Computational Medicine: Harnessing data for better health

A symposium organized by the McGill initiative in Computational Medicine (MiCM)

December 15, 2017

McIntyre building
Room: 504 - 8:00am to12:30pm

Featuring:

Vincent Mooser, University Hospital of Lausanne

Michael Brudno, University of Toronto

Jianying Hu, IBM Center for Computational Health

Doina Precup, McGill University

Marie-Pierre Dubé, Montréal Heart Institute

Bill Dalton, M2Gen

RSVP: https://goo.gl/XtzHYC

Times	Session	Presenter
7:30am - 8:00am	Light breakfast	
8:00am - 8:15am	Intro	David Eidelman
8:15am - 9:45am	Session 1	Mooser, Dalton, Brudno
9:45am - 10:05am	Panel discussion	
10:05am - 10:30am	Coffee break	
10:30am - 12:00pm	Session 2	Precup, Hu, Dubé
12:00pm - 12:20pm	Panel discussion	
12:20pm - 12:30pm	Wrap-up
