Ranked Contract Academic Staff Position

Position in the Faculty of Dentistry, Division of Oral and Maxillofacial Surgery
Department of Dentistry and Oral and Maxillofacial Surgery, Montreal General Hospital

Position description

The McGill University Faculty of Dentistry is a dynamic faculty with a strong record of national and international leadership in the advancement of dental education, research and the profession. We are inviting applications for a part-time Ranked Contract Academic Staff Position at the level of Faculty Lecturer, in the field of Oral and Maxillofacial Surgery starting in the Fall term, 2019. This is a Ranked appointment as a member of the Contract Academic Staff and does not confer eligibility for tenure.

The primary responsibility of the successful candidate will be resident clinical teaching through OMFS clinics staffed at the MGH as well as through operating room experience. There is an expectation for didactic teaching as well as participation in resident teaching activities. The candidate will be expected to be on call and treat emergency patients that occur outside of clinic hours.

We seek to recruit well-rounded, enthusiastic individuals who champion the vision, mission and shared values of the division of OMFS. Candidates must be committed to showing leadership in their field.

Job Duties

Successful applicants will be expected to:

- Staff at least a minimum of 1 full day of resident clinic at the Montreal General Hospital a month.
- Participate in all aspects of the OMFS residency academic mission (i.e. teaching, supervision of residents, and involvement in academic and administrative committees).
- Participate in the utilization of the operating time of the division of the OMFS, as per the rules and regulation of the department of dentistry and OMFS.
- Be available to take “call” for the OMFS division at the MUHC as per department policies and regulations.
Qualifications:

Applicants must have a D.M.D. or D.D.S. or equivalent from an accredited school and have successfully completed specialty training in Oral and Maxillofacial Surgery in a program accredited by the Commission on Dental Accreditation of Canada or the Commission on Dental Accreditation of the United States, or equivalent. Applicants must be licensed or be eligible to be licensed by the Ordre des dentistes du Quebec. Being a fellow of Royal college of Dentists of Canada is a requirement. Applicants who share our values and commitment to excellence in education, community service and research are encouraged to apply.

COMMITMENT TO EQUITY AND DIVERSITY

McGill University hires on the basis of merit and is strongly committed to equity and diversity within its community. We welcome applications from racialized persons/visible minorities, women, Indigenous persons, persons with disabilities, ethnic minorities, and persons of minority sexual orientations and gender identities, as well as from all qualified candidates with the skills and knowledge to productively engage with diverse communities.

McGill further recognizes and fairly considers the impact of leaves (e.g., family care or health-related) that may contribute to career interruptions or slowdowns. Candidates are encouraged to signal any leave that affected productivity, may have had an effect on their career path. This information will be considered to ensure the equitable assessment of the candidate’s record.

McGill implements an employment equity program and encourages members of designated equity groups to self-identify. It further seeks to ensure the equitable treatment and full inclusion of persons with disabilities by striving for the implementation of universal design principles transversally, across all facets of the University community, and through accommodation policies and procedures. Persons with disabilities who anticipate needing accommodations for any part of the application process may contact, in confidence, Professor Angela Campbell, Associate Provost (Equity and Academic Policies) by email or phone at 514-398-1660.

All qualified applicants are encouraged to apply; however, in accordance with Canadian immigration requirements, Canadians and permanent residents will be given priority.

If you have any questions about this position, or would like to discuss collaborating in candidate searches further, please contact nicholas.makhoul@mcgill.ca.
