A few words from
The Team

We proudly continue our tradition of high-quality, accessible, innovative, market-responsive education. We’re committed to delivering rich academic and practical programs that will help you to gain momentum in your career.

We would like to thank Indigenous Services Canada and CN for supporting and funding this initiative.

We invite you to discover the McGill experience.
Behind every effective public institution is a team of practitioners dedicated to enriching the sectors of education, health, social services, government, Public Safety and Security.

Through the practice of fair governance, a public administration professional works towards applying policies, managing organizations, studying and meeting community needs, and effecting positive change within their institutions.

Preparing for Your Career in Public Administration and Governance

In response to this growing labour market, we have designed a program that shapes students into strong candidates with transferable skills, such as leadership, managing projects, employee management, engaging and building teams, and understanding ethical responsibilities and financial reports within public Not-For-Profit organizations.

The study of public administration and governance will serve to either advance your career in the public sector or foster a seamless transition into the public sector. Each of our varied courses aims to encourage future leaders to analyze discrepancies in today’s current public operations, develop hands-on experience and gain a competitive edge, and find innovative strategies to achieve long-term success for organizations.

Discusses situations confronting senior managers in the competitive environment, includes topics such as the identification and evaluation of strategic alternatives, the management of control processes for increased productivity, etc.

Program & Course Schedule
What is an Integrated Blended-Online Program?

Definitions:

**Live-Online**: Each class is delivered entirely online and is led by one or more course lecturers using live virtual conferencing.

**Self-Directed Online**: This model allows students to learn at their own pace, autonomously, without the intervention of a course lecturer or tutor.

**Integrated Blended-Online**: This style of delivery combines live-online and self-directed online courses allowing for the flexibility of a digital classroom with the dynamics of a traditional one.

How:

**Teamwork** with classmates will encourage using innovative technology and skills that are useful for working remotely.

**Live classes** will help students to synthesize information.

Choosing a Contemporary approach to learning

Why Enroll in Our Integrated Blended-Online Program?

- **The flexibility** to take courses from the comfort of your home, workplace or community
- **The opportunity** to learn from practitioners in the field, whose focus on transmitting their expertise bridges the gap between higher education and the workplace
- **The advantage** of saving on travel and relocation expenses
- **The convenience** to complete the program part-time without leaving your job

**Fact:**
Blended programs reportedly contribute to a higher student success rate than both physical classrooms and fully online programs.
How to Apply to Online Program

You can apply for a program online. It's quick, simple and secure.

1. Choose a program of study.
   Note: If you wish, you can apply to two programs to be followed concurrently, provided they are at the same level and offered by the same department.

2. Review the admission requirements for the program you have selected and gather all necessary documentation.
   Note: All students applying to Career and Professional Development programs must be proficient in English. To be admitted to a graduate level program, you must have an undergraduate degree.

3. Ensure you have a credit card (Visa or Mastercard) for the non-refundable application fee. The fee must be paid online to submit your application.

4. Upon completing your online application, you will receive a confirmation email with a McGill ID number and a 6-character PIN (Personal Identification Number).

5. Within 24 - 48 hours after receiving your e-mail confirmation, you can track the status of your application and upload your supporting documents, including transcripts (if applicable), by signing into Minerva (McGill’s online student information system) here.

6. Ensure that you have uploaded all required supporting documents, as per the admission requirements of your chosen program.

7. Wait for your response. You can check the status of your application at any time using Minerva.

8. Once your file has been reviewed and a final decision has been made, admitted students will receive a “Letter of Admission” confirming the program that you have been admitted to, along with registration instructions. You can then register for your courses online during the appropriate registration period.

   ***If you are registering online for ONLINE courses, please ensure that your section code ends with a “4,” this determines that your class is online.
   If you are unsure of what classes to take, please email cpdonline.scs@mcgill.ca for more details on what is being offered this semester, and please let us know if you require assistance.
Students enrolled in the program have access to the following support:

A Dedicated advisor at the School of Continuing Studies is available to meet with students online to discuss all aspects of their education.

Administrative Liaison will work closely with Indigenous Students to oversee course administration. The Coordinator will collect your application forms, registration forms, and supporting documents to send to McGill.

Technical Support is available for both students and course lecturers during classes.
