

DENIS MELANÇON

NEURORADIOLOGY CONFERENCE

OCTOBER 17, 2013

SPINAL CORD

9:00 - 12:00 Presentations by Residents and Fellows

12:00 - 12:45 Lunch

12:15 - 12:45 Registration

12:45 - 1:00 **Welcome**
Teresa Mack, Administrative Director
 Neuroscience Mission,
 McGill University Health Centre

Benoît Gallix, Chairman
 Department of Radiology, McGill University

Introduction
Maria Cortes, Radiologist
 Montreal Neurological Institute and Hospital

Daniel Gendron, Neurologist
 Montreal Neurological Institute and Hospital

1:00 - 1:25 **Genetics of chiari malformation with syringomyelia: from dogs to humans**
Zoha Kibar, Professor
 CHU Sainte-Justine Research Center

1:25 - 1:50 **Recovery of walking after spinal cord injury**
Serge Rossignol, Professor
 Université de Montréal

1:50 - 2:15 **Childhood Spasticity: pathophysiology, treatment & longterm functional outcome**
Jean-Pierre Farmer, Surgeon-in-Chief
 Montreal Children's Hospital

2:15 - 2:40 **Imaging the spinal cord lesions**
Manon Bélair, Radiologist
 Hôpital Notre-Dame

2:40 - 3:05 **Inflammatory and demyelinating diseases of the spinal cord**
Paul Giacomini, Neurologist
 Montreal Neurological Institute and Hospital

3:05 - 3:25 Coffee Break

3:25 - 3:50 **Spinal cord monitoring**
Bernard Rosenblatt, Neurologist
 Montreal Children's Hospital

3:50 - 4:15 **Spinal cord stimulator indications techniques and results**
Line Jacques, Neurosurgeon
 Montreal Neurological Institute and Hospital

4:15 - 4:40 **Tumors affecting the spinal cord, view of a neurosurgeon**
Benoît Goulet, Neurosurgeon
 Montreal Neurological Institute and Hospital

4:40 - 5:40 **DENIS MELANÇON LECTURE**

Introduction
Donatella Tampieri, Director
 Diagnostic and Interventional Neuroradiology
 Montreal Neurological Hospital and Institute

Spinal Arteriovenous Fistulas: Vascular anatomy, pathology and treatment strategies
Robert A. Willinsky
 Professor of Medical Imaging
 The Toronto Western Hospital
 University Health Network
 Toronto, Canada

Closing Remarks
Donatella Tampieri

5:45 Reception

Registration is free and required. For more information and to register: www.neuroevents.mcgill.ca

Jeanne Timmins Amphitheatre
