## Events

**SOLIDARITY UNITY  
TOLERANCE PEACE**

### Huddle for Action and Social Justice

**CRCF conference room (suite 106), 3506 rue University**

Some CRCF members decided to join together to create a Huddle - a gathering of people who wish to define next steps, and envision how to transform the energy shown at the Women's Marches into local and national action. During monthly meetings held at the Centre for Research on Children and Families, Huddlers identify social issues they are concerned about and develop strategies to act on.

Members can also connect by videoconferencing or teleconferencing. For more information or to join the Huddle, please contact [Jennifer Nutton](#).

### Qualitative Data Analysis Group (QDAG)

**Center for Research on Children and Families, suite 106, 3506 rue University**

The QDAG is a space for social work doctoral students to work independently with others to be able to ask questions as they emerge during data analysis. The QDAG is not a discussion group. It is a work-focused group to move students forward through the data analysis phase of the dissertation with the support of others. For more information and for the upcoming meeting times, please contact [Gina Glidden](#) or [Jennifer Nutton](#).

If you are not aware, CRCF's [On the Radar](#) publication is a dissemination initiative that promotes its members research. On the Radar can be used to publish preliminary data, a pilot study, a policy paper or findings from a small project that are not suitable for a journal publication. It can also be used to provide a product to a partner.

Please contact [pamela.weightman@mcgill.ca](mailto:pamela.weightman@mcgill.ca) if you would like to submit an article for publication.
