

How to find McGill alumni on LinkedIn

1. **Login** to your LinkedIn account to see the university page: <https://www.linkedin.com/school/mcgill-university/>
2. Click the link **“Alumni”**
3. You can look up alumni in many ways. For example:
 - Use **keyword** search (i.e. Geology), and choose a location from the **“Where they live”** section (e.g. Montreal, Canada Area). This will give you a list of alumni who are in geology and live in Montreal.
 - You can further filter the result set by entering a year range in the **“Start year”** and **“End year”** fields (e.g. 2016-2018). This will give you a list of alumni graduated from 2016 to 2018.
 - **Note:** Other filters you can use to narrow down your search:
 - o Where they work
 - o What they do
 - o What they studied
 - o What they are skilled at
