Try searching for the job titles shown on this page at either [jobbank.ga.ca](http://jobbank.ga.ca) or [careercruising.com](http://careercruising.com), where you'll find career descriptions, profiles, and job outlooks. (login details for Career Cruising available by contacting CaPS).

The information in this handout will provide you with ideas as to some typical careers/jobs that are associated with your degree, along with alternative careers that may not be as directly related to what you have studied. This by no means implies that these jobs are the only options you have. These careers are just samples of what you can do if you have the appropriate skills and experience.

If you're feeling a bit lost and you're curious about your future career options, we encourage undergrads to register for the Undergrad Hive career exploration program. Feel free to come by the CAPS office to make an appointment with a career advisor to discuss your career options and job search strategies.
