardening
- Cooking
- Etc.

My Journey:

Computer Science → Languages & Cultures → ???

My Path

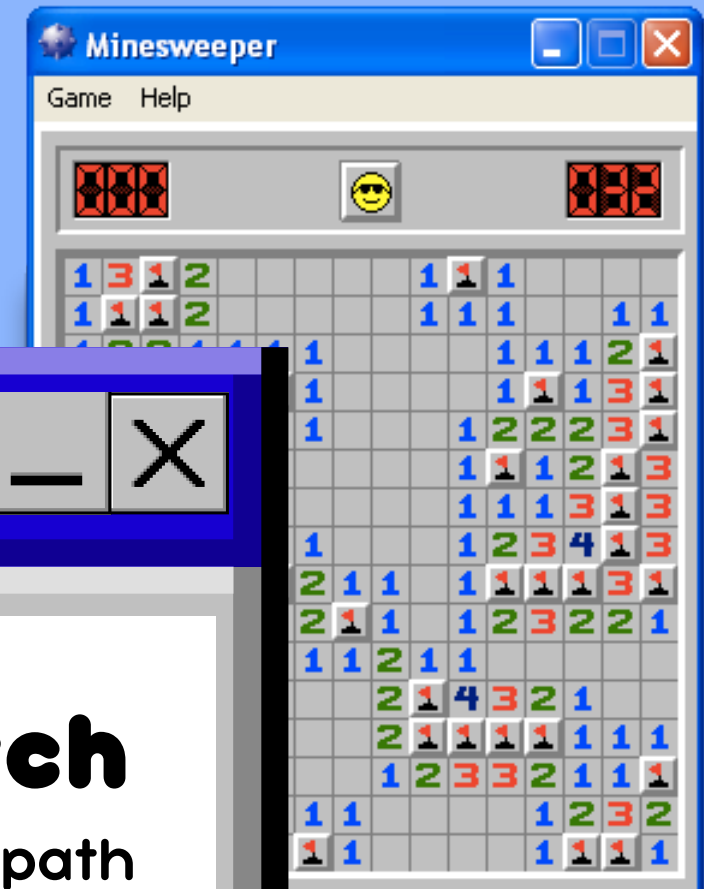

With the help of this program I was able learn about..

- Different careers
- Majors & Minors
- Transitioning to University Information

And the great help my mentor has been in aiding me throughout this whole process!

After Research

I've finally decided on a path now.. UX/UI Design!
It combines most of my passions and has work conditions I favor.

My Future [X]

UX/UI DESIGN

What Is it?	Education	Skills	Salary
-------------	-----------	--------	--------

What is UX/UI Design?

- UX = User Experience
