As part of being issued a permit to gather to sell/serve alcoholic beverages during the activity organized and held outside a building on the McGill University campus property, I agree notably to respect the following requirements:

1. To establish a perimeter using barriers, fencing or barricades so as to limit entry and exit through the access points, and to submit a plan of said site to the police department of the city of Montreal.
2. To respect regulations regarding advertising (for example, not to reduce the price of alcoholic beverages, not to advertise specials such as 2 for 1, Happy Hour, open bar, "beat the clock," etc.).
3. To take effective measures to prevent excessive consumption of alcohol.
4. To publicly display my alcohol permit at all points of sale.
5. To purchase beer from the holder of a grocery permit.
6. To set up an area at the point of sale for alcoholic beverages that can be locked in order to store the alcoholic beverages likely to be sold or consumed during the activity.
7. To display a uniform price list at each point of sale.
8. To serve the alcoholic beverages in plastic cups.
9. To respect *An Act respecting Liquor Permits* and its regulations, *An Act respecting offences related to alcoholic beverages* as well as municipal regulations.
10. To put in place security measures and personnel from McGill University's Security Services to ensure the peace and public safety. No consumption will be permitted outside the perimeter designated for this purpose or outside the site specified on the permit.
11. To prohibit the sale/serving of alcohol to individuals not participating in said activity: e.g.: passers-by, pedestrians passing near the site where alcohol is being sold.
12. To sell/serve the alcohol solely to authorized individuals, over the age of 18, for all activities held on the McGill University campus.
