Academic Institutions

NAHO's Origins

- **Royal Commission on Aboriginal Peoples (RCAP) consultations identify need for national health institute in 1996**
- **Aboriginal Health Institute recommended by National Forum on Health in 1997**

NAHO Vision

The National Aboriginal Health Organization, an Aboriginal designed and controlled body, will influence and advance the health and well-being of Aboriginal Peoples by carrying out knowledge-based strategies.

Accountability and Public Participation

- Annual public meeting, national conference, and regional gatherings
- Annual report and annual financial statement
- Board of Directors, Priority Advisory Committees, and Centre Governing Committees
- Periodic evaluations
- Interactive Web site and other communication tools

NAHO Board of Directors as of December 2002

Front row: from left to right

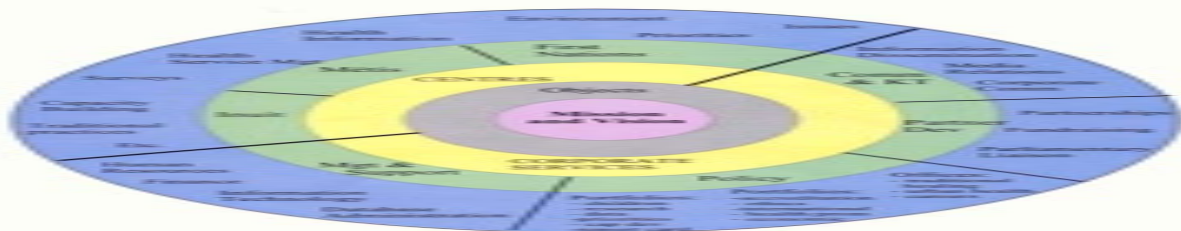

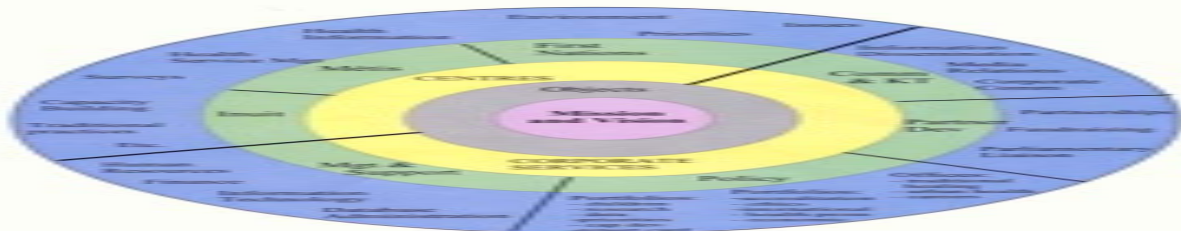

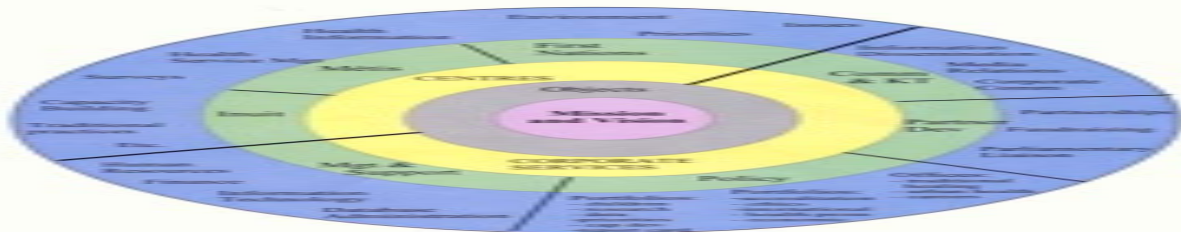

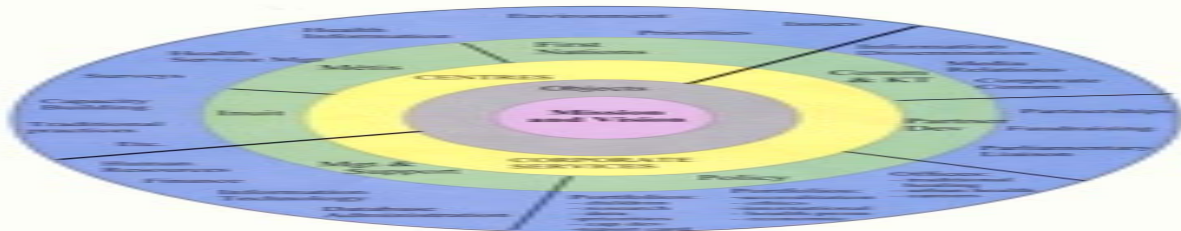

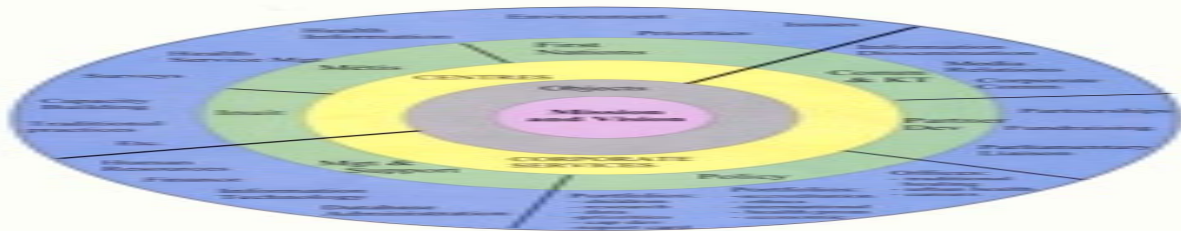

- Shirley Castel
- Heather McNeill
- Anaoyok Alookee
- Dr. Judith Bartlett
- Lorraine Gisborn

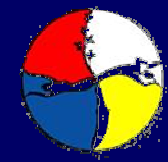

Back row: from left to right

- Tim Low
- Fjola Hart-Wasekeesikaw
- Dr. Edouard Cree
- Eric Shirt
- Liza Charlo-Pieper
- Bill Lyall
- Chief Maureen Chapman
- Noreen McAteer

Absent: Monica Ell, France Picotte and Ian Potter.

Examples of potential collaboration

- Best practices
- Sharing of research ethics
- New models of health care
- Information and communications

Examples of partnerships and linkages

- **First Nations and Inuit Regional Health Survey**
- **Letters of intent signed with the Canadian Medical Association in February 2002 and the Canadian Public Health Association in December 2002**
- **Partnership established with Aboriginal Nurses Association of Canada (A.N.A.C.)**
- **Linkage through Governing Committee participation with the Canadian Population Health Initiative (CPHI)**

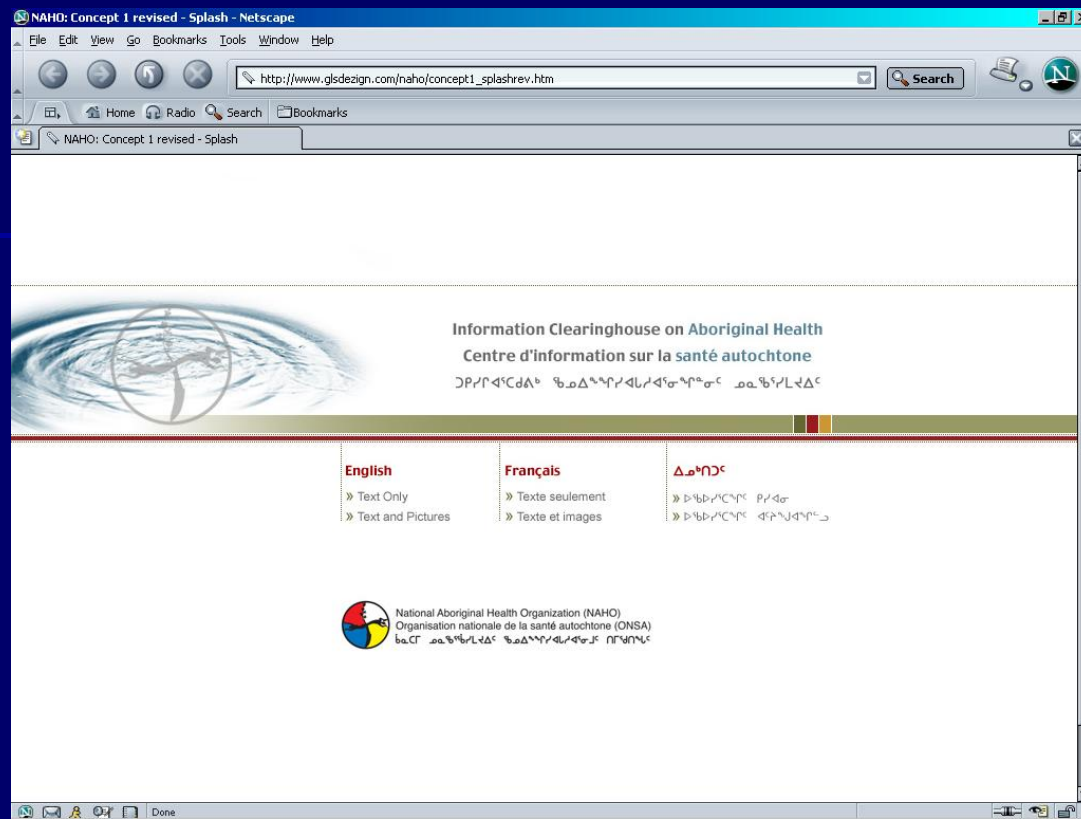

Examples of partnerships and linkages (continued)

- Linkage with the Institute of Aboriginal Peoples' Health (IAPH) established
- Memorandum of understanding under development with the Canadian Health Services Research Foundation (CHSRF)
- Participation on the new Federal/Provincial/Territorial Advisory Committee on Information and Emerging Technologies

Priorities for Next Two Years

- **Implementation of the Information Centre on Aboriginal Health**

Information Centre on Aboriginal Health (ICAH) Splash page

English, French, Inuktitut

The screenshot shows a Netscape browser window displaying the homepage of the Information Clearinghouse on Aboriginal Health (ICAH). The browser's address bar shows the URL http://www.glsdesign.com/naho/concept1_homerev.htm. The page title is "NAHO: Concept 1 revised - Home". The main content area features a header with the text "[Information Clearinghouse on Aboriginal Health]" and a navigation menu with links for "About ICAH", "Keep Me Posted", "Search", "Contact Us", "Français", and a language selector. The date "August 13, 2003" is displayed in the top right. The main content is organized into three columns. The left column contains a "Home" section with links to "What's New at ICAH", "Topics", "Glossary", "Resources", "Health Careers, Education and Training", "Programs and Services", "Gatherings", "Talking Place", and "NAHO home". The middle column has a "Welcome to the Information Clearing House on Aboriginal Health (ICAH)..." heading, followed by a "Printer Friendly" link, a paragraph about the clearinghouse's purpose, and sections for "Our goal" and "Our content". The right column features a "Featured News..." section with a date "8/06/2003" and a link to "Funding Opportunities", followed by a paragraph about the Indigenous Health Research Development Program (IHRDP) and a link to "http://www.ihrdp.ca". The footer contains links for "Text only site", "Disclaimer", "Legal", "Feedback", and "icah@naho.ca", along with the text "Last updated: 08/06/03" and the "National Aboriginal Health Organization (NAHO)" logo.
