#### 4. Athena Log In Page.

a) If you haven't been registered for the Spring session select

##### **I am a new user**

b) If you registered and paid online select **I have Athena credentials** and enter your username and password

c) If you were registered by the administrator in the Spring and paid by cheque select **Forgot Username** and then **Forgot Password** (detailed steps explained below)

The screenshot shows a web form titled "Log In or Create an Account". Below the title, it says "Please select one of the following options". There are two main columns of options. The left column has a header "I have an existing account" and two sub-sections: "I have McGill credentials" and "I have Athena credentials". The right column has a header "I am a new user".

**I have an existing account**

- I have McGill credentials**  
Log in using your existing account information.

Chose **I have Athena credentials** option and retrieve your username by selecting **Forgot User Name**. You will be prompted to enter your **personal e-mail** and your username will be sent to that email address. Then you need to return to Athena Login page and request your password by selecting **Forgot Password** option. You will be prompted to enter your username and the new password will be sent to your email. Once both are retrieved you can log into your profile and change the username and password.
