

## Careers Resources - Science

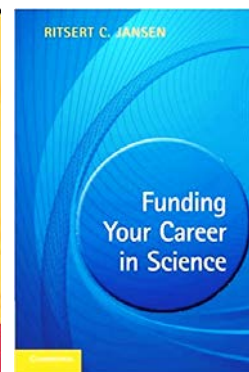

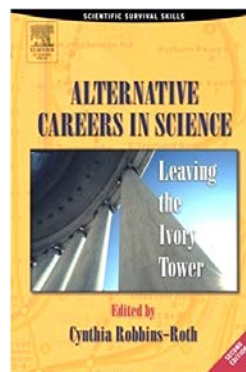

### Career Exploration

To learn more about career options:

- [Careers in Science](#) (Science Buddies): This site gives basic 100 careers in science and information such as degree requirements, salary, job outlook, etc.
- [Science Careers](#) (Career Cornerstone Center): In-depth career information for science students.
- [Career Handbook](#) (Science Magazine): A list of booklets that will give you tools you need to learn more about different career options in science.
- [Canada's Scientists and Professionals](#) (Government of Canada): A directory of more than 1000 scientists and research professionals from governmental institutions.

### Recommended Books (available at CaPS)

- Alternative careers in science: Leaving the ivory tower
- Career opportunities in forensic science
- Career opportunities in science
- Career options for biomedical scientists
- Funding your career in science: From research idea to personal grant
- Guide to nontraditional careers in science
- Letter to a young scientist
- Planning a scientific career in industry: Strategies for graduates and academics
- Turing points: Changing your career from science to patent law

### Internship Programs, Networking Tools, Job Websites & Directories

The following sites provides student programs, internships, job listings, and organization listings for science students.

- Faculty of Science – [Field Studies Programs](#) | [Science Internship Program](#) | [How to get involved in research](#)
- [Student Research Initiative \(SRI\)](#): This student group connects students with research opportunities.
- [CaPS Research Opportunities Database](#): This is a networking tool. The database displays a list of McGill professors with different research opportunities. Students are encouraged to network with professors on possible temporary or seasonal opportunities.
- For more resources: [CaPS - Jobs in Research](#)
- [Canadian science jobs](#)
- [Science.ca – Jobs](#)
- [Science Careers – Jobs](#)

### Organization Listings

The following websites provide a list of centres and facilities. Contact each organization for job leads.

- [Canadian science research centres](#)
- [Research Institutes and Facilities](#)
- [Canada's R&T Parks](#)

This handout is available at: **What can I do with my studies?** (<http://www.mcgill.ca/caps/discipline>) -> **Career Resources Guides – Fairs & Workshops**
