TORONTO TRIP

Are you interested in working in Ontario? If so, this trip will allow you to connect with an alumni network established in corporations in the Toronto area who will share their experiences and provide insights into recruitment procedures.

OCTOBER 14th-16th

Minor Changes to companies may take place

Open to all years!

Each year 52 students go to Toronto to participate in Company Tours and network with Alumni. This year is no exception! We will be touring Reckitt, FedEx, LinkedIn, SAS and SDI Marketing. Each of these companies has jobs in all fields. Join us for a two day blitz in the Toronto market- make connections and see what companies you would like to work for. A resume book will be put together identifying those students looking for summer positions and full-time opportunities.

Application details can be found on MyFuture under Events.
