ECC Facebook page @ECCMcGill

The screenshot displays the McGill myCourses interface for the McGill Engineering Student Centre (MESC) Experiential Learning Hub. The top navigation bar includes the McGill logo, the myCourses logo, and the user's name, Lorraine Donald. Below the navigation bar, a row of icons represents various course features: Content, Zoom, Lecture Recordings, Discussions, Class Progress, and Course Admin. The main content area features a banner image of a mountain peak with the text "McGill Engineering Student Centre (MESC) - Experiential Learning Hub". On the left, an "Announcements" section shows a post titled "The Pathy Fellowship" by Lorraine Donald, dated July 28, 2021, at 12:05 PM. The announcement text states: "The Pathy Fellowship application is approaching and there are many great summer events to learn more about this amazing program and aid your application!" and provides details about the fellowship's benefits and application process. On the right, a "Content Browser" sidebar lists various resources: "CAREER: Job Opportunities & Career Development Resources", "SKILLS DEVELOPMENT: Events & Resources", "FUNDING: SIF, scholarships & awards", and "RESEARCH: SURE undergrad research, research projects, grad studies info".
