## McGill Engineering Student Centre (MESC)

The McGill Engineering Student Centre (MESC) offers many services and resources to Engineering students through the integration of our Student Affairs Office (SAO), which offers academic advising and peer tutoring, and the Engineering Career Centre (ECC), which provides students with career and internship guidance.

Our team offers daily appointments and remote support for both academic and career related needs. For more information on our services, please select one of the options below.

### Location

Frank Dawson Adams Building  
3450 University Street, room 22 Montreal, QC Canada H3A 0E8
