November 30, 2017

6:00 pm to 9:00 pm

Food Convergent Innovation Forum

• *Addressing Food Security through Convergent Innovation* •

This event promises to be an engaging and educational event, allowing students, entrepreneurs, and industry and community partners to come together to gain a holistic comprehension of complex problems.

Entrepreneurs — Enter to Win \$500!

A special feature of the forum is a Food Innovation Challenge where entrepreneurs can pitch their social business ideas. The winner will receive \$500 and a mentorship from industry experts. Three finalists will be selected by the 24th and will have 6 days to prepare. During the forum they will pitch their social business ideas. The winner will be announced at the end of the forum. **Application Deadline: November 22nd**
