Improve
 your career
 prospects

The full details of the program, admission requirements, and admission procedures summarized in this document can be found in the School of Continuing Studies' current course calendar. If there are any discrepancies between the course calendar and this summary, the information in the course calendar takes precedence in all cases. McGill University reserves the right to change this information at any time.

Business Management graduates are in high demand worldwide. This program exposes students to a variety of solid courses designed to develop the core competencies that are instrumental in a career at a large corporation, private company, small business or public institution.

Kamal S. Salmasi, Ph.D., D.P.A., M.B.A.
Area Coordinator: Management, International Business & Entrepreneurship

McGill

School of Continuing Studies École
d'éducation permanente

Dear Students,

In response to our students' needs and new developments in the industry, I am pleased to announce that we have redesigned our Certificate in Management program for the 2016-2017 academic year.

This new design is a result of McGill SCS's effort to enhance our students experience and career prospects in today's competitive business environment. With the changing nature of market trends, employers are increasingly demanding more from employees, the Certificate in Management prepares and provides students with tools for the advancement in the industry.

Our program exposes students to a variety of solid courses designed to develop core competencies in accounting, economics, marketing, big data and finance – disciplines that are instrumental in a career at a large corporation, private company, financial or public institution.

McGill SCS offers a wealth of knowledge and opportunities for you to gain much more than your valuable diploma in Management. We have strong connections with many organisations, and provide chances for you to network with them and acquire useful connections to enable you to enhance your student experience and increase your chances of employment.

We provide ideal facilities in an international learning setting for you to forge strong connections with colleagues and instructors whilst at McGill SCS and after graduation. As part of McGill SCS alumni, you will remain part of this exciting and active network long after you graduate.

At McGill's SCS you will gain many of the key transferable skills employers are looking for. You will be taught to think creatively and critically, express your views and ideas clearly, manage your time effectively, and work well independently and in teams.

Thank you for visiting our webpage and please do not hesitate to contact me if you have any questions.

Warmest regards,
K. S. Salmasi

Increase Your Opportunities for Advancement by Completing a McGill Certificate in Management

Whether you are a young adult starting a new career or a well-established manager, the work force is becoming better educated and more sophisticated, making jobs more and more competitive. The demand for workers with specialized university degrees or other formal education is skyrocketing.

In the private and the public sector, the management of daily operations is an essential part of any successful organization. The study of management will allow you to develop core competencies such as accounting, economics, marketing and finance which will prepare you for a career in a large corporation, a private company, a small business, a financial institution, a government agency or other public institution.

Whether encouraged by your employer or whether you are self-motivated, the program you choose can increase your opportunities for advancement and lead to a rewarding and challenging career

A McGill Certificate in Management will give you that leading edge and pave the way to a number of career opportunities. The completion of this Certificate with the appropriate electives satisfies most of the requirements for the Canadian Institute of Management (C.I.M.).

How Can this McGill Program Prepare You for a Career in Management?

- Our program will prepare you for positions in general management and set the stage for further management education.
- You will gain knowledge of the basic theories and concepts in both the underlying disciplines and the functional areas of management
- You will develop your ability to identify, define, analyze and solve business problems
- You will improve your effectiveness in evaluating and dealing with people

Please note: This program is effective as of Fall 2016. If you were admitted prior to Fall 2016, please follow the study plan which you have been given.

The Program

The Certificate in Management (General) is a 30-credit program which consists of 1 co-requisite, 8 required courses and 2 complementary courses.

Classes are offered once a week for 13 weeks and are generally from 6 p.m. to 9 p.m. Courses can be taken in the Fall, Winter, Spring and Summer sessions. Classes in the Spring and Summer sessions may be given in less than 13 weeks. Not all courses are offered every semester.

N.B. 1: CMSC 000 is an external pre-requisite to the program. CMSC 000 is a pre-requisite to CMSC 101 and must be completed (with a minimum grade of 65) before CMSC 101 can be taken. Students may apply for Advanced standing at the time of admission or they may take an Exemption by Examination Test².

The certificate's program requirements are:

Co-requisite¹:

CMSC 101 Mathematical Tools for Management Professionals
(or the Exemption by Examination Test²)

8 Required courses (24 credits):

- ▼ CCOM 205 Communication in Management 1
- ▼ CGMG 282 Introduction to Business
- MGCR 211 Introduction to Financial Accounting
- ▼ MGCR 222 Introduction to Organizational Behaviour
- MGCR 273 Introductory Management Statistics
- MGCR 293 Managerial Economics
- MGCR 341 Introduction to Finance
- ▼ MGCR 352 Marketing Management 1

2 Complementary Course (6 credits):

- ▼ MGCR 423 Strategic Management
- ▼ BUSA 364 Business Law 1
- CGMG 210 Fundamentals of Project Management
- ECON 295 Macroeconomic Policy
- MGCR 331 Information Systems
- MGCR 382 International Business
- MGPO 450 Ethics in Management
- ORGB 423 Human Resources Management

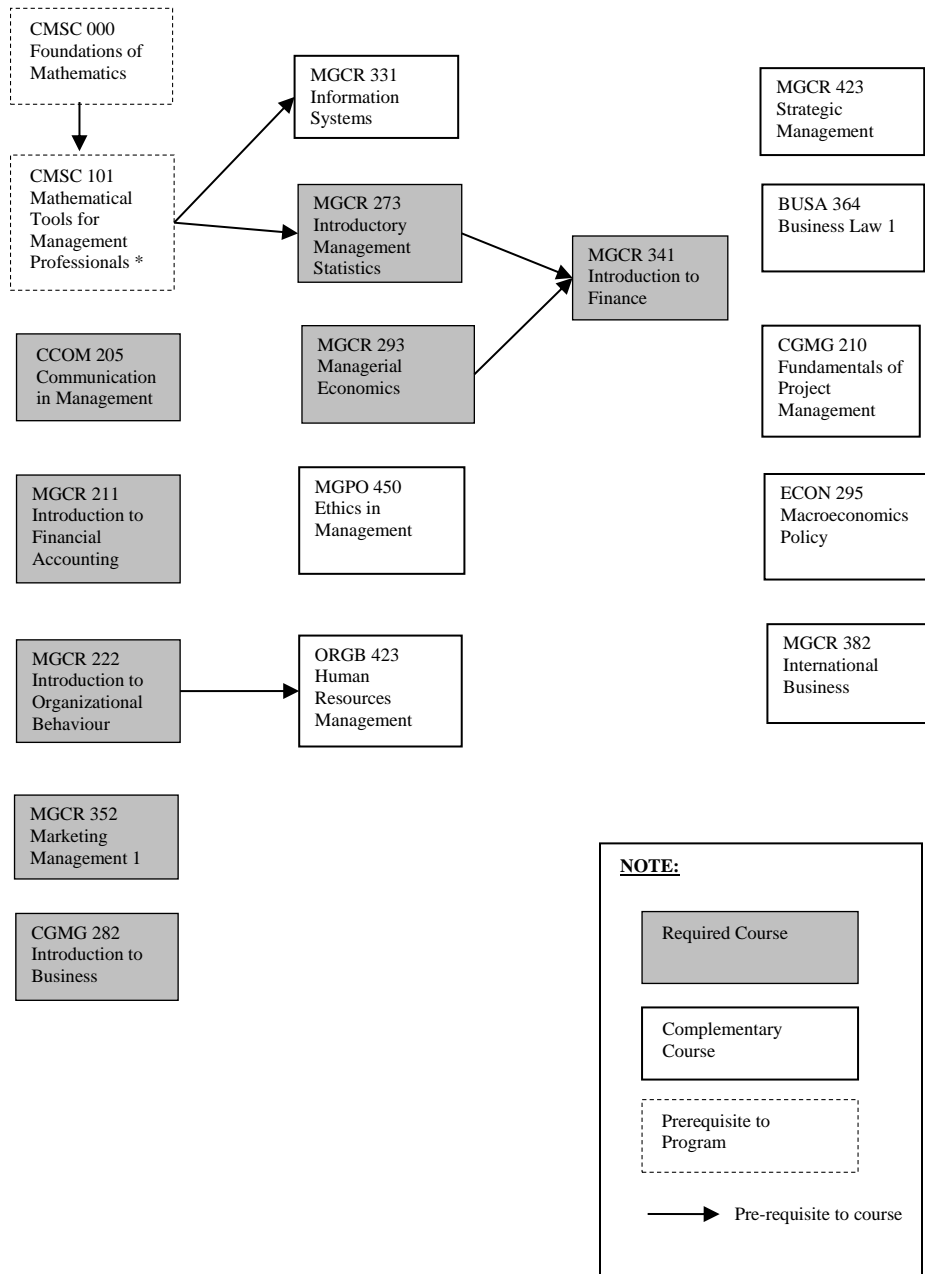

- ▼ Requirement for the C.I.M.²

¹ Co-requisite: This refers to academic course requirements that must be completed in the first semester.

² Please check CIM.ca for all the comprehensive list of required courses.

Course Sequence

Certificate in Management

To obtain information on course offerings, please refer to the interactive timetable at https://cce.mcgill.ca/timetable/C_MGMT_MGT.htm

Course Descriptions

BUSA 364 Business Law 1

(3 credits)

Pre-requisites: None

An introduction to the legal system and basic legal principles affecting business. Tort negligence, contracts, forms of business organization, creditors' rights and bankruptcy.

CCOM 205 Communication in Management 1

(3 credits)

Pre-requisites: None

Written and oral communication in Management (in English): emphasis on strategies for identifying, analyzing and solving writing and speaking problems. Course work based on academic and professional communication in management.

Pre-requisites: None

The role of financial accounting in the reporting of the financial performance of a business. The principles, components and uses of financial accounting and reporting from a user's perspective, including the recording of accounting transactions and events, the examination of the elements of financial statements, the preparation of financial statements and the analysis of financial results.

MGCR 222 Introduction to Organizational Behaviour**(3 credits)**

Pre-requisites: None

Individual motivation and communication style; group dynamics as related to problem solving and decision making, leadership style, work structuring and the larger environment. Interdependence of individual, group and organization task and structure.

MGCR 273 Introductory Management Statistics**(3 credits)**

Pre-requisite: CMSC 101 College Algebra and Functions or Exemption by Examination Test

Descriptive statistics, probability, random variables, binomial, poisson, normal distributions, sampling distribution of the mean, estimation, hypothesis testing, analysis of variance, tests of goodness of fit, simple linear regression, non-parametric statistics. Use of computer statistics package (no computer background needed). Application to problems in business and management.

MGCR 293 Managerial Economics**(3 credits)**

Pre-requisites: None

The course focuses on the application of economic theory to management problems and the economic foundations of marketing, finance, and production. Attention is given to the following topics: price and cost analysis; demand and supply analysis, conditions of competition.

MGCR 331 Information Systems**(3 credits)**

Pre-requisite: CMSC 101 College Algebra or Exemption by Examination Test

Introduction to principles and concepts of information systems in organizations. Topics include information technology, transaction processing systems, decision support systems, database and systems development. Students are required to have background preparation on basic micro computer skills including spreadsheet and word-processing.

MGCR 341 Introduction to Finance**(3 credits)**

Pre-requisites: MGCR 271 Business Statistics or MGCR 273 Introductory Management Statistics

An introduction to the principles, issues, and institutions of Finance. Topics include valuation, risk, capital investment, financial structure, cost of capital, working capital management, financial markets, and securities.

MGCR 352 Marketing Management 1**(3 Credits)**

Pre-requisites: None

Introduction to marketing principles, focusing on problem solving and decision making. Topics include: the marketing concept; marketing strategies; buyer behavior; Canadian demographics; internal and external constraints; product; promotion; distribution; price. Lectures, text material and case studies.

MGCR 382 International Business**(3 credits)**

Pre-requisites: None

An introduction to the world of international business. Economic foundations of international trade and investment. The international trade, finance, and regulatory frameworks. Relations between international companies and nation-states, including costs and benefits of foreign investment and alternative controls and responses. Effects of local environmental characteristics on the operations of multi-national enterprises.

MGCR 423 Strategic Management**(3 credits)**Pre-requisites: Advanced Student³

Focus on the primary functions of general management: the formation of a corporate strategy that relates the company's opportunities to its resources, competence, and leadership style. Measures to improve organization effectiveness.

MGPO 450 Ethics in Management**(3 credits)**

Pre-requisites: Advanced Student

An examination of the economic, legal and ethical responsibilities of managers in both private and public organizations. Through readings, case studies, discussions and projects the class evaluates alternative ethical systems and norms of behaviour and draws conclusions as to the right, proper and first decisions and actions in the face of moral dilemmas. The focus of this course is on the decision process, values and consistency of values of the individual and on the impact of systems control and incentives on managerial morality.

ORGB 423 Human Resources Management**(3 credits)**

Pre-requisite: MGCR 222 Introduction to Organizational Behaviour

Issues involved in personnel administration. Topics include: human resource planning, job analysis, recruitment and selection, training and development, performance appraisal, organization development and change, issues in compensation and benefits, and labour-management relations.

³ Advanced Student: Open to students who have completed 4 or more required courses in the certificate program.

Admission Requirements

To be admitted to an Undergraduate Certificate in Management:

- Applicants must hold a CEGEP diploma (DCS, DEC or equivalent) OR
- Applicants who do not have the normal academic background for admission but are 21 years of age and older may be admitted as mature students OR
- Applicants between 18 and 21 years of age who do not have a CEGEP diploma but have at least a high school leaving certificate may be accepted into a qualifying program (a copy of the certificate must be provided).

Admission Procedures

To Apply to the *Certificate in Management Online* Please Follow The Steps Listed Below:

Please follow the steps below:

STEP 1:

- Go to <http://www.mcgill.ca/continuingstudies/>
Click on “Apply”
Click on “Undergraduate Programs”

STEP 2:

Verify on the “**Apply for Admission to a Program**” page, the “Application Deadlines” for Canadian/Permanent Residents or International Students to ensure that you submit your application before the term deadline.

STEP 3:

- **Review your Admission Requirements:** Once you have checked your application against all the requirements, you will be ready to apply to the program.
- Before you proceed you will need:
A valid **email address** and a **credit card** (Visa, MasterCard or American Express).

STEP 4:

- Once you are ready to apply online:
Click on “**Click here now**” to bring you to the Application for Admission page.
- Click on the red bold “**Apply Now**” on the Application for Admission page.
(Do **not** apply through “uApply” link).
- Fill in the login information on the “Admissions Login” page and the Biographical Information.
- On the “Apply for Admission” page, fill in the information requested.
NOTE: When asked: “What are you applying for at McGill”, click on “Continuing Studies”
- Select the program you are applying to on the “Program Choice Selection” page.
- Continue to fill in the remainder of the application. (All sections to be completed are indicated in the textbox on the left hand side of the screen).

STEP 5:

- Once you have applied online, you will receive a confirmation email providing you with a McGill ID number and a 6-character **PIN (Personal Identification Number)**.
- You will need to use this information to **log into MINERVA** (www.mcgill.ca/minerva) (McGill's web-based information system for students) so that you can upload documents required for admission and follow-up on your status of your application.

STEP 6:

- Please refer to the website for additional information.
www.mcgill.ca/continuingstudies

Language Requirements

- The **language of instruction** for most courses and programs at McGill is English; however, students may submit any written work that is to be graded in English or French, except in cases where knowledge of the language is one of the objectives of the course.
- Applicants must demonstrate an adequate level of **proficiency in English prior to admission**, regardless of citizenship status or country of origin. McGill University has this language requirement in place to ensure that all students are provided with the opportunity to succeed in their chosen program.
- In all cases, the University reserves the right to require **proof of English** proficiency if it is deemed necessary. For additional information, please click on the link below.

<http://www.mcgill.ca/continuingstudies/current-students/academic-policies/language-policy>

Exemption by Examination

Students admitted to a Certificate, Graduate Certificate or Diploma program requiring a pre-requisite or co-requisite course, must provide proof that they have taken an equivalent 3 credit course, at the appropriate level elsewhere or successfully completed the Exemption by Examination test. Otherwise the student must register for the course.

- Please note that the Exemption by Examination test is **not applicable to required or complementary course(s)** within a program.
- You cannot take the Exemption by Examination test if you have already attempted the course (a grade of W is considered as have attempted the course).
- If you are unsuccessful in the Exemption by Examination test(s) you will not be permitted to repeat the test(s) and must instead enroll in the course(s) for which the particular test(s) was taken.

You must be admitted into a program or have applied to a program to be eligible to write the Exemption by Examination test. (The test is optional).

For more information on how to obtain a course exemption by means of a challenge exam, please consult the Exemption by Examination form available on our website at:

<http://www.mcgill.ca/continuingstudies/prospective-students/apply/exemption-examination>
