Breakthroughs in Reproduction and Development

12th Annual Research Day, McGill Centre for Research in Reproduction and Development
Tuesday, May 12, 2020

Abstract submission guidelines:

- Abstract submission deadline: **Tuesday, March 31, 2020, 5:00 pm.** Send to CRRD@mcgill.ca;
- All trainees are encouraged to submit an abstract for poster or oral presentation;
- Trainee Fellowship Awardees are required to submit an abstract to present at Research Day. If your project is not at a stage suitable for presentation please contact CRRD@mcgill.ca;
- Indicate your preference for poster, oral presentation, or either;
- Describe your area of specialty (epigenetics, toxicology, embryo development, etc.);
- Include the name of your supervisor, and your current degree program (PhD 2, MSc 1, etc.);
- Please indicate if you are a Research Assistant or Research Associate
- All attendees must complete the online registration form by **Monday, April 27, 2020.**

Abstract formatting instructions:

- Please submit your abstract in a Microsoft Word compatible format, saved under your name (SmithJim_Abstract_RD2020.doc);
- 250 words maximum (not including the title or authors);
- Insert a margin of 2.54 cm (1 inch) around the page;
- Use Times 12 point font, black ink, six lines per inch, no condensed type or spacing;
- The title should be in bold and all caps;
- Clearly indicate all authors as well as their affiliations;
- Indicate funding sources, as required.

Example:

IN UTERO EXPOSURE TO TRIBUTYLTIN ALTERS THE EXPRESSION OF E-CADHERIN AND LOCALIZATION OF CLAUDIN-1 IN INTERCELLULAR JUNCTIONS OF THE RAT VENTRAL PROSTATE

Johanna Barthelemy¹, Adedayo Adeeko^{2,3}, Bernard Robaire^{2,3}, and Daniel G. Cyr^{1,4}

¹INRS-Institut Armand-Frappier, Université du Québec, Pointe Claire, Quebec, Canada

²Department of Pharmacology and Therapeutics, McGill University, Montreal, Quebec, Canada

³Department of Obstetrics and Gynecology, McGill University, Montreal, Quebec, Canada

⁴Department of Anatomy and Cell Biology, McGill University, Montreal, Quebec, Canada

Abstract (max 250 words)

Funding Sources: Supported by NSERC.
